Poems of Conviction Bobbie Greer, 2018-03-07 Each and every year the Hope for Ethiopia team at Whitewell Metropolitan Tabernacle Belfast travel to Ethiopia for fellowship with our Brothers and Sisters in Christ They also bring presents for all the children there which are in all likelihood the only gifts any of the children will receive this year I had the great privilege of tagging along on the most recent trip and witnessed firsthand the magnificent work the team carried out It was while on this trip that these words were given to me which makes this poem just that little bit special We thank you our Lord Jesus for your travelling mercies sent And how we felt your presence everywhere we went We place our faith and trust in you for the remainder of our stay Praying we bring joy to you in all we do and say As we gather here together after several thousand miles Taking so much comfort from the children and their smiles So thankful we were able to hear your words and heed And give a little something back to comfort those in need The days have passed so quickly and soon we travel home But we will not forget this trip no matter where we roam Friendships were established as we worked with common aim And with God s grace in twelve moths time we ll do it all again All proceeds from the sale of these books

will go to Hope for Ethiopia **Betraying Dignity** Orit Kamir,2019-10-31 What do medieval knights suicide bombers and victimhood culture have in common *Betraying Dignity* argues that in the second decade of the twenty first century individuals political parties and nations around the world are abandoning the dignity based culture we established in the aftermath of two world wars less than a century ago Disappointed or intimidated many turn their backs on the humanitarian universalistic culture that presumes our inherent human dignity and celebrates it as the basis of every individual s equal human rights Instead people and nations are returning to a much older honor based cultural structure Because its ancient logic and mentality take new forms such as social network shaming and certain aspects of victimhood culture we fail to recognize them and overlook the pitfalls of the old honor based structure Narrating the history of honor based societies this book distinguishes their underlying principle from the post WWII notion of dignity that underlies human rights It makes the case that in order to revive and strengthen dignity based culture the concept of human dignity must be defined narrowly and succinctly and enhanced with the principle of respect Continuing its historical and cultural narrative the book discusses contemporary phenomena such as al Qaeda terrorists shaming via social network FoMO and some features of the emerging victimhood culture The book pays homage to Erich Fromm s classic *Escape from Freedom* [The Perfect Song](#) J. Copyright Office,1975 [Being Hal Ashby](#) Nick Dawson,2009-04-17 Hal Ashby 1929 1988 was always an outsider and as a director he brought an outsider s perspective to Hollywood cinema After moving to California from a Mormon household in Utah he created eccentric films that reflected the uncertain social climate of the 1970s Whether it is his enduring cult classic *Harold and Maude* 1971 or the iconic *Being There* 1979 Ashby s artistry is unmistakable His skill for blending intense drama with off kilter comedy attracted A list actors and elicited powerful performances from Jack Nicholson in *The Last Detail* 1973 Warren Beatty and Julie Christie in *Shampoo*

1975 and Jon Voight and Jane Fonda in *Coming Home* 1979 Yet the man behind these films is still something of a mystery In *Being Hal Ashby: Life of a Hollywood Rebel* author Nick Dawson for the first time tells the story of a man whose thoughtful and challenging body of work continues to influence modern filmmakers and whose life was as dramatic and unconventional as his films Ashby began his career as an editor and it did not take long for his talents to be recognized He won an Academy Award in 1967 for editing *In the Heat of the Night* and leveraged his success as an editor to pursue his true passion directing Crafting seminal films that steered clear of mainstream conventions yet attracted both popular and critical praise Ashby became one of the quintessential directors of the 1970s New Hollywood movement No matter how much success Ashby achieved he was never able to escape the ghosts of his troubled childhood The divorce of his parents his father's suicide and his own marriage and divorce all before the age of nineteen led to a lifelong struggle with drugs for which he became infamous in Hollywood And yet contrary to mythology it was not Ashby's drug abuse that destroyed his career but a fundamental mismatch between the director and the stifling climate of 1980s studio filmmaking Although his name may not be recognized by many of today's filmgoers Hal Ashby is certainly familiar to filmmakers Despite his untimely death in 1988 his legacy of innovation and individuality continues to influence a generation of independent directors including Wes Anderson Sean Penn and the Coen brothers who place substance and style above the pursuit of box office success In this groundbreaking and exhaustively researched biography Nick Dawson draws on firsthand interviews and personal papers from Ashby's estate to offer an intimate look at the tumultuous life of an artist unwilling to conform or compromise

Greek Sport and Social Status Mark Golden,2008 From the ancient Olympic games to the World Series and the World Cup athletic achievement has always conferred social status In this collection of essays a noted authority on ancient sport discusses how Greek sport has been used to claim and enhance social status both in antiquity and in modern times Mark Golden explores a variety of ways in which sport provided a route to social status In the first essay he explains how elite horsemen and athletes tried to ignore the important roles that jockeys drivers and trainers played in their victories as well as how female owners tried to rank their equestrian achievements above those of men and other women In the next essay Golden looks at the varied contributions that slaves made to sport despite its use as a marker of free Greek status In the third essay he evaluates the claims made by gladiators in the Greek east that they be regarded as high status athletes and asserts that gladiatorial spectacle is much more like Greek sport than scholars today usually admit In the final essay Golden critiques the accepted

accounts of ancient and modern Olympic history arguing that attempts to raise the status of the modern games by stressing their links to the ancient ones are misleading He concludes that the contemporary movement to call a truce in world conflicts during the Olympics is likewise based on misunderstandings of ancient Greek traditions
