## God And Two Poets:

Two Poets of the Oxford Movement Rodney Stenning Edgecombe, 1996 John Keble and John Henry Newman both conceived poetry as the instrument of religious persuasion Keble through his Christian Year which although it antedated the movement was hailed as its Baptist cry and Newman through his more aggressive contributions to *Lyra Apostolica* **God's Spies: Michelangelo, Shakespeare and Other Poets of Vision** Paul Murray OP, 2019-02-21 Written with both passion and precision God's Spies is a work that will be welcomed by anyone interested in the vital interplay between poetry and religion The authors represented including poets such as Michelangelo St Francis of Assisi Charles P guy Dante and Shakespeare all possess one great and surprising quality in common audacity All of them in their work offer fresh and unforeseen perspectives on life and literature Some of these authors are religious in the strict meaning of the word their work indicating a devout turning away from the distractions of the world to focus on God Others in contrast are poets whose work is distinguished by a remarkable visionary focus on the many small and great dramas of life attending with bright imaginative genius to what Shakespeare calls the mystery of things **A Concordance to the Poems of Robert Browning** Leslie Nathan Broughton, Benjamin Franklin Stelter, 1925 The English Mannerist Poets and the Visual Arts L. E. Semler, 1998 In this study L E Semler begins with a comprehensive historical definition of Mannerism in visual arts from which he derives four key terms that constitute the nucleus of the aesthetic technical precision elegance grazia and the difficulta facilis formula These principles interwoven with one another and with maniera are derived from visual arts but are specifically designed to be transferable to any medium The rest of the book situates the English poets in relation to the visual arts including painting limning gold and silversmithery architecture and garden design and discusses their verse in relation to the key Mannerist principles **The Poem in Time** Janis Lull, 1990 In tracing George Herbert's revisionary goals as they developed through the two manuscripts of the Church this book offers a new approach to the interpretation of his poems in showing that Herbert intended to encourage his readers to connect the separate lyrics into larger structures of meaning and also to look beyond his poetry to the Bible Literature and Occult Tradition Denis Saurat, 1966 **Poetic Word** William Chauke, 2020-02-14 This book based on the word of God uses poetry as an entertaining medium for ministering It contains thirty three poems with accompanying biblical references and relevant commentary in the notes section The compilation of these poems came about through a revelatory process as the author was immersed in Bible study prayer and meditation The book seeks to impart important Christian values through the medium of poetry that can be used as the basis for a more substantive Bible study especially among the youth and students The book can also be used as a resource for Bible study purposes by pastors youth leaders and teachers Finally poetry enthusiasts may come to appreciate important biblical themes and values as they enjoy and critique the poems Four poetic formats sonnets free verse limericks and ballads are used to communicate significant Christian values And as the reader is being entertained by the poems they also become intensely

exposed to some useful biblical teachings that are designed to facilitate their own spiritual growth

*Vanishing Voices* Katarzyna Dudek, 2020-01-15 The nature of silence is hard to grasp This book serves to systematize this concept and explore it in the works of three major poets of religious experience namely Gerard Manley Hopkins T S Eliot and R S Thomas Since these poets worked within a Christian framework the silences they refer to are mainly those emerging in the context of the relationship between God and man in a post Christian climate The book s textual analyses place special attention on the dynamics between thematic and structural manifestations of silence and are situated at the crossroads of the poetics philosophy and theology In this first study bringing together the poetry of Hopkins Eliot and Thomas the three poets each in his unique way emerge as poetic ministers practitioners and producers of silence who try to find a new language to talk about the Ineffable God and one s experience of the divine

**Thus Burst Hippocrene** Laurence Wong, 2019-01-17 Thus Burst Hippocrene Studies in the Olympian

Imagination is a collection of nine papers in comparative literature. Discussing the greatest Olympians in world literature including Homer, Aeschylus, Sophocles, Euripides, Dante, Shakespeare, Milton, Li Bo, Du Fu, and the Bible authors, it is both daring in conception and wide ranging in scope. Freely drawing on the author's knowledge of Classical Greek, Latin, Italian, French, German, Spanish, English, and Chinese, as well as on his conversance with the literatures of these languages, the papers are truly comparative, making discoveries unique to the author's characteristic multi-lingual, multi-cultural approach. In going through the book, the reader will be pleasantly surprised by its originality, by its amazing depth and breadth, and by the new light it sheds on topics that are of interest to scholars and students of comparative literature. Written in lucid language with no pretentious jargon, it will also appeal to the general reader who picks up a book simply for the joy of reading or for horizon broadening without tears.

The Modern Hebrew Poem Itself Stanley Burnshaw, 2003. A collection of modern Hebrew poetry that presents the poems in the original Hebrew with an English phonetic transcription.

**Timeless Devotional Poetry** Elizabeth McCallum Marlow, 2020-03-19. This anthology covers thirteen centuries of Christian poetry from the ancient Dream of the Rood to modern poems by T. S. Eliot and C. S. Lewis. I can think of no one better qualified to assemble an anthology of Christian devotional poetry than Elizabeth Marlow. She not only knows this poetry well but has taught it for many years to appreciative students. Best of all, she loves and serves the Lord to whom the poems in this collection direct the gaze of our souls. With this anthology, she has given us a tool with which to stir up the embers of our hearts that our love for the triune God might blaze all the brighter. I highly recommend this collection. Greg Bailey, Director of Editorial, Crossway Books. I am chastened by comments in the preface to this book: If we don't read, reflect on, and enjoy the great wealth of Christian poetry available to us, these poetic gems will eventually be consigned to academic libraries and forgotten by the majority of the reading public. Apart from reading and singing psalms and hymns, I have not been an avid reader of poetry. I confess this to my shame, and recently I determined to address this appalling shortcoming in my life. Elizabeth Marlow's anthology of poetry is the ideal antidote. I am excited to recommend this anthology of thirteen centuries of English poetry. Just look at the table of contents and your appetite will be whetted. So join me in learning to love God better by reading these selections. Dr. Joseph A. Pipa, President of Greenville Theological Seminary, Professor of Systematic and Homiletical Theology, Greenville, SC.

**Prose Poetry & Prophecy** Barbara K. Carey, **Contradictions: From Beowulf to Chaucer** Theodore M. Andersson, 2016-12-05.

This volume brings together a series of key essays by Larry D. Benson, well known for his work in editing the Riverside Chaucer. Of the studies selected, the opening three deal with Old English, recasting the possibilities for the critical study of Beowulf; above all, the relation between oral and written literary production. The following ten essays turn to Middle English literature, with the focus first on Chaucer and the evolution of his works and his language, then on the social and cultural context of medieval chivalric texts. Throughout, Professor Benson approaches his subjects with a skeptical intent, even a seeming contrariness in seeking to contradict received views, but in fact with the purpose of questioning in order to

understand more deeply Scattered in their original publications and with one hitherto unpublished together these studies present a powerful argument for this questioning approach to fundamental issues and constitute a major contribution to the study of the literary and cultural history of the medieval world Larry D Benson is Francis Lee Higginson Professor of English Harvard University *Bell's New Pantheon ; Or, Historical Dictionary of the Gods, Demi-gods, Heroes, and Fabulous Personages of Antiquity* John Bell,1790 **Modern Witchcraft with the Greek Gods** Jason Mankey,Astrea Taylor,2022-12-08 A Witch s 21 Century Guide to Making Magick with the Greek Gods The ancient Greek gods surround us even now in our modern world From Aphrodite to Zeus this book reveals the origins of more than sixty deities and other mythological figures including the Olympians Titans and Primordial Forces Explore how they ve been worshipped across the centuries and how you can work with them in your own practice You ll meet the gods one by one exploring their history unique correspondences and personal insights from contributing authors who work with them magickally This book also provides rituals and spells to connect with each deity Draw down the moon with Selene cast a courage spell with Ares and reclaim lost parts of yourself with a ritual for Persephone By inviting these divine beings into your practice you can cultivate a magickal life that satisfies your soul to its very core The Poetical Works of Elizabeth Barret Browning with Two Prose Essays Elizabeth Barrett Browning,1916 **Poetic Scripture** LaMar Smith,2017-12-19 In this book you will find poetry based on stories in the Biblepoems of prayer haikus life Satan and love If you are a poetry lover and enjoy reading Gods words such as myself both are in this book This book could serve as another tool for you to study Gods Word and provide a new fresh and innovative way of understanding his word through poetry Each title of poetry reflects a biblical story such as The Biblical Superman taken from the book of Judges 12 Stones and a Prostitute taken from the book of Joshua and many more There are poems about Lucifer called He Made Me Do Ita new twist on the old term the devil made me do it There are inspirational pieces to aid in reflecting upon life as we all grow with God With each poem there are thought provoking questions which may relate the poem to your life or questions you might have during your biblical studies As you read his Words more and appreciate all his wonderful love the more you will grow and realize we are all Gods children Stay blessed
