Rice, 2000-08 An Exposition with Practical Observations continued upon the thirty-eighth, thirty-ninth, fortieth, forty-first, and forty-second ... chapters of the Book of Job: being the substance of fifty-two lectures, etc. [With the text.] Joseph CARYL, 1666 With God on their Side James Gardner, 2022-03-31 The Salvation Army is nowadays viewed with fondness but William Booth s evangelical crusade of the 1880s and early 1890s sparked violent riots led by an opposition group the Skeleton Army These riots caused destruction to property injury to many people and on occasion loss of life Spreading across the South and West of England the Skeleton Army s aim was to eject Salvationists from their towns Rather than facing repercussions themselves however it was often the peaceful parading Salvationists who were imprisoned In With God on Their Side James Gardner follows the spread of violence in the context of the popular conservatism of late Victorian England with close study of particular towns creating a rich tapestry of historical narrative that will be of interest to scholars and enthusiasts alike The motives and actions of both groups are considered along with the subsequent shift in the Salvation Army s focus towards social welfare It is this shift that enabled the

God Is in Control of All Things at All Times Tina Tanner, 2020-11-04 This book is the story of one person s life however in the broader sense it touches the lives of a multitude of people everywhere It is a story about faith love and hope It s a story first of my faith in God although a shallow faith at times stemming from a lack of knowledge and understanding of His word and being raised in an environment that lacked the promotion of God s word as a way of life Next the love of God that is never

ending unfailing consistent loyal faithful and an unconditional love Finally hope a four letter word that has the supernatural power to transform that which was once dead into life a beautiful life with a good future In addition hope is the push behind perseverance that helps a person achieve success in spite of challenges great or small Hope is the propeller that helps to lift a person out of the lowest times in their life and propels them to unimaginable heights As you read this book you will see how my life was catapulted into seasons of darkness yet through that darkness the light shown greater as it came bursting through the darkness from the power of who is on the inside Greater is He that is in you than he that is in the world 1 John 4 4 KJV When you read this book instead of focusing on the bad events or words of darkness by the evil one that were intended to destroy me focus on the acts of the Heavenly Father and my beloved Savior Jesus who lives in my heart for all of the miraculous things they have done in my life We may go through bad events in life but we don't go through them alone and Jesus won't allow them to destroy us Scripture tells us in Revelation that we overcome conquer prevail be victorious over by the blood of Jesus and the word of our testimony what you witnessed And they God's people overcame him Satan by the blood of the Lamb Jesus and by the word of their testimony Rev 12 11 KJV This book is a testimony that God is in total control of all things and that we are overcomers through Jesus the Christ the Anointed One In life we may face situations that are unbearable hurtful sad or challenging but we can trust that God will never fail us **Exposing the Secrets of Sin** Abozos

Abiodun, 2019-11-30 It is quite alarming and overwhelming the rate at which many even the so called Christians and non Christians of this generation are wallowing in sin in spite of one's decision to let go of sin In fact all effort of prayer fasting and abstinence to keep away from sin seems not to be working One thing however is that once one fails to understand the nature of sin the working power of sin in one's life it will be very difficult to break from it Hence **Exposing the Secrets of Sin** is a book that has been written in depth and inspired by the Holy Spirit to expose the secrets of sins and its effects on humans This is because sin has become a yoke sting cankerworm burden and spirit that if one fails to understand its nature activities and effects one might remain in sin forever This book is therefore God's gift to you in all matter relating to sin which has been eating deep into your soul Why not take your time read digest and apply the words of this book to your life and see yourself overcoming the power and spirit of sin in your life Happy reading The Whole Works of the Late Rev.
