Glorious Dawn:

Windows To The Soul Ime Ibanga, 2011-03-01 A Poet is a poet and his value is realized by the aesthetics and free run of the lines that form the corpus of his poetry Rhythm rhyme and images beautify a poem but the muse on which a poet builds poem is the keynote of poetic appreciation Such muse is important because it has something to do with reality Ime Ibanga as a poet has made acrobatical exploits into the realms of diverse topics of experience in his collection of poems entitled Windows to the Soul Windows to the Soul as it is is a random imaginative passage into various categories that life represents Sometimes these categories are pleasant at other times they are the wreckages of misfortunes But misfortunes in themselves no matter what degree are not terminal points in life As some poems in the title show especially those whose muses are highly religious there is total assurance from misery dependent on inward faith in the supremacy of a Supernatural Being For instance stanza two of Divine Love states So the great God for our good Shares our troubles Bares our pains Lest in our struggles We lose our ventures However not that the entire muse of Ime s poems is pastoral for he wrote most of his poems well long before he had his calling into the ministry In fact the cardinal signpost of Ime s thought is the radical graduation from one subject landmark to another Significantly when he is not entirely prophetic he is mystical philosophical and romantic A glimpse on these lines would bear me out To the clouds my love Above the mountains Where angels in Biblical myths In conquest rode upon chariots The above is a celebration of unfettered romantic feelings There are other poems in the collection that are equally inspiring and evocative For instance poems like Wisdom of Sand Time Pictures of the Mind Victory etc are all poems that can stand comparative tests with the Soyinka s and the Osundare s although Ime s poetic execution is of the simplistic hue But again one of the most outstanding poems and which is so intellectually attractive is Itikirikiri Village Here the poet uses homegrown experiences to convey a significant natural point of view He writes Itikirikiri O You re an insignificant enclave In Nigeria s hinterland Lost out in the woods Cut off from modernity Here is a village that produces all the food yet so neglected in the provision of social amenities Her people remain rusty untouched by wave of modernity and urban sophistication It is true that the edifice of the collection is totally prosaic but the poet is sometimes gripped with mystical and existentialist topics Stanza one of Infinite Provisions read Wherefore the tears of sorrow Previously shed Is replaced By hilarious feelings However the whole poetic rendering indicates that the poet is engulfed in an experiential dilemma Many confusing things are happening at the same time and the poet is at a crossroad to envisage order in the seeming state of disorder These battered feelings however say why the lamentation of the poet is poured in sweet music That is why the hallmark of Ime s Poetry is that of consistent rhyme and rhythm This rhythmic flow paves way for over repetition which leads to melody Another hallmark of his is the free verse style and the extravagant use of metaphor and personification Take for instance the following lines extracted from Stepping Out **Deception Cove** Jayne Castle, 2013-08-27 In the world of Harmony Rainshadow Island is home to a mysterious preserve secrets that have been kept for centuries and a treasure

worth killing for As a light talent Alice North has the rare ability to make things disappear including herself a gift that comes in handy during her magic act with her dust bunny Houdini Business mogul Drake Sebastian is day blind since his sight was nearly destroyed in a lab accident But he s the one man who can see Alice when she disappears and he needs her On Rainshadow Island two dangerous Old World crystals are missing igniting a paranormal storm Drake thinks Alice is the key to finding them and proposes they head there but only after a Marriage of Convenience Alice s honeymoon on Rainshadow is guaranteed to be memorable as the island and the passion between her and Drake is about to explode **Candyfloss II**

Cath and Oliver Barton,2012-12-13 Things are not always what they seem in this collection of short stories and photographs by Cath and Oliver Barton For one thing there are quite a number of angels popping up and some of them are not very angelic And what about the gnome and the soup After reading them you might feel it s better to stay away from trains and bendy buses but are you on any safer ground in the pub or at home As with the first volume of Candyfloss these are stories to tease you like a quirky box of chocolates We ve really enjoyed writing them all you have to do is bite into them and see what surprises are inside *The Presbyterian Hymnal* Judith L. This book studies the intersection of Hegel s political theory as developed in the Philosophy of Right with his philosophy of religion and his dialectical holistic theory of knowledge It explores both the methodological and theological dimensions of Hegel s politics by placing him in dialogue with such traditions as Hinduism the Protestant Reformation and the contemporary Religious Right and with such individual thinkers as Husserl Gadamer Pannenberg and Tillich The author shows that Hegel s philosophy outlines the dilemma of religion and society perhaps more clearly than any other modern thinker s perspective Namely that a religiously based society tends to be sectarian exclusive and intolerant while a fully secular society tends to lose the conditions which make community in any meaningful sense possible Hegel s search for a nonsectarian spirituality of community poses the problem the contemporary world must solve if we are to uncover a humane society , *The Tale Book.
