introduction to the major faiths of our world *Introduction to World Religions* Darryl Howard, 2018-12-31 Introduction to World Religions Upgrading One's Cultural Literacy is an enlightening and engaging text that provides students with fundamental knowledge about world religions to deepen their awareness and understanding of global cultures. The book is divided into three units. Unit I explores the Vedic religions: Hinduism, Buddhism, Jainism, and Sikhism. East Asian belief systems and religions are discussed in Unit II. The final unit describes the Abrahamic religions: Judaism, Christianity, and Islam. Each unit highlights a major belief tradition or practice that unites the featured religions, and each individual chapter includes a list of key terms, selected readings, and comprehension questions to reinforce essential learnings. Throughout, maps build students' knowledge of world geography, and photographs and illustrations bring key beliefs, traditions, and practices to life. Developed to help students expand not only their knowledge of global religions but their knowledge of the world itself and its myriad cultures, *Introduction to World Religions* is an ideal text for foundational courses in religion and theology. Darryl E. Howard is a faculty member at North Lake College, part of the Dallas County Community College District, where he teaches courses in philosophy and religion. He holds an Ed.D. in educational administration from Nova Southeastern University and a Th.M. degree with an emphasis in educational leadership and administration from Dallas Theological Seminary in Dallas, Texas.

Introducing World Religions Charles E. Farhadian, 2015-06-09 This beautifully designed full-color textbook offers a comprehensive introduction to the world's religions, including history, beliefs, worship practices, and contemporary expressions. Charles Farhadian, a seasoned teacher and recognized expert on world religions, provides an empathetic account that both affirms Christian uniqueness and encourages openness to various religious traditions. His nuanced ecumenical perspective enables readers to appreciate both Christianity and the world's religions in new ways. The book highlights similarities

dissimilarities and challenging issues for Christians and includes significant selections from sacred texts to enhance learning. Pedagogical features include sidebars, charts, key terms, an extensive glossary, over two hundred illustrations, and about a dozen maps. This book is supplemented with helpful web materials for both students and professors through Baker Academic's Textbook eSources. Resources include self-quizzes, discussion questions, additional further readings, a sample syllabus, and a test bank.

A Spectator's Guide to World Religions John Dickson, 2008. The world is a very religious place. Wherever you look, people are worshipping, praying, believing, following, even dying for their faith. But are all faiths the same? Do they all call on the same God using different names? Are their beliefs and practices simply cultural expressions of the same spiritual longings? In this timely book, John Dickson presents each of the world's major religions in its best light. He carefully outlines the history, belief systems, and spiritual practices of Hinduism, Buddhism, Judaism, Christianity, and Islam so that the interested spectator can explore their similarities and differences. For sceptics, believers, and students of religion, the book provides a fair and friendly introduction to this ultimate subject.

World Religions in America Jacob Neusner, 2003-01-01. In this, the third edition of Jacob Neusner's basic, accessible, and proven guide to the world's religions as they are practiced in America, new chapters explore the Church of Scientology, Nature Religions, and the Baha'i faith.
