important part of keeping this knowledge alive and relevant **The Knights Templar in the New World** William F. Mann, 2004-03-03 Uses the principles of sacred geometry archaeological evidence and Native American legend to discover the site of a secret Templar settlement in Nova Scotia Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus but that he also established a refuge there for the Templars fleeing persecution Shows that the Grail the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene was hidden in the New World In 1398 almost 100 years before Columbus arrived in the New World the Scottish prince Henry Sinclair Earl of Orkney sailed to what is today Nova Scotia where his presence was recorded by Micmac Indian legends about Glooskap This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century With evidence from archaeological sites indigenous legend and sacred geometry handed down by the Templar order to the Freemasons author William F Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World Here they found a safe refuge for the Grail the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene until the British exiled all the Acadians in 1755

The Westford Knight and Henry Sinclair David Goudsward, 2020-04-10 The Westford Knight is a mysterious controversial stone carving in Massachusetts Some believe it is an effigy of a 14th century knight evidence of an early European visit to the New World by Henry Sinclair the Earl of Orkney and Lord of Roslin In 1954 an archaeologist encountered the carving long known to locals and ascribed a variety of origin stories and proposed it to be a remnant of the Sinclair expedition The story of the Westford Knight is a mix of history archaeology sociology and Knights Templar lore This work unravels the threads of the Knight s history separating fact from fantasy This revised edition includes a new foreword and four new chapters which add context to the myth building that has surrounded the Westford Knight and artifacts like it **The Journal of American Folklore** , 1894 A Native Heritage Leslie Monkman, 1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures through out Canada s history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers Ponteach or The Savages of America 1766 to Robertson Davies Pontiac and the Green Man 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The

Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme

The Legend of Starcrash Dolores Cannon,1994 Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska Canada region thousands of years ago Starcrash indicates that aliens continued to come to Earth some intentionally and by accident throughout our history In order to adjust to harsh conditions they were forced to interbreed with the local aborigines This was the only way to insure the survival of their race Does their blood still flow in the veins of certain American Indian tribes Weaving Ourselves into the Land Thomas C. Parkhill,1997-07-24 CHOICE 1997

Outstanding Academic Books It is now over half a millennium since the first sustained contact between the peoples of Europe and North America yet Native Americans and especially their religious traditions still fascinate those who are not Native In Weaving Ourselves into the Land Thomas Parkhill argues that this fascination draws much more on a stereotype of the Indian than on the lives and history of actual Native Americans This stereotype whether used approvingly or disparagingly has informed the work of authors writing about Native American religions for audiences with both general and professional interests The figure of Charles Godfrey Leland plays an important part in Parkhill s investigation Leland s 1884 collection of legends about the Micmac Maliseet Passamaquoddy and Penobscot culture hero Kluskap becomes the touchstone for reflection on the larger study of Native American religions The author argues that most scholars of these religions including himself continue to be like Leland over a hundred years ago bewitched by the stereotype of the Indian Mythology for Storytellers Howard J Sherman,2014-12-18 Illustrated in full color throughout this delightful collection puts the riches of world mythology at the fingertips of students and storytellers alike It is a treasury of favorite and little known tales from Africa Asia Europe the Americas Australia and Oceania gracefully retold and accompanied by fascinating detailed information on their historic and cultural backgrounds The introduction provides an informative overview of mythology its purpose in world cultures and myth in contemporary society and popular culture Mythic themes are defined and the often misunderstood difference between myth and legend explained Following this the main sections of the book are arranged thematically covering The Creation Death and Rebirth Myths of Origins Myths of the Gods and Myths of Heroes Each section begins by comparing its theme cross culturally explaining similarities and differences in the mythic narratives Myths from diverse cultures are then presented introduced and retold in a highly readable fashion A bibliography follows each retelling so readers can find more information on the culture myth and deities Character geographical and general indexes round out this volume and a master bibliography facilitates research For students storytellers or anyone interested in the wealth of world
