Gnashing Of Teeth:

Wailing and Gnashing of Teeth Ray Garton, 2019-09-09 Previously released as a special limited edition for Cemetery Dance Collectors Club members and long out of print this collection features Ray Garton's most controversial religious horror stories that are sure to get him in trouble with someone. *Wailing and Gnashing of Teeth* is too over the top for a mass market publisher but now is being made available by Ray for the ebook market. Be warned! This book is not for everyone, particularly the easily offended. This volume will differ slightly from the Cemetery Dance edition in that two different stories are contained within. One of them, *Graven Image*, has previously been released as a very limited chapbook from Cemetery Dance in 2007 with a print run of only 457 copies. The stories contained within are *Wailing and Gnashing of Teeth*, *Choices*, *God's Work*, *Graven Image*, *Monsters*, *Sinema*, *Punishments*, *Hell Hath No Fury*. Meghan R. Henning, 2021-09-21 The first major book to examine ancient Christian literature on hell through the lenses of gender and disability studies. Throughout the Christian tradition, descriptions of hell's fiery torments have shaped contemporary notions of the afterlife, divine justice, and physical suffering. But rarely do we consider the roots of such conceptions, which originate in a group of understudied ancient texts: the early Christian apocalypses. In this pioneering study, Meghan Henning illuminates how the bodies that populate hell in early Christian literature—largely those of women, enslaved persons, and individuals with disabilities—are punished after death in spaces that mirror real carceral spaces, effectually criminalizing those bodies on earth. Contextualizing the apocalypses alongside ancient medical texts, inscriptions, philosophy, and patristic writings, this book demonstrates the ways that Christian depictions of hell intensified and preserved ancient notions of gender and bodily normativity that continue to inform Christian identity. **Matthew's Parable of the Royal Wedding Feast** Ruth Christa Mathieson, 2023-06-02 Ruth Christa Mathieson's unique reading of Matthew's parable of the royal wedding feast (Matt 22:1-14), which concludes with the king's demand that one of the guests be bound and cast out into the outer darkness, focuses on the means of the underdressed guest's expulsion. Using sociorhetorical interpretation, Mathieson draws the parable into conversation with early Jewish narratives of the angel Raphael binding hands and feet (1 Enoch, Tobit) and the protocol for expelling individuals from the community (Matt 18). She asserts that readers are invited to consider if the person who is bound and cast out is a danger to the little ones of the community of faith unless removed and restrained. *The Function of Weeping and Gnashing of Teeth in Matthew's Gospel* Zoltan Erdey, 2013 Why did Matthew, on six different occurrences, record Jesus pronouncing judgment by employing the term weeping and gnashing of teeth? Interestingly, each of these occurrences is spread throughout the entire gospel. Perhaps this theological idiom was a theme that Matthew recognized as central to Jesus and his theology, taking meticulous care to include it in his gospel within the context of each occurrence. In this book, I have attempted to answer not only what is the meaning of this unique phrase but also what theological function does this apocalyptic judgment phrase serve in the theology of Matthew. **Jews in East Norse Literature** Jonathan Adams, 2022-12-05 What did Danes

and Swedes in the Middle Ages imagine and write about Jews and Judaism This book draws on over 100 medieval Danish and Swedish manuscripts and incunabula as well as runic inscriptions and religious art c 1200 1515 to answer this question There were no resident Jews in Scandinavia before the modern period yet as this book shows ideas and fantasies about them appear to have been widespread and an integral part of life and culture in the medieval North Volume 1 investigates the possibility of encounters between Scandinavians and Jews the terminology used to write about Jews Judaism and Hebrew and how Christian writers imagined the Jewish body The mis use of Jews in different texts especially miracle tales exempla sermons and Passion treaties is examined to show how writers employed the figure of the Jew to address doubts concerning doctrine and heresy fears of violence and mass death and questions of emotions and sexuality Volume 2 contains diplomatic editions of 54 texts in Old Danish and Swedish together with translations into English that make these sources available to an international audience for the first time and demonstrate how the image of the Jew was created in medieval Scandinavia

Concerning Heaven and Its Wonders, and Concerning Hell Emanuel Swedenborg, 1837 *What Happens After Life?* Matthew O'Neil, 2022-06-29 What happens to us when we die It s a question that has been debated for centuries moulded through time to fit our ever changing views Many religions teach that how we act in our life will determine where we will end up after life If you follow religious teachings and adhere to their ethical standards you will be rewarded and spend an eternity in heaven If not you will be punished and forced to spend forever in hell Modern science however will tell you a completely different story fanciful hopeful tales of an afterlife are both rationally explainable and lacking in evidence Theologian Matthew O Neil demonstrates that the contemporary religious view of the afterlife is far from what our ancestors envisioned Subjecting both original Scripture and contemporary faith to the rigours of modern science and rational philosophy he seeks to answer one of humanities most famous puzzles what happens After Life *Four Views on Hell* John F. Walvoord, Zachary J. Hayes, Clark H. Pinnock, 2010-08-10 Most contemporary Christians acknowledge the doctrine of hell but they d rather not think about how God punishes the wicked The authors of *Four Views on Hell* meet this subject head on with different views on what the Scriptures say Is hell to be understood literally as a place of eternal smoke and flames Or are such images simply metaphors for a real but different form of punishment Is there such a thing as conditional immortality in which God annihilates the souls of the wicked rather than punishing them endlessly Is there a Purgatory and if so how does it fit into the picture The interactive Counterpoints forum allows the reader to see the four views on hell literal metaphorical conditional and purgatorial in interaction with each other Each view in turn is presented critiqued and defended This evenhanded approach is ideal for comparing and contrasting views in order to form a personal conclusion about one of Christianity s key doctrines The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians Counterpoints books address two categories Church Life and Bible and Theology Complete your library with other books in the Counterpoints series *The Swedenborg Concordance* John Faulkner

Ruffcorn,2020-08-04 For most of its history the church has preached and taught a doctrine of dubious biblical origins The doctrine has cast a pall of gloom over the light of the gospel of Jesus Christ It has caused division in the human family has inspired fear of God s wrath in the lives of the faithful and has prevented believers from experiencing the abundant life that is theirs through the life death and resurrection of Jesus Nowhere to Go But Up investigates the source of this doctrine and surveys its use by the Christian church From its findings the book offers an alternative interpretation to several passages of Scripture recapturing the understanding of the first followers of the Way and the insights of the earliest church fathers Several salvation motifs are resurrected from the early centuries of the church These motifs invite readers to view the ministry of Jesus from refreshing life changing perspectives Shunning the centuries old practice of living in fear of God s judgment the book presents readers
