Gnostic Sacraments and Initiations As Connected With the Mithraic C. W. King, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *The Gnostics and Their Remains* Charles William King, 1887 **Old English Customs Extant at the Present Time** Peter Hampson Ditchfield, 1896 *The Archaeological Review* George Laurence Gomme, 1888 A journal of historic and pre historic antiquities *The Gnostics and Their Remains, Ancient and Mediaeval ...* Charles William King, 1864 **Initiation into the Mysteries of the Ancient World** Jan N. Bremmer, 2014-07-28 The ancient Mysteries have long attracted the interest of scholars an interest that goes back at least to the time of the Reformation After a period of interest around the turn of the twentieth century recent decades have seen an important study of Walter Burkert 1987 Yet his thematic approach makes it hard to see how the actual initiation into the Mysteries took place To do precisely that is the aim of this book It gives a thick description of the major Mysteries not only of the famous Eleusinian Mysteries but also those located at the interface of Greece and Anatolia the Mysteries of Samothrace Imbros and Lemnos as well as those of the Corybants It then proceeds to look at the Orphic Bacchic Mysteries which have become increasingly better understood due to the many discoveries of new texts in the recent times Having looked at classical Greece we move on to the Roman Empire where we study not only the lesser Mysteries which we know especially from Pausanias but also the new ones of Isis and Mithras We conclude our book with a discussion of the possible influence of the Mysteries on emerging Christianity Its detailed references and up to date bibliography will make this book indispensable for any scholar interested in the Mysteries and ancient religion but also for those scholars who work on initiation or esoteric rituals which were often inspired by the ancient Mysteries **Drudgery Divine** Jonathan Z. Smith, 2013-12-16 First Published in 1990 Routledge is an imprint of Taylor Francis an informa company The Christ, Psychotherapy and Magic Anthony Duncan, 2012 The Christ Psychotherapy and Magic is a Christian priest s appreciation of occultism with a particular focus on the Qabalah Far from condemning occult thinking he finds it has much common ground with the Christian perspective and contemporary developments in psychotherapy Drawing on the works of Dion Fortune Gareth Knight and others he appraises the theology and assumptions of occultists and examines how Christian mysticism coheres with the Tree of Life While his ideas may be challenging and thought provoking for many occultists as well as for many Christians his spectrum is broad and his criticisms carefully considered He also provides a lucid overview of the Tree of Life which makes the book an incredibly valuable introduction to the Qabalah especially as a guide for aspiring Christian Qabalists Originally published in 1969 this book came about through Anthony Duncan s friendship with occultist Gareth Knight and directly inspired Knight s major work

Experience of the Inner Worlds Now at least one clergyman has got the point and in this book urges his fellow Christians not to dismiss occultism either as a cranky fad or as a black art The Guardian **The Courageous Gospel** Robert Allan Hill, 2013-06-04 The Courageous Gospel is intended for use alongside a commentary Ashton Brown Bultmann Barrett other in a class introducing the Fourth Gospel The book has four parts A succinct summary of key matters of introduction A collection of sermons on the Gospel's core chapters with reflective reminiscence and remembrance of what Raymond Brown said in lecture about the Gospel thirty years ago A series of background lectures that attempt on the one hand to honor the key insights of the current opinion communis that Jewish apocalyptic explains John and on the other hand to open the door to further insights from an older perspective needed for a full appreciation of John that the Hellenistic Gnostic background explains John A set of pedagogical appendices employable in the classroom to aid discussion Together these components attempt to provide the necessary second book for an introduction to the Fourth Gospel engaging the commentaries with the hermeneutical homiletical exegetical and pastoral implications of a first level study of John **The New Schaff-Herzog Encyclopedia of Religious Knowledge** Johann Jakob Herzog, Albert Hauck, Samuel Macauley Jackson, Charles Colebrook Sherman, George William Gilmore, 1910 Paul, Apostle to the Nations Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul's thought on gender and sexuality **The Son of Man in Myth and History** Frederick Houk Borsch, 2007-03-01 Borsch has not answered all the questions of course Who can But his view of the Man tradition makes more sense to me than for example Perrin's rather cavalier dismissal of the evidence and it not only enlightens but also enlivens the discussion As against the extreme skeptics Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels If the proof of the pudding is in the eating the book constantly calls me back to its pages for insight regarding the problem both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today Theology The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done And of this with the positive and negative conclusions he gives an excellent survey crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form critical argument London Quarterly and Holborn Review Frederick H Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia He is also the former Dean of the Chapel at Princeton University His other books include The Spirit Searches Everything Keeping Life's Questions The Bible's Authority in Today's Church Introducing the Lessons of the Church Year A Guide for Lay Readers and Congregations and The Christian and Gnostic Son of Man **Ablution, Initiation, and Baptism** David Hellholm, Tor Vegge, Øyvind Norderval, Christer Hellholm, 2011-07-27 In the web of cultural processes of late
