Go For It :

Go for It! Sue Vyner,2001 Here we go again Wayne thought How many times have I done this before When the Martin family want to foster Wayne he isn t sure he wants them But this could be his last chance for a normal life Maybe he should just go for it Go for It! Raymond P. Niro,2009-11-04 Intellectual property trials are not typically known for courtroom drama or excitement but in Go For It Ray Niro provides a first hand account of electrifying moments in the cross examination of witnesses whose testimony could make or break the case Then on to closing argument the case is already won Or is it This book gives examples of how to draw on emotion to achieve multi million dollar verdicts not once but nearly every time What is the common trend in these cases involving inventors of everything every thing from DeWalt power tools to Internet auctions to secret formulas for precooked Italian sausage Take a ride through each case their defining moments and the formula for successful advocacy with actual trial testimony from eighteen different cases spanning two decades Ray Niro is quite the story teller drawing on his childhood and family experiences to bond with jurors in the most complex kinds of cases

The Go for It Neighbours Melissa L. Manning,2015-03-27 Rain Woodrow is an entrepreneur both at heart and by profession Shes not afraid to do whatever it takes to make her company a success Its a work ethic that is about to come in handy at home too One night she and her boyfriend Cullen Dangsi notice something remarkable happen At a gathering of their neighbours each stands up and pledges to work towards their highest aspirations and goals There is power in numbers they realise and soon the neighbours are working together for both individual and community objectives This cooperative spirit does not go unnoticed by the media and soon the spotlight of public attention shines brightly on Sunlit Avenue But that attention comes at a cost It draws focus to those who arent quite as dedicated to the communal projects as well as those who are jealous of what others are achieving Why cant everyone be supportive of this initiative to make each others lives better Rain and Cullen work to solve the mystery so that they can achieve their dreams with or without the naysayers The neighbours have a decision to make do they allow themselves to be pulled down by toxic peopleor do they work even harder to accomplish their goals with renewed ambition Go for it!
