The superstore chain PyeMart has its sights set on a Minnesota river town, but two very angry groups want to stop it: local merchants fearing for their businesses and environmentalists predicting ecological disaster. The protests don't seem to be slowing the project, though, until someone decides to take matters into his own hands. The first bomb goes off on the top floor of PyeMart's headquarters. The second one explodes at the construction site itself. The blasts are meant to inflict maximum damage, and they do. Who's behind the bombs, and how far will they go? It's Virgil Flowers's job to find out before more people get killed. Praise for John Sandford and the Virgil Flowers novels: Along the way to the satisfying ending, Virgil displays the rough humor and rough justice that make him such an appealing character. Publishers Weekly on *Deep Freeze*: A knowing portrait of small-town life layered into a very well-plotted mystery. Virgil understands that in small towns, no one ever outgrows high school. One of the very best novels in a superior series. Booklist starred review on *Deep Freeze*: Add a gripping storyline, a generous helping of exquisitely conceived characters, and laugh-out-loud humor that produce explosive guffaws, not muted chuckles, and
