The Breitmann Ballads Charles Godfrey Leland, The ballad Breitmann's Going to Church is based on a real occurrence A certain colonel with his men did really during the war go to a church in or near Nashville and as the saying is kicked up the devil and broke things to such an extent that a serious reprimand from the colonel's superior officer was the result The fact is guaranteed by Mr Leland who heard the offender complain of the cruel and heartless stretch of military authority As regards the firing into the guerilla ball room it took place near Murfreesboro on the night of Feb 10 or 11 1865 and on the next day Mr Leland was at a house where one of the wounded lay On the same night a Federal picket was shot dead near Lavergne and the next night a detachment of cavalry was sent off from General Van Cleve's quarters the officer in command coming in while the author was talking with the general for final orders They rode twenty miles that night attacked a body of guerillas captured a number and brought back prisoners early next day The same day Mr Leland with a small cavalry escort and a few friends went out into the country during which ride one or two curious incidents occurred illustrating the extraordinary fidelity of the blacks to Federal soldiers The explanation of the poem entitled The First Edition of Breitmann is as follows It was not long after the war that a friend of the writer's to whom the Breitmann Ballads had been sent in MSS and who had frequently urged the former to have them published resolved to secure at least a small private edition though at his own expense Unfortunately the printers quarrelled about the MSS and as the writer understood the entire concern broke up in a row in consequence And in fact when we reflect on the amount of fierce attack and recrimination we reflect this unpretending and peaceful little volume elicited after the appearance of the fifth English edition and the injury which it sustained from garbled and falsified editions in not less than three unauthorised reprints it would really seem as if this first edition which died a boring had been typical of the stormy path to which the

work was predestined **The Wide World Magazine** ,1913
