

Gnosticism And Christianity

Simone Pétrement

Gnosticism And Christianity:

A Separate God Simone Pétrement,1990 **Gnosis and Faith in Early Christianity** Riemer Roukema,1999 In this introductory handbook Riemer Roukema explores the meaning of the gnosis phenomenon and sets forth the relationship between Gnosticism and the church The Gnostics David Brakke,2012-09-03 Who were the Gnostics And how did the Gnostic movement influence the development of Christianity in antiquity Is it true that the Church rejected Gnosticism This book offers an illuminating discussion of recent scholarly debates over the concept of Gnosticism and the nature of early Christian diversity Acknowledging that the category Gnosticism is flawed and must be reformed David Brakke argues for a more careful approach to gathering evidence for the ancient Christian movement known as the Gnostic school of thought He shows how Gnostic myth and ritual addressed basic human concerns about alienation and meaning offered a message of salvation in Jesus and provided a way for people to regain knowledge of God the ultimate source of their being Rather than depicting the Gnostics as heretics or as the losers in the fight to define Christianity Brakke argues that the Gnostics participated in an ongoing reinvention of Christianity in which other Christians not only rejected their ideas but also adapted and transformed them This book will challenge scholars to think in new ways but it also provides an accessible introduction to the Gnostics and their fellow early Christians The Coherence of "Gnosticism" Einar Thomassen,2020-11-23 Gnosticism has become a problematic category in the study of early Christianity It obscures diversity invites essentialist generalisations and is a legacy of ancient heresiology However simply to conclude with diversity is unsatisfying and new efforts to discern coherence and to synthesise need to be made The present work seeks to make a fresh start by concentrating on Irenaeus report on a specific group called the Gnostics and on his claim that Valentinus and his followers were inspired by their ideas Following this lead an attempt is made to trace the continuity of ideas from this group to Valentinianism The study concludes that there is more continuity than has previously been recognised Irenaeus Gnostics emerge as the predecessors not only of Valentinianism but also of Sethianism They represent an early philosophically inspired form of Christ religion that arose independently of the New Testament canon Christology is essential and provides the basis for the myth of Sophia The book is relevant for all students of Christian origins and the early history of the Church **The Beliefnet Guide to Gnosticism and Other Vanished Christianities** Richard Valantasis,2007-12-18 From its earliest days Christianity has been marked by a rich diversity of beliefs and practices Different interpretations of Jesus life and mission as well as conflicting views about worship and rituals gave rise to numerous sects in the first centuries C E Condemned as heretical by the official Church these early movements were lost to history until the twentieth century when the discovery of ancient documents opened a new perspective on the evolution of Christianity The Beliefnet Guide to Gnosticism and Other Vanished Christianities is a fascinating look at the diverse strands of the early Christian church It examines the alternative Christian ideas propagated by the Gnostics Sethians Valentinians Marcionites Encratites and Montanists illuminating the philosophical sources and

religious traditions that fostered them Special attention is given to sects that presented the greatest challenges to the developing orthodoxy the Hermeticists the Manicheans and the Neoplatonists There are also thought provoking discussions about the secret Gospel of Mark and the Gospels of Mary and Thomas and the newly discovered Gospel of the Savior From the premier source of information on religion and spirituality the Beliefnet Guides introduce you to the major traditions leaders and issues of faith in the world today This authoritative fully accessible guide to early Christian movements sheds light on the hidden histories and intriguing mysteries that fueled the extraordinary success of books ranging from Dan Brown s blockbuster The Da Vinci Code to Elaine Pagels s critically acclaimed Beyond Belief The Secret Gospel of Thomas

Fragments of a Faith Forgotten G. R. S. Mead,2007-06-01 *Christian Gnosis* Ferdinand Christian Baur,2023-01-01 Ferdinand Christian Baur s *Die Christliche Gnosis* first published in 1835 is considered by many to be the most important book on Gnosticism published in the nineteenth century and is a pivotal work within Baur s canon Baur s unique thesis of a link between ancient and modern religious philosophy as well as his conception of Gnosticism developed through dialogues with his predecessors and contemporaries consolidate Christian Gnosis as an important contribution to Christian theology In this seminal work written over a hundred years before the manuscript discovery at Nag Hammadi Baur classifies the gnostic systems in terms of how they conceive the relationship of Christianity to Judaism and paganism describing them in detail He then goes on to describe the criticism of and reaction to gnosis in church history before contending with the modern religious philosophy of his time discussing Boehme Schelling Schleiermacher and Hegel *Christian Gnosis* is Baur s first great religious historical study and Robert Brown s masterful translation ensures the work is as impactful today as it was on its first publication *The Gnostic World* Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 *The Gnostic World* is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history *Gnosis* Kurt Rudolph,2001-06-20 Translated by R McL WilsonA full scale study based on the documents of the Coptic Gnostic library found at Nag Hammadi providing a comprehensive survey of the nature the teachings the history and the influence of this religion **Gnosticism** John Glyndwr Harris,1999 Harris former head of the religious studies department at Gwent and author of scholarly volumes on religious topics introduces the basic ideas and practices of Gnosticism a system of religious and philosophical beliefs which was widely embraced in the earlier centuries of Christianity Distributed by ISBS Annotation copyrighted by Book News Inc Portland OR **Gnostic Religion in Antiquity** Roelof van den Broek,2013-01-24 Gnostic religion is the expression of a religious worldview which is dominated by

the concept of Gnosis an esoteric knowledge of God and the human being which grants salvation to those who possess it Roelof van den Broek presents here a fresh approach to the gnostic current of Late Antiquity within its historical and religious context based on sources in Greek Latin and Coptic including discussions of the individual works of preserved gnostic literature Van den Broek explores the various gnostic interpretations of the Christian faith that were current in the second and third centuries whilst showing that despite its influence on early Christianity gnostic religion was not a typically Christian phenomenon This book will be of interest to theologians historians of religion students and scholars of the history of Late Antiquity and early Christianity as well as specialists in ancient gnostic and hermetic traditions

Pre-Christian Gnosticism Edwin M. Yamauchi, 1973 An expansion of the Tyndale lecture for Biblical archaeology presented in July 1970 Bibliography p 187 194 106856

Gnosticism Stephan A. Hoeller, 2002-07-01 Gnosticism developed alongside Judeo Christianity over two thousand years ago but with an important difference It emphasizes not faith but direct perception of God Gnosticism being derived from the Greek word gnosis meaning knowledge Given the controversial premise that one can know God directly the history of Gnosticism is an unfolding drama of passion political intrigue martyrdom and mystery Dr Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire Blake Yeats Hesse Melville and Jung

What is Gnosticism? Karen L. King, 2003 A study of gnosticism examines the various ways early Christians strove to define themselves in a pluralistic Roman society while questioning the traditional ideas of heresy and orthodoxy that have previously influenced historians

Nag Hammadi, Gnosticism, and Early Christianity Charles W. Hedrick, Robert Hodgson, 2005-10-17 This book acquaints the beginner with the topic of gnosticism and early Christianity and presents to the specialist some of the new frontiers their colleagues are exploring For the beginner there is a concise introduction to gnosticism It covers the issues of origin literature leading ideas and possible links with early Christianity Each contributor has prepared a preface to his or her paper that points to its salient features and explains how the essay fits into the overall subject of the book from the Preface

Gnosticism and the New Testament PHEME PERKINS, 1993 The gnostic writings found at Nag Hammadi have stimulated much controversy about the relationship between early Christians and the diverse religious movement of the first three centuries Perkins fills the New Testament student's need for a guide to recent developments in scholarship with a helpful survey that addresses the origins of Gnosticism its relationship to Judaism Redeemer myths and New Testament hymns and other relevant topics

A Crisis of Faith Tony Sunderland, 2017-05-02 Religious history in the Western world has been dominated by the power and doctrinal discipline of the Catholic Church But argues Tony Sunderland in his new book we are not solely products of this tradition nor of that of its Protestant challengers Lost in the footnotes of history is the story of the Church's fascinating heretical counterpart Gnosticism The Gnostics were brutally persecuted and their ideas were suppressed But their teachings were powerful enough to linger on in the collective unconscious of succeeding generations and to re emerge in the most unexpected places

From symbols on the American one dollar bill to the ideals of the 1960s counterculture from heavy metal music to twenty first century technological innovations various facets of Gnostic thought continue to offer us a way to interpret the meaning of our lives As Sunderland traces the battle between the orthodox and heretical traditions of Christianity his thorough research and ability to make counterintuitive connections reveal to us a struggle that continues to rage beneath the surface of contemporary life

Rethinking "Gnosticism" Michael Allen Williams,1999-04-12 Most anyone interested in such topics as creation mythology Jungian theory or the idea of secret teachings in ancient Judaism and Christianity has found gnosticism compelling Yet the term gnosticism which often connotes a single rebellious movement against the prevailing religions of late antiquity gives the false impression of a monolithic religious phenomenon Here Michael Williams challenges the validity of the widely invoked category of ancient gnosticism and the ways it has been described Presenting such famous writings and movements as the Apocryphon of John and Valentinian Christianity Williams uncovers the similarities and differences among some major traditions widely categorized as gnostic He provides an eloquent systematic argument for a more accurate way to discuss these interpretive approaches The modern construct gnosticism is not justified by any ancient self definition and many of the most commonly cited religious features that supposedly define gnosticism phenomenologically turn out to be questionable Exploring the sample sets of gnostic teachings Williams refutes generalizations concerning asceticism and libertinism attitudes toward the body and the created world and alleged features of protest parasitism and elitism He sketches a fresh model for understanding ancient innovations on more mainstream Judaism and Christianity a model that is informed by modern research on dynamics in new religious movements and is freed from the false stereotypes from which the category gnosticism has been constructed

Gnostic and historic Christianity Gerald Massey,1887

The Everything Gnostic Gospels Book Meera Lester,2007-02-12 The books of the Bible are not the only ancient writings to tell the stories of Jesus and his followers other Gnostic texts have also been found as well The Everything Gnostic Gospels Book provides an overview of Gnosticism and the historical figures who are believed to be the authors Thomas James Mary Magdalene and others This accessible guide explores the following questions What do Gnostics believe Who were the authors of the Gnostic Gospels How are the Bible scriptures and Gnostic Gospels different How are they the same How were official Christian texts chosen Learn about the different versions of Christianity that battled for supremacy in the first centuries after the death of Jesus This entertaining and educational book describes each of the Gnostic Gospels providing insight into the turbulent times of early Christianity as well as the renewed contemporary interest in these mysterious writings

While this might not be the Gnosticism And Christianity full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gnosticism And Christianity eBooks, including some popular titles.

FAQs About Gnosticism And Christianity Books

What is a Gnosticism And Christianity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gnosticism And Christianity PDF?** There are several ways to create a PDF: Use software

like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gnosticism And Christianity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gnosticism And Christianity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gnosticism And Christianity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
