Rev 4 provides a comprehensive overview of the global status of inland capture fisheries. This review analyzes trends of inland capture fisheries at global, continental and subcontinental levels, highlighting the crucial role these fisheries play in food security, nutrition, employment and local economies. By placing inland capture fisheries in the context of global fish production, this study also illustrates their adaptive nature, their enduring relevance and potential to contribute to global development goals. Additionally, the publication addresses four key thematic areas crucial for the future of inland fisheries: data quality, their contribution to food systems, integration with basin management and the enhancement of fisheries management practices.

Grocery Michael Ruhlman, 2017-05-16. The New York Times bestselling author digs deep into the world of how we shop and how we eat. It's a marvelous, smart, revealing work. Susan Orlean, 1 bestselling author. In a culture obsessed with food, how it looks, what it tastes like, where it comes from, what is good for us, there are often more questions than answers. Ruhlman proposes that the best practices for consuming wisely could be hiding in plain sight in the aisles of your local supermarket. Using the human story of the family-run Midwestern chain Heinen's as an anchor to this journalistic narrative, he dives into the mysterious world of supermarkets and the ways in which we produce, consume and distribute food. Grocery examines how rapidly supermarkets and our food and culture have changed since the days of your friendly neighborhood grocer. But rather than waxing nostalgic for the age of mom and pop shops, Ruhlman

seeks to understand how our food needs have shifted since the mid twentieth century and how these needs mirror our cultural ones A mix of reportage and rant personal history and social commentary Grocery is a landmark book from one of our most insightful food writers Anyone who has ever walked into a grocery store or who has ever cooked food from a grocery store or who has ever eaten food from a grocery store must read Grocery It is food journalism at its best and I m so freakin jealous I didn t write it Alton Brown television personality If you care about why we eat what we eat and you want to do something about it you need to read this absorbing beautifully written book Ruth Reichl New York Times bestselling author
