Strategic Market Management David A. Aaker,Damien McLoughlin,2010 The text is a European adaptation of our current US book Strategic Market Management 9th Edition by David Aaker This new edition is a mainstream text suitable for all business students studying strategy and marketing courses Strategic Market Management Global Perspectives is motivated by the strategic challenges created by the dynamic nature of markets The premise is that all traditional strategic management tools either do not apply or need to be adapted to a more dynamic context The unique aspects of the book are its inclusion of A business strategy definition that includes product market scope value proposition and assets and competences A structured strategic analysis including a

detailed customer competitor market and environmental analysis leading to understanding of market dynamics that is supported by a summary flow diagram a set of agendas to help start the process and a set of planning forms Concepts of strategic commitment opportunism and adaptability and how they can and should be blended together Bases of a value proposition and strong brands A strategy without a compelling value proposition will not be market driven or successful Brand assets that will support a business strategy need to be developed Creating synergetic marketing with silo organisations defined by products or countries All organisations have multiple products and markets and creating cooperation and communication instead of competition and isolation is becoming an imperative A global perspective is an essential aspect of this new edition This reflects the lived experience of the student reader but also their likely professional challenges This is achieved by the extensive use of new examples and vignettes

Global Perspectives on Strategic Storytelling in Destination Marketing Campos, Ana Cláudia,Almeida, Sofia,2022-05-27

Stories have always been part of tourism with tourists eager to both share and listen to stories about destinations. Destinations also build identity and distinctiveness by sharing stories with visitors. It is essential to gain a deeper understanding of the role that stories play in marketing and branding destinations as well as how storytelling through digital mobile technologies can aid in these practices. *Global Perspectives on Strategic Storytelling in Destination Marketing* is a key reference that offers theoretical frameworks and empirical approaches to the study of storytelling in tourism at the organizational and destination levels and from the perspectives of experience providers and customers. It further addresses current and future challenges of tourism organizations and destinations that may be tackled by creatively adopting storytelling as a strategy for brand differentiation and customer involvement. Covering topics such as film induced tourism, heritage tourism and community engagement, this premier reference source is an excellent resource for marketers, advertising executives, brand managers, travel agencies, tour operators, event and program managers, business executives, government officials, community leaders, students, researchers, academicians, professionals and practitioners in the tourism and hospitality industry.
