Global Security Concerns Anticipating The 21st Century:

Global Security Concerns Karl P. Magyar, 2010 Dr Magyar has assembled a group of experts on military issues to ponder global security concerns for the twenty first century The writers of this study use the lessons of the past to identify what issues will propel states to rely on violent means instead of peaceful procedures to achieve their objectives This work also offers a background on each topic identifies areas where conflicts likely will occur and measures the possibility of peaceful resolution of issues Publisher's website **AU Press, Your Air and Space Power Publisher, 2003**, 2003 U.S. National Interests and the Western Hemisphere Frances Scott, 1998 **National Security Challenges for the 21st Century** Williamson Murray, 2003 Officers who participated in the Advanced Strategic Art Program ASAP during their year at the U S Army War College wrote these chapters The ASAP is a unique program that offers selected students a rigorous course of instruction in theater strategy Solidly based in theory doctrine and history the program provides these students a rich professional experience that includes staff rides exercises and the best instructional expertise available The program is designed to provide the joint community with the military's best theater strategists The challenges facing the defense establishment in the United States at the beginning of the 21st century are daunting indeed however the thoughtful essays included in this volume including two award winners representing some of the thinking by students at the U S Army War College provide insights into these trials that will prove useful to policymakers both in and out of uniform Special Bibliography Series United States Air Force Academy. Library, 1998 *Special Bibliography Series*, 1957 Global Security Concerns, 1996 **Weapons for Peace, Weapons for War** Cassady B. Craft, 1999-08-04 On the debate over whether or not arms transfers increase or deter the chances of war Cassady B Craft offers a balanced assessment of the effect of arms transfers on war involvement and outcomes He considers correlations at the state and global level supplier and recipient relationships and the extent of the relationship in the perceptions of individual leaders This is the first study to examine the influence of arms transfers on combined interstate and civil wars Drawing on a variety of theories and quantitative methods including force on force attrition models it uses innovative techniques that have the potential to change the way analysts weigh the impact of weapons sales This book will provide both analysts and policymakers with a comprehensive examination of the various tradeoffs between weapons sales and the probability of conflict **CBRNE: Challenges in the 21st Century** Peter D.E. Biggins, Deeph Chana, 2022-11-21 This book addresses the pertinent issues that will need to be considered by those interested in physical security problems of the future Specifically it examines how changes in the accessibility of technology data hardware software are likely to affect both threat and mitigation considerations for Chemical Biological Radiological and Explosive CBRE scenarios and how social science can inform us of the human aspects of each The trend towards an ever more socio technical society and infrastructures encapsulated by concepts such as smart cities is drawn out as a key motivation for adopting more holistic risk approaches to such security
