Aaland,2023-01-09 This book is about the wonderful type of government that our forefathers left us It is a country to be governed by the people for the people Over the years our elected officials sometimes forget the wishes of our founders In this book I guide the reader into realizing how great this country is when the politicians follow the Constitution and the Bible These were the bases for this new kind of government that was established in 1778 This book gives many examples of how our elected officials should look to the Constitution and the Bible when making laws Too often our politicians forget they work for we the people **Celebrating Humanity** Jack Bloomfield,2008-03 CELEBRATING HUMANITY We are a divided people We are a divided planet What would it take to see a world transformed into a place where when we see one another our first thought is this is my brother this is my sister this is a member of my family Jack Bloomfield author columnist and humanitarian believes that our divided world is rooted mainly in unchallenged prejudice ignorance and intolerance In Celebrating Humanity Jack shares his insights through an assortment of his columns on The many faces of prejudice most often found in areas of race religion politics social status and sexual orientation The importance

of getting closer to those we don't know, don't understand or who we are afraid of. The need to educate ourselves when it comes to our racial, religious, cultural or sexual differences. The hope that it is possible to change and that unity and understanding among all people is possible. He suggests that we must take our own personal inventory to see where prejudice, ignorance or intolerance are alive in our own hearts and lives and do whatever it takes to root them out. Bloomfield says, "For some it will be little more than self-awareness and a commitment to change, while for others it will take a much deeper study of themselves. At whatever level we all must take a look within and when we do, healing will be possible and unity and understanding among all people can become a reality."

God Bless America Again Allen Jackson, 2020-10. God is moving in our nation in an unprecedented way. I believe the years ahead of us hold the potential for the greatest move of the Spirit of God that humanity will have ever known. I also believe they hold the potential for the greatest expressions of evil. It is imperative we prepare for that season with prayer and a love of God's truth.

Stories Behind the Hymns That Inspire America Ace Collins, 2009-08-30. From the moment the pilgrims landed on the shores of the New World to the dark days following September 11, songs of faith have inspired, comforted and rallied our beloved country. *Stories Behind the Hymns That Inspire America* describes the people, places and events that have shaped the heart and soul of America. The stories behind these songs will fascinate you and bring new meaning and richness to special spiritual moments in the history of our nation. Discover how "Faith of Our Fathers," sung at Franklin Delano Roosevelt's funeral, had its roots not with the pilgrims but with a Catholic fighting for the right to worship freely in Anglican England. World events from the downing of Flight 007 in Russian airspace to Desert Storm and September 11 propelled Lee Greenwood's "God Bless the U.S.A." The author of "Battle Hymn of the Republic" lived the words "His truth is marching on" until the day she died. Combining African rhythms and southern folk melodies, slaves brought Bible truths to life with songs such as "Roll Jordan Roll." The songs in this book have energized movements, illuminated dark paths, commemorated historic events, taken the message of freedom and faith across this nation and beyond, healed broken spirits and righted wrongs. Their stories will make you proud of your heritage as you realize anew that in America, even one voice can make a lasting influence.
