William J. Pfeiffer

Global Tax Revolt:

Global Tax Revolution Chris R. Edwards, Daniel Mitchell, 2008 Introduction Capital explosion Tax cut revolution Flat tax club Mobile brains and mobile wealth Taxing businesses in the global economy The economics of tax competition The battle for freedom and competition The moral case for tax competition Options for U S policy **Global Tax Revolt** William J. Pfeiffer, 2000-03-01 Tax evasion is not a victimless crime Throughout the world a thriving underground economy threatens to crush compliant and captive taxpayers It is much bigger than just a few off the books transactions and the occasional charging of a personal expense against your business It touches every corner of our economy and it is growing at a rate at least three times faster than the formal economy The moral and social implications of activities such as illicit drug trade money laundering people smuggling and tax havens are more than just government issues they affect every good citizen who ends up paying more taxes because others are finding ways to evade their fair share In everyday language with liberal use of humor this book will give you a clear understanding of the problems of the Underground Economy along with an exploration into some of the possible answers to this great economic plague that affects each and every one of us **Starve the Beast** J. William Pfeiffer, 2000-12 This observation largely true but nevertheless unsettling cost billionaire New York real estate tycoon Leona Helmsley a 4 year jail term 90 days of public service and a 7 million fine for tax fraud So if the rich don't pay their share of taxes and the poor certainly can't pay their share who is left The middle class taxpayers who are trapped in the system by withholding taxes Systematic tax avoidance and evasion is flourishing in all business sectors in the world It is creating an Underground Economy that defies detection and in most cases goes unpunished The reality is that virtually everyone participates in the Underground Economy the only difference is to what extent Hiding income or burying non business expenses in your business used to be silent sins things that you simply did not talk about Now people chat about these schemes as casually as they do the weather Tax evaders have come out of their closets and aggressive withholding of taxes is a warning signal to government that they are withdrawing the consent to be governed Whether you are scrimping to make ends meet trying to save for retirement wondering how to shield an upcoming inheritance or just sick and tired of government waste this book is an invitation to you to join this New Tax Revolt Together we can force governments to be smaller more efficient and above all truly accountable to taxpayers This book is about understanding why we must starve the beast Tax Notes International ,2005 *The Worst Tax?* Glenn W. Fisher, 1996 This text provides a history of property tax in America revealing the fundamental difficulties confronting all past attempts at designing an equitable and efficient system of property taxation during the past two centuries *The St. Croix Review* ,1998 Annual World Bank Conference on Development Economics--Europe ,2003 2003 International Tax Havens Guide Barry Spitz, 2002 This comprehensive guide reveals precisely how each tax haven works for individuals corporations trusts and any other entity that wants to reduce today's crushing tax burden You will not find a more complete information service of international offshore financial centers
