World Christian Trends Ad30-ad2200 (hb) ,2001 **The Doctrine of the Trinity** Sir Anthony Buzzard,Charles F. Hunting,2023-11-30 This important work is a detailed biblical investigation of the relationship of Jesus to the one God of Israel The authors challenge the notion that biblical monotheism is legitimately represented by a Trinitarian view of God and demonstrate that within the bounds of the canon of Scripture Jesus is confessed as Messiah Son of God but not God Himself Later Christological developments beginning in the second century misrepresented the biblical doctrine of God and Christ by altering the terms of the biblical presentation of the Father and Son This fateful development laid the foundation of a revised unscriptural creed that needs to be challenged This book is likely to be a definitive presentation of a Christology rooted as it originally was in the Hebrew Bible The authors present a sharply argued appeal for an understanding of God and Jesus in the context of the original Christian documents For additional information visit the author s website at www.restorationfellowship.org
