and claimed by France This volume summarizes the fascinating span of North American history when New France was established during the sixteenth century in present day Canada explored and expanded to the Niagara River a strategic water and portage route connected to the Great Lakes Chronologically the authors dramatically trace how the Iroquois gained the Niagara River and how they kept this lucrative trade route for themselves long after the French became established fur traders in the Great Lakes The Iroquois continued to control the Niagara River as the French built the short lived Forts Conti 1669 Denonville 1687 1688 and finally Fort Niagara 1726 1759 Fort Niagara The Key to the Inland Oceans and the French Movement to Dominate North America incorporates actions and political changes elsewhere that influenced the French and Iroquois at Niagara especially during the French and Indian War which ended the French Occupation of Fort Niagara and set the stage for the Iroquois to lose their long held Niagara River territory *Sussex archaeological collections, illustrating the history and antiquities of the county*, 1853 *A Companion to Greek Architecture* Margaret M.
