Go Away William:

Go Away, William! Margaret Carter, Carol Wright, 1989 **Free** Anika Nailah, 2002-05-14 In spare elegant stories reminiscent of the writings of Harlem Renaissance writer Dorothy West Anika Nailah illuminates the emotional spiritual and social realities that shape and sometimes destroy the lives and dreams of ordinary African Americans The stories in *Free* offer a moving strikingly original perspective on how cultural experiences and social assumptions impact our lives The characters include young children trying to cope with the mysteries of adult behavior adults striving to define themselves in a society unwilling to accept who and what they are and elderly people looking back on the often difficult choices they have made They all share a yearning to be free of the ties imposed by others ties that bind their bodies minds or spirits *Trudy* depicts a battle of wills between a black salesclerk and a white customer shining a harsh light on the bigotry of the 1950s In *My Side of the Story* a little boy struggles to understand why his mother has abandoned him despite her claims that she loves him *All These Years* is a touching vignette about a couple married for fifty four years who reminisce about the attraction they felt at their very first meeting and realize that the magic still remains In the aptly titled *Inside Out* a man who has adopted all the trappings of the white world the hair the clothes the speech the attitudes finds himself still ostracized in his office and gently mocked at home by a wife who embraces her blackness with pride In probing the interior landscapes behind the everyday faces her characters assume Anika Nailah brilliantly exposes the injustices and struggles African Americans confront the skills they develop in order to survive and the psychological and spiritual costs of survival *Trials for High Treason, in Scotland* Scotland. Courts of Oyer and Terminer and General Gaol Delivery, Charles John Green, 1825 *The Infamous Burke and Hare* R. Michael Gordon, 2009-10-21 Body snatchers and grave robbers were the stuff of Victorian lore but two real life culprits took the crimes out of shadowy cemeteries and into criminal court William Burke and William Hare aided Scottish surgeons competing for anatomical breakthroughs by experimenting on human corpses As the duo evolved from petty theft to premeditated murder they unwittingly brought attention to the medical practices of the era leading to Burke's death by hanging This account not only explores the work of the resurrectionists it reflects the nature of serial killers 1820s criminal law and Edinburgh's early role as a seat of European medical research Readers interested in the legal aspects of these crimes will find the trial testimony included to be a valuable resource [TIMES OF WAR & PERIL - The Historical Novels Series \(Illustrated Edition\)](#) G.
