Globalization and Cuba-U.S. Conflict Graciela Chailloux, Rosa López Ocegüera, Silvio Baró Herrera, 1999 **Handbook of Latin American Studies, Vol. 61** Lawrence Boudon, 2006-04-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies Latin American Research Review Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 140 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000 and Katherine D McCann has been assistant editor since 1999 The subject categories for Volume 61 are as follows
Anthropology Economics Geography Government and Politics Political Economy International Relations Sociology

Globalization, Self-Determination and Violent Conflict V. FitzGerald, F. Stewart, R. Venugopal, 2006-05-05 The authors show that with violent conflict in the developing world as the critical issue for the twenty first century and conflict prevention a central security problem for the developed and developing world self determination movements can only be understood and conflict prevented in the context of global economic and cultural forces Cuba Inside Out Yael Prizant, 2013-12-09 The collapse of the Soviet Union in 1989 drastically altered life in Cuba Theatre artists were faced with new economic and social realities that changed their day to day experiences and ways of looking at the world beyond the island The Cuban Revolution's resistance to and intersections with globalization modernity emigration and privilege are central to the performances examined in this study The first book length study in English of Cuban and Cuban American plays Cuba Inside Out provides a framework for understanding texts and performances that support challenge and transgress boundaries of exile and nationalism Prizant reveals the intricacies of how revolution is staged theatrically socially and politically on the island and in the Cuban diaspora This close examination of seven plays written since 1985 seeks to alter how U S audiences perceive Cuba its circumstances and its theatre **The Cuba-U.S. Bilateral Relationship** Michael J. Kelly, 2019 This book brings together experts from across three disciplines politics economics and law to address the key issues that affect Cuba U S bilateral relations today The chapters identify the opportunities and challenges presented to both

nations in each of their respective disciplines while staking out what the future may hold

Fifty Years of Revolution Soraya M. Castro Mariño, Ronald W. Pruessen, 2012-08-15 In the years since the Cuban Revolution in 1959 eleven men have served as president of the United States arguably the most powerful nation on earth Yet none of them has been able to effect any significant change in the stalemate between the United States and Cuba its closest neighbor not to share a land border Fifty Years of Revolution features contributions from an international Who's Who gallery of leading scholars The volume adopts a uniquely nonpartisan attitude a departure from this topic's generally divisive nature Emerging from a series of meetings conference panels and lectures the book coheres more strongly than the typical essay collection Organized to analyze not describe Cuba's foreign relations the work examines sanctions the embargo regime change Guantanamo the exile community and more Drawing from personal experiences as well as recently declassified documents these essays update summarize and explain one of the prickliest political issues in the Western Hemisphere today

Handbook of Contemporary Cuba Mauricio A. Font, Carlos Riobo, 2015-11-17 Cuban studies is a highly dynamic field shaped by the country's distinctive political and economic circumstances Mauricio A Font and Carlos Riobo offer an up to date and comprehensive survey offering the latest research available from a broad array of disciplines and perspectives The Handbook of Contemporary Cuba brings contributions from leading scholars from the United States Cuba Europe and other world regions and introduces the reader to the key literature in the field in relation to rapidly changing events on the island and in global political and economic affairs It also addresses timely developments in Cuban civil society and human rights The guide also presents economic models and forecasts as well as analyses of the recent pivotal Sixth Congress of the Communist Party of Cuba For students scholars and experts in government it is a vital addition to any collection on Latin American studies or global politics

Libro de Identidad Carolina De La Torre, 2017-04-22 Para millones de personas La identidad es cuesti n de vida o muerte Para los dem s aunque todos no sean conscientes de ello es uno de los m s importantes procesos de construcci n de sentido Para los interesados o enfrascados en las disciplinas humanas sea cual sea la posici n te rica o la aceptaci n de estos planteamientos parece ser evidente que el tema de las identidades no s lo es uno de los m s tratados actualmente en los contextos acad micos profesionales y pol ticos sino una cuesti n casi insoslayable

Culture and the Cuban State Yvon Grenier, 2017-11-08 Culture and the Cuban State examines the politics of culture in communist Cuba It focuses on cultural policy censorship and the political participation of artists writers and academics such as Tania Bruguera Jes s D az Rafael Hern ndez Kcho Reynier Leyva Novo Leonardo Padura and Jos Toirac The cultural field is important for the reproduction of the regime in place given its pretense and ambition to be eternally revolutionary and to lead a genuine cultural revolution Cultural actors must be mobilized and handled with care given their presumed disposition to speak their mind and to cherish their autonomy This book argues that cultural actors also seek recognition by the main for a long time the only sponsor and patron of the art in Cuba the curator state The curator state is also a gatekeeper state arbitrarily and selectively opening and closing the space for public expression and for access to foreign currencies and the global market The time when everything was either mandatory or forbidden is over in Cuba The regime seems to have learned from egregious mistakes that led to a massive exodus of artists writers and academics In a country where things change so everything could stay the same the controlled opening in the cultural field playing on the actors ambition and fear illuminates a broader phenomenon the evolving rules of the political game in the longest standing dictatorship of the hemisphere

Cuban Studies 39 Louis A. Perez, Jr., 2009-01-01 Cuban Studies 39 includes essays on the recent transformation of the Cuban film animation industry the influence of the liberal agenda of Justo Rufino Barrios on Jose Mart a profile of the music of the Special Period and its social commentary an in depth examination of the contents important themes and enormous research potential of the Miscelnea de Expedientes collection at the Cuban National Archive and a realistic assessment on the political future of Cuba

The Russia-Ukraine War from an African Perspective Artwell Nhemachena, 2023-09-30 In the Russia Ukraine war attention has been focused on the Special Military Operation This book

argues that there are many other special operations in various other arenas in the world that deserve equal and urgent attention Connecting special military operations to what it calls special economic operations special cultural operations special technological operations special sexual operations and special political operations the book argues that special operations are not exclusive Also drawing on topical debates about technoscience the book critically examines invasive technologies in relation to bodily autonomy integrity and privacy and it urges scholars and thinkers to compare these invasive technological operations to invasive special military operations The book grapples with the future of humanity in a world where the human is decentred even as the world is witnessing the proliferation of resource wars The book is relevant for scholars in anthropology sociology politics government studies international relations history media studies science and technology studies and disaster management *Revolutions in Cuba and Venezuela* Silvia Pedraza, Carlos A.
