Gluttons Paradise:

Dante's Gluttons Danielle Callegari, 2025-10-01 Dante's Gluttons Food and Society from the Convivio to the Comedy explores how the medieval Italian poet Dante Alighieri 1265-1321 uses food to express and condition the social, political and cultural values of his time. Combining medieval history, food studies and literary criticism, Dante's Gluttons historicizes food and eating in Dante, beginning in his earliest collected poetry and arriving at the end of his major work. For Dante, the consumption of food is not a frivolity but a crux of life, and gluttony is the abdication of civic and spiritual responsibility and a danger to both the individual body and soul as well as the greater collective. This book establishes how one of the world's preeminent authors uses the intimacy and universality of food as a touchstone for forging a community bound by a gastronomic language rooted in the deeply human relationship with material sustenance.

Gluttony Francine Prose, 2003-11-06 In America, notes acclaimed novelist Francine Prose, we are obsessed with food and diet. And what is this obsession with food except a struggle between sin and virtue, overeating and self-control, a struggle with the fierce temptations of gluttony. In *Gluttony*, Francine Prose serves up a marvelous banquet of witty and engaging observations on this most delicious of deadly sins. She traces how our notions of gluttony have evolved along with our ideas about salvation and damnation, health and illness, life and death. Offering a lively smorgasbord that ranges from Augustine's Confessions and Chaucer's Pardoner's Tale to Petronius's Satyricon and Dante's Inferno, she shows that gluttony was in medieval times a deeply spiritual matter, but today we have transformed gluttony from a sin into an illness: it is the horrors of cholesterol and the perils of red meat that we demonize. Indeed, the modern take on gluttony is that we overeat out of compulsion, self-destructiveness or to avoid intimacy and social contact. But gluttony, Prose reminds us, is also an affirmation of pleasure and of passion. She ends the book with a discussion of M. F. K. Fisher's idiosyncratic defense of one of the great heroes of gluttony, Diamond Jim Brady, whose stomach was six times normal size. The broad, shiny face of the glutton, Prose writes, has been and continues to be the mirror in which we see ourselves, our hopes and fears, our darkest dreams and deepest desires. Never have we delved more deeply into this mirror than in this insightful and stimulating book.

People of Nanjing Ye Zhaoyan, 2021-08-18 Nanjing has a prominent place in Chinese culture and history, as having been a capital city for ten times throughout history. The city of Nanjing is a fine history textbook. If one pores over this city, one will evoke the history of China itself. Every historic site in Nanjing is saturated with the character of human affairs. Whichever ruins one might visit, they are all part of a deep historical dialogue. In terms of scenery, Nanjing has mountains and rivers enough to match any city. But the city's strength is in its history and its unique culture. This book is a collection of prose about the unique history, culture and atmosphere of the city, as well as the temperament and customs of its people, by the renowned Nanjing-born writer Ye Zhaoyan. An elegant city with the European and American planning models adopted at the macro level and the traditional Chinese style at the micro level, the most beautiful, clean and well-planned modern city in twentieth-century China, Ye Zhaoyan remarks on the modern Nanjing.

city Gluttony and Gratitude Emily E. Stelzer,2018-02-14 Despite the persistence and popularity of addressing the theme of eating in Paradise Lost the tradition of Adam and Eve s sin as one of gluttony and the evidence for Milton s adaptation of this tradition has been either unnoticed or suppressed Emily Stelzer provides the first book length work on the philosophical significance of gluttony in this poem arguing that a complex understanding of gluttony and of ideal grateful and gracious eating informs the content of Milton s writing Working with contextual material in the fields of physiology philosophy theology and literature and building on recent scholarship on Milton s experience of and knowledge about matter and the body Stelzer draws connections between Milton s work and both underexamined textual influences including for example Gower s Confessio Amantis and well recognized ones such as Augustine s City of God and Galen s On the Natural Faculties

Australia? Martin Dean Tobin,2015-10-12 If youve ever thought about travelling to Australia or moving there for any reason look before you leap Do your homework first Too many people go to Oz misguidedfooled by popular misconceptions Australia teaches very harsh lessons to people like that And once youre there it has ways of trapping you into its system like a giant spiders web Australia is hyped up and dumbed down more than anywhere else Hence this book aims to bust the myths and stereotypes for once and for all It tells you what life down under is really like This is for people who want to be better informed than average tourists or backpackers Australia is too easily promoted as a sunny paradise where apparently everyones better off than anywhere else with no worries and a care free outlook on life This perception has always been misleading and by now it is truly outdated Nonetheless it is perpetuated by common Aussie expressions like the lucky country fair go and shell be right mate This book tells you the facts Written by an author and poet who was born and bred in Oz and whos had to battle there as hard as anyone Before you talk to travel agents learn from someone whos travelled

Transactions Leicester Literary & Philosophical Society,1907 Heaven and Hell Louis Markos,2013-05-17 For thousands of years philosophers theologians and poets have tried to pierce through the veil of death to gaze with wonder fear and awe on the final and eternal state of the soul Indeed the four great epic poets of the Western tradition Homer Virgil Dante and Milton structured their epics in part around a descent into the underworld that is both spiritual and physical both allegorical and geographical This book not only considers closely these epic journeys to the other side but explores the chain of influences that connects the poets to such writers as Plato Cicero St John St Paul Bunyan Blake and C S Lewis Written in a narrative man of letters style and complete with an annotated bibliography a timeline a who s who and an extensive glossary of Jewish Christian and mythological terms this user friendly book will help readers understand how heaven and hell have been depicted for the last 3 000 years Early English and Scottish Poetry, 1250-1600 Henry Macaulay Fitzgibbon,1888
