Global Youth, Peace, and Development Y. C. Simhadri, 1991 Papers presented at the International Seminar on Youth Peace and Development held during 6-10 March 1989 at Andhra University      **Global Youth, Peace, and Development** Y. C. Simhadri, 1991 Papers presented at the International Seminar on Youth Peace and Development held during 6-10 March 1989 at Andhra University      **Youth Peace & Development** A. Rajmani Singha, 2014-01-01 Youth is vibrant and critical stage in human life which is high on dreams enthusiasm idealism energetic insecurities threats confusions and challenges They wanted to taste new things new venture and new way of life without consideration of consequences seriously They are the most vital human resources for any developed and developing country They have to participate actively in various national developments programme and activities directly and indirectly and in shaping the destiny of the nation These volumes are the outcome of the contributions made by the renowned scholars who are actively associated with youth within and outside the country There are total 50 contributors in both the volumes covering various issues Volume One has total 28 research chapters divided broadly in 4 sections namely Youth Peace and Development Youth in Peace Building Process Role of Peace Building Organizations and Peace Education and Communication      Global Youth Development Index and Report 2016 Commonwealth Secretariat, 2016-10-21 There are more young people in the world today than ever before Yet surprisingly little is known about the current state of affairs in youth development Measuring the well being of young people continues to be a challenge even though its importance is widely recognised The Commonwealth's youth flagship report the Global Youth Development Index and Report provides an evidence based overview of the state of development for the nearly 1.8 billion young people between the ages of 15 and 30 in the world The Youth Development Index YDI is a composite index of 18 indicators that collectively measure progress on youth development in 183 countries including 49 of the 53 Commonwealth countries The YDI has five domains measuring levels of education health and well being employment and opportunity political participation and civic participation among young people      **The World's Youth** Benson Bradford Brown, Reed W. Larson, T. S. Saraswathi, 2002-10-10 The life stage of adolescence now occurs in most corners of the world but it takes different forms in different regions Peers with such a central role in Western adolescence play a comparatively minor role in the lives of Arabic and South Asian adolescents Emotional turmoil and individuation from family occur in some societies but not others Adolescent sexual revolutions are sweeping through Japan and Latin America In this 2002 book scholars from eight regions of the world describe the distinct nature of adolescence in their regions They draw on research to address standard topics regarding this age family and peer relationships schooling preparation for work physical and mental health and show how these have a different cast across societies As a whole the book depicts how rapid global change is dramatically altering the experience of the adolescent transition creating opportunities and challenges for adolescents parents teachers and concerned others      *Youth in South and Central Asia: a Discourse of Changes and Challenges* Tareak

Rather,2014-03-12 Youth in South and Central Asia A Discourse of Changes and Challenges aims at presenting the well rounded accounts and analysis vis vis young peoples transitions and cultures in South and Central Asia Interdisciplinary in its approach the book scrutinizes themes including globalization cultural practices education labour market migration social security and mental health issues among youth To this end the book makes a significant contribution to youth studies in Asia

**Securitizing Youth** Marisa O. Ensor,2021-04-23 Securitizing Youth offers new insights on young people s engagement in a wide range of contexts related to the peace and security field It presents empirical findings on the challenges and opportunities faced by young women and men in their efforts to build more peaceful inclusive and environmentally secure societies The chapters included in this edited volume examine the diversity and complexity of young people s engagement for peace and security in different countries across the globe and in different types and phases of conflict and violence including both conflict affected and relatively peaceful societies Chapter contributors young peacebuilders and seasoned scholars and practitioners alike propose ways to support youth s agency and facilitate their meaningful participation in decision making The chapters are organized around five broad thematic issues that correspond to the 5 Pillars of Action identified by UN Security Council Resolution 2250 Lessons learned are intended to inform the global youth peace and security agenda so that it better responds to on the ground realities hence promoting more sustainable and inclusive approaches to long lasting peace

**The International Law of Youth Rights** William David Angel,1995-02-09 This unique pioneering study traces the origin growth and basic features of the international law of youth rights It consists of both source documents and commentary on the historical trends to elaborate and codify international instruments and standards in this field especially by the League of Nations system 1919 1940 and the United Nations system 1946 1994 as well as action taken by governmental intergovernmental and non governmental organizations to promote and protect youth rights It concludes with a call for a new international instrument and monitoring machinery to better promote and protect the rights of youth on a global basis For ease of reference the book contains a comprehensive bibliography and indexes of instruments ratifications correspondents subjects and countries

*A Study of Student Youth in Modern India (A Case of Degree College Students)* Dr.Satishkumar G, *Youth Development In The New Millennium* S. Narayanasamy,2003 *The Rio Declaration on Environment and Development* Jorge E. Viñuales,2015-02-05 The international community has long grappled with the issue of safeguarding the environment and encouraging sustainable development often with little result The 1992 Rio Declaration on Environment and Development was an emphatic attempt to address this issue setting down 27 key principles for the international community to follow These principles define the rights of people to sustainable development and the responsibilities of states to safeguard the common environment The Rio Declaration established that long term economic progress required a connection to environmental protection It was designed as an authoritative and comprehensive statement of the principles of sustainable development law an instrument to take stock of the past international and domestic

practice a guide for the design of new multilateral environmental regimes and as a reference for litigation This commentary provides an authoritative and comprehensive overview of the principles of the Declaration written by over thirty interdisciplinary contributors including both leading practitioners and academics Each principle is analysed in light of its origins and rationale The book investigates each principle s travaux pr paratoires setting out the main points of controversy and the position of different countries or groups It analyses the scope and dimensions of each principle providing an in depth understanding of its legal effects including whether it can be relied before a domestic or international court It also assesses the impact of the principles on subsequent soft law and treaty development as well as domestic and international jurisprudence The authors demonstrate the ways in which the principles interact with each other and finally provide a detailed analysis of the shortcomings and future potential of each principle This book will be of vital importance to practitioners scholars and students of international environmental law and sustainable development
