A Grand Master of the British style detective story brings Victorian England to vivid life in this murder mystery which critic Anthony Boucher hailed as a faultless formal puzzle in detection In 1865 novelist Clive Strickland is relaxing at his club when his friend Victor Damon comes to him in a panic begging Clive to help him marry off his sister to a cash poor marquis whose affections reek of gold digging Victor doesn t care Something sinister lurks at High Chimneys and he wants his sisters out of the house before their lives are put in danger Old Matthew Damon their father has long been dogged by scandalous rumors of solitary visits to the

cells of women about to be hanged for murder But when murder is done at High Chimneys Strickland and private investigator Jonathan Whicher will have to sort out the rumors and look behind the discreetly drawn curtains of High Chimneys for a killer *The Dragon Rises* Timothy Bond,2015-02-10 In this continuation of the epic fantasy *The Watcher* s Keep the battle between good and evil continues Goblins are growing in strength and boldness venturing into the world to battle both men and dwarves The elves continue to be locked away in seclusion allowing caution and betrayal to guide them to their destiny The last dragon grows in power as his ancestral memories awaken challenging the Dark Wizard for domination over the evil forces in the world while building his own kingdom and establishing himself as the supreme deity The twins Peter and Alexandra continue to battle through one challenge after another to understand their role in The Prophecy and assemble the missing pieces of the fabled Triadine a weapon of unequaled power which is the only means to defeat the Dark Wizard and his growing army Humans continue to be driven by greed and power fortune and arrogance and alliances shift with the blowing winds Who will come out on top Will the Children of the Prophecy fulfill their destiny or will darkness overcome light and plunge the world into a thousand years of pain and suffering Book 2 of The Triadine Saga Approximately 700 pages *Tending the Heart of Virtue: How Classic Stories Awaken a Childs Moral Imagination* Vigen Guroian,2002-01-14 As the popularity of William Bennetts *Book of Virtues* attests parents are turning more and more to childrens literature to help instill values in their kids Now in this elegantly written and passionate book Vigen Guroian provides the perfect complement to books such as Bennetts offering parents and teachers a much needed roadmap to some of our finest childrens stories Guroian illuminates the complex ways in which fairy tales and fantasies educate the moral imagination from earliest childhood Examining a wide range of stories from Pinocchio and The Little Mermaid to Charlottes Web The Velveteen Rabbit The Wind in the Willows and the Chronicles of Narnia he argues that these tales capture the meaning of morality through vivid depictions of the struggle between good and evil in which characters must make difficult choices between right and wrong or heroes and villains contest the very fate of imaginary worlds Character and the virtues are depicted compellingly in these stories the virtues glimmer as if in a looking glass and wickedness and deception are unmasked of their pretensions to goodness and truth We are made to face the unvarnished truth about ourselves and what kind of people we want to be Throughout Guroian highlights the classical moral virtues such as courage goodness and honesty especially as they are understood in traditional Christianity At the same time he so persuasively evokes the enduring charm of these familiar works that many readers will be inspired to reread their favorites and explore those they may have missed *Lost in Antiquity* William Kurfman,2008-10-10 With astonishing insight and vivid narration Kurfman writes an inspiring account of a young man s passage into maturity *Books for Kansas Schools* ,1969 **"The Gathering Book 1: Quest for the Steel"** P.
