God Bless America Allen Scarbrough,2002-03-21 *God Bless America Absurdities in American Life* is a humorous and thought provoking look at American Society today After a brief history lesson the book explores the details of American life that most annoy and concern us as Americans The book answers the all important question of paper or plastic smoking or non cash or credit etc Chapter headings include retirement debt education sexual preferences the handicapped success critics and the movies to name a few *God Bless America* is a deliciously wicked view of Americans told in a style that also exudes the love and admiration the author feels for his country

God Bless America Allen L. Scarbrough,2002-03 *God Bless America Absurdities in American Life* is a humorous and thought provoking look at American Society today After a brief history lesson the book explores the details of American life that most annoy and concern us as Americans The book answers the all important question of paper or plastic smoking or non cash or credit etc Chapter headings include retirement debt education sexual preferences the handicapped success critics and the movies to name a few *God Bless America* is a deliciously wicked view of Americans told in a style that also exudes the love and admiration the author feels for his country

American Paradise Jon Huer,2012-07-10 The way we live work and die alone and with other Americans have so many hidden layers that we might as well say that there are two Americas one we think we know and the other virtually unknown to us Such a thought is compelling enough to motivate a sociologist to start writing down what he thinks about the hidden America Then what emerges from this effort is a picture of America that is at once so familiar and so alien It is the alien part of America that troubles us that scares us and that pushes us to escape into louder more colorful and more pleasant unreality As our escapism becomes more urgent each day so does its testimony to the emptiness and loneliness of our solitary

existence Huer discusses this alien part of America in *American Paradise*

War and American Popular Culture M. Paul Holsinger,1999-01-30 Spanning more than 400 years of America s past this book brings together for the first time entries on the ways Americans have mythologized both the many wars the nation has fought and the men and women connected with those conflicts Focusing on significant representations in popular culture it provides information on fiction drama poems songs film and television art memorials photographs documentaries and cartoons From the colonial wars before 1775 to our 1997 peacekeeper role in Bosnia the work briefly explores the historical background of each war period enabling the reader to place the almost 500 entries into their proper context The book includes particularly large sections dealing with the popular culture of the American Revolution the Civil War the Indian Wars West of the Mississippi World War II and Vietnam It has been designed to be a useful reference tool for anyone interested in America s many wars to provide answers to teach to inspire and most of all to be enjoyed

Outside Looking In John Corcelli,2022-12-15 John Corcelli author of *Frank Zappa FAQ* takes a deep dive into the comedic artistry of George Carlin one of America s most important funny men From his early radio days to his most successful comedy albums Carlin changed the way stand up comedy was written and performed He

was the king of all media print recordings movies television and the thirteen quintessential HBO Specials that still resonate with fans Carlin's gift for gab was founded on his ability to understand the human condition and express his politically incorrect views with powerful insights Carlin's contributions to popular culture have had a salient and lasting impact as a result of their prescience and visionary nature Along with Lenny Bruce and Richard Pryor Carlin is considered part of the holy trinity of stand up comedy He opened the door to what was possible in stand up beyond simple joke telling Jon Stewart Bill Maher and Stephen Colbert all owe a little something to their success today from the groundbreaking work of George Carlin In *Outside Looking In* Corcelli reveals how Carlin's mother nurtured him as a child performer his stint in the USAF his first act with Jack Burns and how he was able to transition from a clean cut performer doing the Hippy Dippy Weatherman into the counter culture satirist with a ponytail

A Documentary History of American Life David Donald, 1966

The Trump Effect L. Rowand Archer, 2022-11-03 With the election of Donald Trump on November 8 2016 Americans experienced a sense of relief and joy knowing they could again participate in a vibrant business environment that offers them the power of self determination and the freedom to pursue their life goals and live according to their faith unencumbered by political correctness and the stifling ideology of creeping socialism For the last fifty or so years the dark side left have though academia the entertainment industry deep state bureaucrats and the liberal big media successfully been undoing the centuries old institutions of free market economies which has created unprecedented wealth the world over In its place the dark side left have been molding these institutions to reflect their warped ideology of a new socialist world order with no boarder and based on a Marxist progressive left utopia an oxymoron if there ever is one The long term strategy for achieving their transition relies on undermining the economic engine by enacting burdensome big government regulations by imposing political correctness and identity politics into our daily conversations social interactions and norms and finally by attacking one's religious faith and values The dark side left's long march through the culture has resulted in the indoctrination of each new generation using the direct influence of academia movies and television programs the daily news coverage and government policy Miraculously as if by divine intervention after just one year of his presidency Donald Trump has managed to force into the open this sinister plot by the dark side left with the world now acutely aware of the serious bias of the liberal big media the corruption present at the senior levels of the intelligence branches left behind by the Obama administration the serious extent of liberal bias in academia and their effort to restrict free speech and the self interest of lawmakers seeking self enrichment from Washington's swamp dwelling domestic and foreign lobbyists With his unwavering commitment to work on behalf of the American people Trump has almost single handedly inflicted journalists and the political elites with varying degrees of Trump derangement syndrome and exposing their warped self serving values resulting in them becoming almost totally incapable of providing unbiased insightful political arguments on current issues for their audience Because of President Trump the world is witnessing the excruciating collapse of the dark side left and the Washington swamp His ability

to navigate through the minefields laid by the bipartisan swamp and the liberal big media can only be answered through our faith in God who in all his wisdom has chosen this man to save free market countries and its people from the evils of the dark side left and their elitist minions Continuities in Popular Culture Ray Broadus Browne, Ronald J. Ambrosetti, 1993 The humanities are the strongest dynamic that runs from the past into the future Throughout history except for the past one hundred fifty years the strongest element in the humanities has been the culture of the folk Now it is the everyday culture of a democratic society popular culture a key to people s understanding themselves and their society These sixteen essays by leading popular culture scholars demonstrate how elements in our everyday life flourished in the past came to flower today and will continue to shape us in the future Slagdrop Presents America... You're Welcome! Andrew Hilbert, Slagdrop Presents America You re Welcome is the lovechild of blind jingoism and bullshit **The Watchman-examiner** ,1929

The Only Way Out is Through Crystal Kluge, 2017-04-11 A collection of inspiring quotes from a rainbow variety of the world s most insightful and creative thinkers this little volume offers the right words just when you need them beautifully presented in gorgeous and evocative hand lettering a perfect gift to lift the spirits or inspire action **The National Jewish Monthly** ,1940 **Congressional Record** United States. Congress, 1995 *The Price of Freedom* Kingsley Uzukwu, 2009-11 The Price of Freedom which is part one honorable Marine Veteran s memoir of a riveting wartime experience in Iraq and other part political commentary offers a clarion call to freedom loving people in the world in particular Americans Iraqis and Nigerians With candor The Price of Freedom sheds light on the Superman myth of the U S Marine and why for some in the armed services it has become awkward to open up and share battle scars Kingsley Uzukwu has crafted a powerful cathartic work which honors fallen soldiers and promises to be balm for some loved ones for others an unleash of salty tears and yet for another an aha moment or even still a battle cry He offers an authentic voice crying in the wilderness He speaks in plain terms of how Iraqi Freedom has impacted us all to become casualties He paints with broad strokes the tender lives of World Trade Center casualties the uncensored lives of Marines and delicate blossoms of friendship and love He weaves an unforgettable account sometimes hauntingly eerie He fittingly portrays Marines as responsible leaders and salutes his Marine comrades in penning The Price of Freedom He showcases the full complement leadership skill set including intelligence communication technology decision making and problem solving in tactical environments possessed by Marines With surgical precision he describes our troops and their rigorous training to adhere to appropriate rule of engagement and escalation of force The author addresses moral and ethical dilemmas e g What difference if any exists between killing and murder in war coupled with leadership beyond national boundaries though he points out a U S visa to be at a premium in Nigeria and highlights the prize that full U S citizenship holds for others in the world *Redbook* ,1950

American Theatre ,2001 Music of the First World War Don Tyler, 2016-03-21 This book discusses WWI era music in a historical context explaining music s importance at home and abroad during WWI as well as examining what music was being

sung played and danced to during the years prior to America's involvement in the Great War Why was music so important to soldiers abroad during World War I What role did music ranging from classical to theater music rags and early jazz play on the American homefront Music of the First World War explores the tremendous importance of music during the years of the Great War when communication technologies were extremely limited and music often took the place of connecting directly with loved ones or reminiscing via recorded images The book's chapters cover music's contribution to the war effort the variety of war related songs popular hits and top recording artists of the war years the music of Broadway shows and other theater productions and important composers and lyricists The author also explores the development of the fledgling recording industry at this time From the Darkness of Africa to the Light of America Thomas Edward Besolow, 1891
