Go Between God:

The Go-Between God John V. Taylor, 2014-07-24 First published in 1972 by SCM Press The Go Between God is here re issued in our prestigious SCM Classics series The Go-between God John Vernon Taylor, 1975 In 1967 John V Taylor was invited to give the Cadbury Lectures in Theology at the University of Birmingham The experience then stimulated him to the extent he felt compelled to rewrite the original series of eight lectures which now make up the chapters of The Go Between God This edition contains a new foreword by David Wood *The Spirit at the Cross* Carolyn E. L. Tan, 2019 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God's reconciliation with humanity Does the Holy Spirit's work pause between Gethsemane and the resurrection What does the phrase through the eternal Spirit in Hebrews 9:14 mean In this book Tan examines the perspectives of John Vernon Taylor Jurgen Moltmann and John D Zizioulas from whom three views of the Spirit's role at the cross are discerned the Spirit as the bond of love between the Father and the Son the Spirit as the Son's coworker enabler and power and the Spirit as the unifier who unites humanity to the Son In addition Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son and specifically the one who carries out God's judgment in Jesus Christ the Elect Integrating these theological perspectives with an in depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14 Tan offers another way of understanding the role of the Spirit at the cross Christ as the Father's pneumatic crucible in whom sinful humanity is judged destroyed and reborn through the power of the Holy Spirit God's Wider Presence Robert K. Johnston, 2014-10-14 What are we to make of those occasional yet illuminating experiences of God's presence that occur outside both church and Scripture We may encounter God's revelatory presence as we experience a beautiful sunset the birth of a child or a work of art music or literature While theologians have tended to describe such experiences abstractly as mere traces or echoes those involved often recognize such moments of transcendence as transformative Here senior theologian Robert Johnston explores how Christians should think theologically about God's wider revelatory presence that is mediated outside the church through creation conscience and culture The book offers a robust constructive biblical theology of general revelation rooting its insights in the broader Trinitarian work of the Spirit Drawing in part from the author's theological engagement with film and the arts the book helps Christians understand personal moments of experiencing God's transcendence and accounts for revelatory experiences of those outside the believing community It also shows how God's revelatory presence can impact our interaction with nonbelievers and those of other faiths **God, Evidences, and Creation: Who God Is and Reasons for Believing** David Pratte, 2019-12-25 A study of Bible teaching about the nature of God evidences for God Jesus and the Bible including a careful study of creation vs evolution Topics studied are God's power wisdom love and holiness The providence of God The number of individuals in the Godhead The Deity of Jesus The Holy Spirit and spiritual gifts Fulfilled prophecy miracles and the resurrection The significance of the Bible doctrine of creation The consequences of evolution Humanism

compared to the Bible The length of the days of creation **24 TOOLS TO BE EFFECTIVE FOR GOD** Jerome A Jeffcoat Sr.,2022-03-06 As we age it is our desire to leave a legacy This book is birthed out of a cry for substance in the body of Christ There is a lot of substance in this book My desire is to help people achieve their purpose As we read through this book you find that it deals with so many different subjects Several years ago the Lord pressed upon my heart to put together a book on leadership principles There are so many great books on marketing evangelism church building and the list goes on but this book gives you simple principles that will help your walk with the Lord explode For instance prayer is a forgotten art Many people go to church but they do not know how to pray This book gives you simple steps on prayer and how it works if the Old and New Testament This is great for topical sermons classroom settings and for an individual who is seeking to know God The word of God is not just a dead bunch of ideas and concepts but it is alive There is so much God wants to impart into this generation and he can use common everyday people to do it Several years ago I earned a doctorate in theology and my heart was to share some things I learned in my journey with the Lord I must say this project has been so exciting to say the least I was a kid from the ghettos of New Jersey and God chose me to release a work in the body of Christ I was never a great student in school but God saw things in me I did not see in myself This book is a testament of what he saw **God in Us** Anthony Freeman,2015-10-28 God In Us is a radical representation of the Christian faith for the 21st century Following the example of the Old Testament prophets and the first century Christians it overturns received ideas about God God is not an invisible person out there somewhere but lives in the human heart and mind as the sum of all our values and ideals guiding and inspiring our lives This new updated edition includes a foreword by Bishop John Shelby Spong and an afterword from the author Between God and the Sultan Knut S. Vikør,2005 The contrast between religion and law has been continuous throughout Muslim history Islamic law has always existed in a tension between these two forces God who gave the law and the state the sultan representing society and implementing the law This tension and dynamic have created a very particular history for the law in how it was formulated and by whom in its theoretical basis and its actual rules and in how it was practiced in historical reality from the time of its formation until today That is the main theme of this book Knut S Vikor introduces the development and practice of Islamic law to a wide readership students lawyers and the growing number of those interested in Islamic civilization He summarizes the main concepts of Islamic jurisprudence discusses debates concerning the historicity of Islamic sources of dogma and the dating of early Islamic law describes the classic practice of the law in the formulation and elaboration of legal rules and practice in the courts and sets out various substantive legal rules on such vital matters as the family and economic activity Littell's Living Age ,1872 *The 2022 Canterbury Preacher's Companion* Catherine Williams,2021-06-30 A longstanding annual favourite has a new editor and a new refreshed look What hasn't changed is its year long reliability as a resource for preaching at the principal and the second service for which preaching resources are scarce every Sunday of the coming year Ideal for preachers in all churches that use the Revised

Common Lectionary it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and Christmas services If preparation time is short the sermons are complete and can be used as they are but they will also act as a framework for creating your own sermon texts It also includes an introductory essay for preachers all age talks for special occasions hymn suggestions throughout the year an index of topics and names A boon for hard pressed clergy readers and local preachers everywhere

Things Fall Apart? Michael Paget-Wilkes, 2020-05-29 This book calls for a major paradigm shift in the church's thinking and practice if the church is to engage with the upcoming generations of the third decade of this fast changing twenty first century Just as the church has had to adapt to a changing context in the past it now needs to engage seriously with this post enlightenment post human techno centric age of artificial intelligence However the church also needs to recall its counter cultural prophetic role following Elijah Jeremiah Amos Jesus and Paul challenging society as it faces complex dilemmas raised by technology driven development in these unprecedented times The church will have to acknowledge unaddressed weaknesses in the past of identifying with established power rather than vulnerability and the marginalized of depending on a hierarchical ministerial order at the expense of the ministry of every believer of acquiescing to materialist anthropocentric and consumerist growth as an undisputable norm This book develops the vision of a church engaged in the mission of God of welcoming technological development but with an eye on kingdom values of promoting innovation so long as it does not result in a growth of inequality or at the expense of the environment of pointing towards a humanity that deepens its relationships with its Creator its fellow humans and its environment The author calls on grassroots believers to reflect and act within their local communities as inspired and empowered daughters and sons of God in the knowledge that following Jesus Christ provides a radical new paradigm for living learning and leading in and through these times of epochal change

UNDERSTANDING THE TRUE NATURE OF GOD Tunde Disu, 2020-07-29 The strength and quality of every relationship are dependent on many pillars that under guard the weight of such a relationship There are obligations and benefits for both parties and mere good intentions are not enough the keys to a thriving relationship start with an in depth knowledge of what and who the other party in the relationship constitutes While there is general information in circulation about all parties but it is incumbent on both parties to dig deeper and strengthen their relationships based on identity nature and characters of each other Having been in church and around Christianity for almost three decades I concluded that there is more to God than what we see told and believe This hunger for more of Him rather than religion rituals and tradition spurred the search that has now culminated in this book

Understanding the True Nature of God What I found changed my perception of who God is and what His plans and established covenants are towards man and this to my surprise is far from what many have spent their entire lives believing and defending in my case for almost three decades There is a major difference between God and religion Many Christians are today confused and despondent about what they thought Christianity is about what their expectations are when they came to

God and over time such disappointment has been replaced with rituals traditions and expectations that are not founded on the truth of the word of God Many feel trapped while others feel they have gone too far into it for them to turn back However doing the wrong thing based on the wrong doctrine and hoping for a right result will not change the outcome In the same way praying fasting etc will not change the outcome because the seed was planted on falsehood Intercessory Prayer Study Guide Dutch Sheets,2010-10-27 How God Can Use Your Prayers to Move Heaven and Earth Bestselling author Dutch Sheets unwraps the mystery of intercessory prayer revealing our role as God s partners in His work If God is all powerful why does He need us to pray Have you ever wondered if your prayers really count Or why you never seem to get any answers If so then Int Intercessory Prayer Dutch Sheets,2016-07-19 Bestselling Author Inspires Prayer for the Impossible Called foundational revolutionary illuminating and motivating Intercessory Prayer continues to be a classic work after more than 20 years This rich biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer As Dutch explains the nuts and bolts of prayer with wisdom gentleness and humor readers will find inspiration and courage to pray for the impossible and the persistence to see prayers to completion A workbook and 8 session DVD are also available making this book ideal for small groups church classes or individuals who want to go deeper on their own The Cottager's monthly visitor ,1846 **The Everyday Life Bible** Joyce Meyer,2009-12-19 As one of the world s most recognized and respected Bible teachers Joyce Meyer s insight on Scripture is an invaluable resource to many students of the Word of God THE EVERYDAY LIFE BIBLE is your tool for understanding and cherishing the Bible as deeply as Joyce does Her well researched knowledge of Scripture and her passion for weaving the Word of God into daily life are inspiring companions to the Amplified Version of the Bible The Bible can be difficult to read and comprehend Joyce has chosen the Amplified Version for her personal use because of the words added to the text to illuminate the meaning and to enhance understanding Joyce s goal in offering this unique Bible with her notes and comments is to build sturdy bridges between the words of the Bible and your everyday life Joyce hopes THE EVERYDAY LIFE BIBLE will help you apply biblical truth to your life through her contributions which include Book Introductions Joyce s thoughts on why each book is important and how it relates to practical living Everyday Life Articles Highlights of Joyce s teachings to help you apply specific biblical truths to your life Life Points Short quotes and comments from Joyce offering you encouragement and wisdom during challenging times Putting the Word to Work Questions that enable you to evaluate your life in light of biblical truth and instruction Speak the Word Verses adapted to be first person confessions or prayers bringing biblical promises to a new and personal level Joyce s no nonsense approach to life has endeared her to millions as a teacher mentor and friend Having her thoughts and teachings accessible as you study Scripture will give a new dimension to the words of life and you ll feel as though you have Joyce as your own study partner **Answering Jewish Objections to Jesus : Volume 2** Michael L. progressively reveal how belief in Jesus is deeply rooted in Jewish concepts and teaching *The Spirit of Liberation* Tae Wha Yoo, 2019-12-30 With this study on Moltmann's pneumatology the author recently obtained the doctor's degree from the Faculty of Theology of the Free University in Amsterdam First of all the book provides us with a thorough evaluation of the role the Holy Spirit plays in the theology of Jürgen Moltmann in its subsequent phases The author's conclusion is that despite all differences there is one constant factor the Spirit is always connected with freedom The Holy Spirit according to Moltmann is a liberating power Because the author is eager to place Moltmann's pneumatology repeatedly in the context of his theology as a whole and of its developments this book offers and that is a second quality an outstanding insight in the whole of Moltmann's theology and its development throughout the years **Cosmos, Crisis and Christ: Essays of Wendy Robinson** Wendy Robinson, 2024-05-30 Fairacres Publications 211 Wendy Robinson's work was primarily interpersonal and in retreat talks or lectures where she could engage with her audience directly many of the essays here are transcriptions of those talks Even ten years after her death her theology and her compassion are remembered with great fondness and gratitude and continue to resonate both with those who knew her and those who encounter her writing for the first time
