Gnosis An Introduction

**Thomas Simcox Lea, Frederick Bligh
Bond**

Gnosis An Introduction:

Gnosis Christoph Marksches,2003-07-01 This introduction to Gnosis by Christoph Marksches combines great clarity with immense learning In his Introduction Marksches defines the term Gnosis and its relationship to Gnosticism indicating why Gnosis is preferable and sketches out the main problems He then treats the sources both those in the church fathers and heresiologists and the more recent Nag Hammadi finds He goes on to discuss early forms of Gnosis in antiquity Jewish and Christian New Testament and the early Gnostics the main representatives of Gnosis especially Valentinus and Marcion Manichaeism as the culmination and end point of Gnosis ancient communities of Gnostics and finally Gnosis in antiquity and the present There is a useful chronological table and an excellent select bibliography *Introduction to Gnosis* Samael Aun Weor,2003-09 Gnosticism and Gnosis Robert A. Gilbert,2012 Gnosticism is the label which draws together a broad spectrum of strange quasi Christian belief systems that arose within and around the early Christian Church and challenged both its orthodoxy and its very existence The creators of this alternative spirituality were dualists who believed in the absolute distinction of matter and spirit and taught that the only way in which humanity can be drawn back into the being of the one true God is through the revelation of a special saving knowledge the Gnosis But their challenge to the Christian faith failed and the gnostics faded away Or did they This volume provides a clear concise and objective overview of the phenomenon of Gnosticism *Gnosis and Faith in Early Christianity* Riemer Roukema,1999 This text provides an up to date introduction to Gnosticism as it relates to early Christianity The author tries to make the reader familiar with the themes and ingredients of Gnosticism without going directly into where they come from Part 1 provides general orientation Part 2 explores the religious and philosophical background Part 3 contains a more detailed discussion of Gnosticism and Gnostics Part 4 examines the relationship between Catholic Christianity and Gnosticism **Gnosis** Robert Haardt,1971 An anthology of gnostic writings **Introduction to Gnosis : First Degree** Samael Aun Weor,2002 *Introduction to Gnosis* Samael Aun Weor,2007-02 In this basic and practical introduction to the fundamental basis of Gnosis Samael Aun Weor offers a breadth of exercises for the reader to establish stability and understanding in their daily life The sincere person who implements the guidance given in this profound book will discover a wealth of insight from their efforts Gnosis is after all knowledge Greek and each seeker is enjoined to Know Thyself This volume although simple in its expression and thin in size exudes the perfume of many centuries of profound Initiatic Wisdom Introduction to "the Ancient Science of Gnosis" Anita Ford Almaraz,19?? **Christian Gnosis** Ferdinand Christian Baur,2023-01-26 Ferdinand Christian Baur s *Die Christliche Gnosis* first published in 1835 is considered by many to be the most important book on Gnosticism published in the nineteenth century and is a pivotal work within Baur s canon Baur s unique thesis of a link between ancient and modern religious philosophy as well as his conception of Gnosticism developed through dialogues with his predecessors and contemporaries consolidate Christian Gnosis as an important contribution to Christian theology In this seminal work written

over a hundred years before the manuscript discovery at Nag Hammadi Baur classifies the gnostic systems in terms of how they conceive the relationship of Christianity to Judaism and paganism describing them in detail He then goes on to describe the criticism of and reaction to gnosis in church history before contending with the modern religious philosophy of his time discussing Boehme Schelling Schleiermacher and Hegel Christian Gnosis is Baur's first great religio historical study and Robert Brown's masterful translation ensures the work is as impactful today as it was on its first publication *Also a History of Philosophy, Volume 2* Jürgen Habermas, 2024-09-26 In this second volume of his groundbreaking new work on the history of philosophy Jürgen Habermas traces the development of Western thought from the reception of Platonism by early Christian thought through the revolution in medieval philosophy and theology triggered by the rediscovery of Aristotle's works up to the decoupling of philosophical and theological thought in nominalism and the Reformation that ushered in the postmetaphysical thinking of the modern age In contrast to conventional histories that focus on movements and schools Habermas takes the dialectic of faith and knowledge as a guiding thread for analysing key developments in the thought of major figures such as Augustine Aquinas Scotus Ockham and Luther that constitute milestones in the genealogy of postmetaphysical thinking A distinctive feature of Habermas' approach is the prominence he accords practical philosophy and in particular legal and political ideas and the corresponding attention he pays to social institutional and political history especially as these bear on the relationship between church and state As a result the central preoccupations of Christian thought are shown to be original responses to questions raised by the Christian worldview that exploded the framework of Greek metaphysical thinking and remain crucial for the self understanding of contemporary philosophy Far from raising claims to exclusivity completeness or closure Habermas's history of philosophy published in English in three volumes opens up new lines of research and reflection that will influence the humanities and social sciences for decades to come **The Thirteenth Apostle: Revised Edition** April D. DeConick, 2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas *Gnosticism and the History of Religions* David G. Robertson, 2021-08-12 Building on critical work in biblical studies which shows how a historically bounded heretical tradition called Gnosticism was invented this work focuses on the following stage in which it was essentialised into a sui generis universal category of religion At the same time it shows how Gnosticism became a religious self identifier with a number of sizable contemporary groups identifying as Gnostics today drawing on the same discourses This book provides a history of this problematic category and its relationship with scholarly and popular discourse on religion in the twentieth century It uses a critical historical method to show how and why Gnosis Gnostic and Gnosticism were taken up by specific groups and individuals practitioners and scholars at different times It shows how ideas about Gnosticism developed in late nineteenth and twentieth century scholarship drawing from continental phenomenology Jungian psychology and post Holocaust theology to be constructed as a perennial religious current based on special knowledge of the

divine in a corrupt world David G Robertson challenges how scholars interact with the category Gnosticism and contributes to our understanding of the complex relationship between primary sources academics and practitioners in category formation

An Introduction to the New Testament, Second Edition Charles B. Puskas, C. Michael Robbins, 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms This classic introduction by Charles B Puskas revised with C Michael Robbins provides helpful guidance Since the publication of the first edition which was in print for twenty years a host of new and diverse cultural historical social scientific socio rhetorical narrative textual and contextual studies has been examined Attentive also to the positive reviews of the first edition the authors retain the original tripartite arrangement on 1 the world of the New Testament 2 interpreting the New Testament and 3 Jesus and early Christianity This volume supplies readers with pertinent primary and secondary material The new edition carries on a genuine effort to be nonsectarian and although it is more of a critical introduction than a general survey it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament

An Introduction to the Apostolic Gnosis Thomas Simcox Lea, Frederick Bligh Bond, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

Wisdom of the Gods M. Alan Kazlev, 2019

The Blessing of Africa Keith Augustus Burton, 2007-07-25 Keith A Burton traces the story of biblical Africa and the place of the Bible in the land of Ham He ends with an examination of the modern era and the achievements of African Christianity This invigorating work places the story of the Bible and African Christianity in a wider global context and challenges readers to think differently about history and the biblical world

Backgrounds of Early Christianity Everett Ferguson, 2003-08-19 Having long served as a standard introduction to the world of the early church Everett Ferguson's Backgrounds of Early Christianity has been expanded and updated in this third edition The book explores and unpacks the Roman Greek and Jewish political social religious and philosophical backgrounds necessary for a good historical understanding of the New Testament and the early church New to this edition are revisions of Ferguson's original material updated bibliographies and fresh discussions of first century social life of Gnosticism and of the Dead Sea Scrolls and other Jewish literature

The Apostles' Creed Piotr Ashwin-Siejkowski, 2009-05-01 The Apostles Creed is an expression of Christian theology that was formed in a period of fascinating and creative debate The creed is not simply a dogmatic static and cryptic symbol of Christian faith but on the contrary a lively narrative that can still inspire imagination critical reflection and faith In The Apostle's Creed the ancient debates that led to the formulation of its twelve pronouncements are examined The richness of early Christian thought is explored by looking at the ideas behind each creedal pronouncement and tracing the theological debates that inspired each statement Early Christian theology is not

treated as unanimous but as pluralistic The polyphony of theological opinion which characterized the Christianity of this period is therefore highlighted and celebrated In explaining the context that gave birth to the creed this study refers to the testimony of various witnesses of those theological arguments This includes opponents of the apostolic and church Fathers the Gnostics heretics and Jewish and pagan critics of Christian faith *Jewish-Christian Relations* Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and Christian Origins There is great merit to Bibliowicz's approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of Way of Blessing Way of Life A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available

to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know

Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of *Anti Judaism and the Fourth Gospel* and *Paul and Judaism* An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity

Joseph B Tyson Professor Religious Studies Southern Methodist University author of *Marcion and Luke Acts A Defining Struggle* Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling

Michele Murray Professor Bishop's University Canada author of *Playing a Jewish Game Gentile Christian Judaizing in the First and Second Centuries C E* A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus's disciples and first followers a must read

Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians

David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement

N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of *Mature Christianity in the 21st Century The Recognition and Repudiation of the Anti Jewish Polemic of the New Testament* The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author

Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of *Constructing Jesus History Memory and Imagination* *The New Testament and Gnosis* Alastair Logan, Alexander J. M. Wedderburn, 2004-11-11 Important essays on Gnosis and Gnosticism Contributors include Rudolph Pagels Grant and Barrett
