

The background of the slide is an abstract, painterly texture. It features swirling, organic shapes in various shades of blue, from light sky blue to deep navy blue. Interspersed among these blue swirls are patches of warm, earthy tones, including light tan, beige, and muted orange. The overall effect is reminiscent of a close-up of a marbled stone or a thick, blended oil painting.

must connect with God's purposes before he can truly connect with his wife or wife to be. God uses the marriage relationship to promote growth in men's lives because it shows us our character gaps and drives us to Him for solutions. If you want true intimacy and connection with a woman, you'll need to grow up and graduate from God's school of character. This book *Being God's Man by Understanding a Woman's Heart* is the perfect start. Special Features: Practical studies facilitate personal encounters with God and other men. Questions encourage genuine reflection and help build godly convictions. Real Life case studies show how the truths you discover have worked out in other men's lives. *Being God's Man in the Face of Temptation* Stephen Arterburn, Kenny Luck, Todd Wendorff, 2003-07-15. All men are tempted to compromise. But not all men do. Some have learned the secret of being undivided between what they believe and how they actually think and live. They possess integrity. They've gained new perspectives on the trials and temptations they face. New tools to help them survive automatic human responses to challenging situations and new actions which produce humility and flexibility in God's strength. You can be a man of integrity too. Confession breaks the power of temptation in men of integrity. Connection with other men sustains the victory. *Being God's Man in the Face of Temptation* will help you, whether in individual or group study, confront this pervasive problem in God's wisdom and strength. And begin to live the undivided life.

*Being God's Man in Tough Times* Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-08-11. David was to be the future king of Israel. And yet, as you'll see firsthand in this compelling Bible study, the journey to that goal was filled with dangers, delays, and difficulties. Just like David, every man has a dream of who he wants to become. But getting there is a different story. Hardships and losses can destroy the faith and even the life of a lesser man. Many men fail to realize their dreams because they choose comfort over character, image over substance, and escape over endurance. But a man who knows how to embrace hardship and learn to mine it for God's purposes will see his godly dreams come true. Hardships are inevitable. Embracing them is a choice. God's dream for you is at stake. And *Being God's Man in Tough Times* will equip you to overcome life's difficulties in the power and wisdom of God.

*Being God's Man by Finding Contentment* Stephen Arterburn, Kenny Luck, Todd Wendorff, 2004-11-16. How satisfied are you with your life? Men like you are finding it tougher than ever to be content with what they have. They compare themselves with others and continually come up short. The soul-gnawing result is discouragement and disappointment. Lasting contentment comes only from a transformation of your mind, emotions, and will. It also takes a personal encounter with the God who can make you content. In *Being God's Man by Finding Contentment*, you will track this struggle for a new identity through various biblical passages. Like Jacob, you will not be fully settled and content until you lay to rest your past and take up a new identity in Christ. Jacob became a new creature, a man on a mission for the Lord. His struggle was over. He knew why he was here and what he had to do. His life took on purpose and meaning that transcended the striving. Yours can too. Special Features: Practical studies facilitate personal encounters with God and other men. Questions encourage genuine reflection.

*God's Man for the Gilded Age* Bruce J. Evensen,2003-09-25 At his death on the eve of the 20th century D L Moody was widely recognized as one of the most beloved and important of men in 19th century America A Chicago shoe salesman with a fourth grade education Moody rose from obscurity to become God s man for the Gilded Age He was the Billy Graham of his day indeed it could be said that Moody invented the system of evangelism that Graham inherited and perfected Bruce J Evensen focuses on the pivotal years during which Moody established his reputation on both sides of the Atlantic through a series of highly popular and publicized campaigns In four short years Moody forged the bond between revivalism and the mass media that persists to this day Beginning in Britain in 1873 and extending across America s urban landscape first in Brooklyn and then in Philadelphia New York Chicago and Boston Moody used the power of prayer and publicity to stage citywide crusades that became civic spectacles Modern newspapers in the grip of economic depression needed a story to stimulate circulation and found it in Moody s momentous mission The evangelist and the press used one another in creating a sense of civic excitement that manufactured the largest crowds in municipal history Critics claimed this machinery of revival was man made Moody s view was that he d rather advertise than preach to empty pews He brought a businessman s common sense to revival work and became much against his will a celebrity evangelist The press in city after city made him the star of the show and helped transform his religious stage into a communal entertainment of unprecedented proportions In chronicling Moody s use of the press and their use of him Evensen sheds new light on a crucial chapter in the history of evangelicalism and demonstrates how popular religion helped form our modern media culture **God, Man and the**

**Church** Vladimir Solovyev,2016-11-14 God Man and the Church is a penetrating examination of the human relationship both as an individual and in society with God For Solovyev personal religion can only be satisfied in social religion Private prayer finds its fulfilment in the Church s liturgy and the Church is the highest expression of humanity s religious aspirations Here Solovyev s mystical understanding of the Church provides the basis for a fundamental analysis of the idea of the state from a Christian viewpoint During the years after its first publication in Russian in 1885 God Man and the Church rapidly established a reputation as a seminal work of Russian theology Donald Attwater s translation first published in 1937 and which made the work available in the English language for the first time has become a classic in its own right The Lutheran George Washington Sandt,1926 *Herald and Presbyter* ,1914
