Global Perspectives On Social Issues Juvenile Justice Systems:

Global Perspectives on Social Issues Paola Zalkind, Rita James Simon, 2004-01-01 *Global Perspectives on Social Issues Juvenile Justice Systems* is an attempt to characterize juvenile offenders in twenty five nations in North America South America Western and Eastern Europe the Middle East Africa Asia and Australia Each chapter represents a fact sheet and contemporary report on juvenile justice systems in the eight different regions of the world *Juvenile Justice* Gus Martin, 2005-02-15 *Juvenile Justice* is designed for undergraduate students studying juvenile justice systems juvenile justice process juvenile delinquency and law enforcement in the departments of Administration of Justice Criminal Justice Criminology Political Science Sociology and other disciplines in the social sciences *Controversies in Juvenile Justice and Delinquency* Peter J. Benekos, Alida V. Merlo, 2014-10-10 After providing a history of the development of the juvenile court this book explores some of the most important current controversies in juvenile justice Original essays review major theories of juvenile delinquency explore psychological and biological factors that may explain delinquent behavior and examine the nexus between substance abuse and delinquency A final chapter provides a comparative analysis **Juvenile Justice** Preston Elrod, Scott Ryder, 2011-01-28 The juvenile justice system is a multifaceted entity that continually changes under the influence of decisions policies and laws The all new Third Edition of *Juvenile Justice A Social Historical and Legal Perspective* offers readers a clear and comprehensive look at exactly what it is and how it works Reader friendly and up to date this text unravels the complexities of the juvenile justice system by exploring the history theory and components of the juvenile justice process and how they relate *Juvenile Justice: A Social, Historical and Legal Perspective* , *Juvenile Justice: A Social, Historical, and Legal Perspective* Preston Elrod, R. Scott Ryder, 2020-02-20 *Juvenile Justice A Social Historical and Legal Perspective* Fifth Edition guides students in developing a sound and balanced understanding of juvenile justice and the social legal and historical context that shapes juvenile justice practice Throughout the text there are FYIs Myths v Reality Comparative Focus and Interviews that highlight important facts dispel common myths compare practices in the United States with those of other countries and allow readers to hear from present and former juvenile justice practitioners Each chapter also contains critical thinking questions intended to help students examine key issues raised in the chapter and a discussion of important legal issues related to chapter content Every new print copy includes an access code to the Navigate Companion Website that features interactive and informative learning resources to gauge understanding and help students study more effectively **Juvenile Justice in Global Perspective** Franklin E. Zimring, Maximo Langer, David S. Tanenhaus, 2017-05 Provides a comparison of criminal justice and juvenile justice systems across the world looking for points of comparison and policy variance that can lead to positive change in the United States Contributors discuss important issues such as the relationship between political change and juvenile justice the common labels used to unify juvenile systems in different regions and in different forms of government the types of juvenile systems that exist and how they differ and more

Furthermore they use data on criminal versus juvenile justice in a wide variety of nations to create a new explanation of why separate juvenile and criminal courts are felt to be necessary From publisher description The Palgrave International Handbook of Youth Imprisonment Alexandra Cox,Laura S. Abrams,2021-06-21 This handbook brings together the knowledge on juvenile imprisonment to develop a global synthesized view of the impact of imprisonment on children and young people There are a growing number of scholars around the world who have conducted in depth qualitative research inside of youth prisons and about young people incarcerated in adult prisons and yet this research has never been synthesized or compiled This book is organized around several core themes including conditions of confinement relationships in confinement gender sexuality and identity perspectives on juvenile facility staff reentry from youth prisons young people s experiences in adult prisons and new models and perspectives on juvenile imprisonment This handbook seeks to educate students scholars and policymakers about the role of incarceration in young people s lives from an empirically informed critical and global perspective *Women's Roles and Statuses the World Over* Stephanie Hepburn,Rita J. Simon,2006-01-01 Women s Roles and Statuses the World Over stands alone in the unique contribution it makes to the field of women s rights Based solely on statistics and empirical data as opposed to opinion authors Stephanie Hepburn and Rita Simon have crafted an important contribution to the study of women in society by comparing women s position in society within 26 nations throughout the world This distinctive work addresses the status of women in the areas of education work force marriage and divorce the Constitution abortion and contraceptives public office military service and health care The countries selected reflect a representative pool of the world s cultures religions traditions races laws and politics Hepburn and Simon present the weaknesses strengths and progress or digression of each of the selected nations painting a clear picture of how much more progress must occur in order to set men and women on equal footing Women s Roles and Statuses the World Over is intended to serve scholars and general audiences alike as a handbook providing empirical data and comprehensive references on the social issues problems and practices that affect women today Handbook of Social Problems George Ritzer,2004 Ritzer s Handbook of Social Problems offers a comprehensive treatment of today s major societal issues The articles are authored by some of the top scholars in the field and address problem areas that will capture the interests of students and professors alike The international coverage is most welcome in this time of intensifying global inequalities Nancy Jurik Arizona State University The Handbook of Social Problems A Comparative International Perspective provides a unique broadly comparative perspective on the current state of social problems and deviance in a variety of societies around the world Editor George Ritzer along with leading U S and international sociologists examines the relationship between social problems and a society s level of development and affluence The essays in this volume focus on four interrelated issues involved in the relationship between social problems and the level of development and affluence Less developed and less affluent societies are more likely to experience a range of social problems than developed and affluent societies Affluence

causes or at least brings with it a series of social problems that do not exist in less affluent societies. It is only with affluence that certain things can come to be imagined as social problems such as excessive consumption. The very affluence of a society makes it vulnerable to problems that would not be social problems in poorer societies. The Handbook explores the theory of the weakness of the strong in other words strong or wealthy nations may have greater vulnerability to some social problems than less developed or affluent societies. This theory is clearly illustrated in this volume by the aftermath of September 11 2001 depicting the vulnerability of the U S to social problems in far removed corners of the world. In addition the international and comparative essays in this volume cover other important issues such as the impact of modern technologies on social problems ecological problems global inequality health as a social problem and much more. The Handbook of Social Problems is a vital resource for sociologists and graduate students as well as an excellent addition to any academic library.

Comparative Juvenile criminal justice Alexandre Chitov, 2016. The book deals with three interconnected themes. The first is the description of main features of juvenile criminal justice in such diverse countries as Thailand China Germany France and England. The second is the argument that education is the essential principle of any juvenile delinquency justice system and that the most important part of education must be moral instruction of young offenders. The third theme of the book is that world religions are indispensable for carrying out successful educational programs directed towards the formation of good conscience among young people. Three religious traditions are explored: Buddhism Confucianism and Christianity. The presentation of the educational potential of the world religions draws upon the experience of the author as a volunteer teacher in a Thai juvenile correction institution.

Semi-Citizenship in Democratic Politics Elizabeth F. Cohen, 2009-10-26. In every democratic polity there exist individuals and groups who hold some but not all of the essential elements of citizenship. Scholars who study citizenship routinely grasp for shared concepts and language that identify forms of membership held by migrants children the disabled and other groups of individuals who for various reasons are neither full citizens nor non citizens. This book introduces the concept of semi citizenship as a means to dramatically advance debates about individuals who hold some but not all elements of full democratic citizenship. By analytically classifying the rights of citizenship and their various combinations scholars can typologize semi citizens and produce comparisons of different kinds of semi citizenships and of semi citizenships in different states. The book uses theoretical analysis historical examples and contemporary cases of semi citizenship to illustrate how normative and governmental doctrines of citizenship converge and conflict making semi citizenship an enduring and inevitable part of democratic politics.

Juvenile Justice Systems John Winterdyk, 2002. Annotation: By the year 2000 more than 50% of the world population will be under the age of 15. 9th UN Congress 1995. Youth crime is increasing around the world. 9th UN Congress 1995. In September 1997 Canadian Justice Minister Anne McLellan declared youth justice as a top priority. These and similar facts speak to the urgency for society to study youth crime and examine youth justice systems from a comparative perspective. As our world gets smaller we discover the urgency and

importance of sharing and learning at a global level This collection offers a unique opportunity to examine six different juvenile justice systems and youth crime around the world All eleven articles are original contributions from a distinguished set of experts on juvenile justice in their respective countries Each contribution examines a set of common elements defining delinquency describing the nature and extent of youth crime examining the administration of youth justice and discussing issues confronting youth crime This groundbreaking book will be of interest to students criminologists and criminal justice policy makers who are interested in improving the intervention treatment and prevention of youth crime and the administration of youth justice

Global Perspectives in Policing and Law Enforcement Jospeter M. Mbuba, 2021-05-11 Global Perspectives in Policing and Law Enforcement provides an exposition of policing and law enforcement practices challenges and opportunities in twenty different countries that were carefully selected to represent diverse geographic regions of the world Each chapter presents policing from a different cultural background with diverse historical law enforcement experiences varied social and demographic characteristics and wide ranging approaches to political leadership By examining critical data and highlighting cracks within law enforcement across multiple countries the contributors to this volume have created a framework of policing as it transitions into a modern outfit Divided into parts the book focuses on a large sample of countries from Africa Europe Asia and Latin and Central America North America and the Caribbean as well as Australia and New Zealand Such a broad coverage makes this book a critical reference point for those interested in criminal justice criminology political science anthropology and many others

Juvenile Justice John A. Winterdyk, 2014-10-14 Juvenile justice has been and remains a topical issue at national and international levels There are various standards and guidelines for administration but six major models characterize juvenile justice systems worldwide participatory welfare corporatism modified justice justice and crime control Juvenile Justice International Perspectives Models and Trends presents contributions by authors from different countries in all five continents employing these six models The book begins with a comprehensive overview of the topic and the various international standards and guidelines designed to inform juvenile justice practices This introduction is followed by chapters on individual countries covered independently by resident experts allowing readers to appreciate a range of comparisons and to critically reflect on the relative merits of the different models Topics presented in each chapter include The country's history of juvenile justice The nature and status of delinquency Current legislation on juvenile justice How well the legislation complies with the Standard Minimum Rules of the Administration of Juvenile Justice as defined by the United Nations The type of juvenile justice model followed Age limits for male and female juvenile offenders Legal and social issues confronting juvenile offenders Current theoretical biases used to explain and justify response to delinquency Future issues challenges and or initiatives Text boxes supply current and relevant examples to contextualize key issues and themes Each chapter features discussion questions and helpful web links to facilitate further research Presented in an unbiased manner the book is a consolidated yet

comprehensive overview of juvenile justice models and practices worldwide It enables readers to compare the relative strengths and weaknesses of different juvenile justice models systems and to evaluate all countries in light of the larger international phenomena of delinquency Youth, Crime, and Justice Clayton A Hartjen, 2008-03-25 Close to half of the world's population is below the age of criminal jurisdiction in most countries Many of these young people are living in poverty and under totalitarian regimes Given their deprived and often abject circumstances it is not surprising that many of them become involved in crime In Youth Crime and Justice Clayton A Hartjen provides a broad overview of juvenile delinquency how it manifests itself around the world and how societies respond to misconduct among their children Taking a global rather than country specific approach chapters focus on topics that range from juvenile laws and the correction of child offenders to the abuse exploitation and victimization of young people Hartjen includes specific examples from the United States Australia Spain Switzerland New Zealand Japan India Egypt and elsewhere as he sorts through the various definitions of delinquent and explores the differences in behavior that contribute to these classifications Most importantly his in depth and comparative look at judicial systems worldwide raises questions about how young offenders should be corrected and how much fault can be laid on misbehaving youths acting out against the very societies that produced them

Fundamental legal problems of surrogate motherhood. Global perspective. Piotr Mostowik, Marta Soniewicka, Nathalie Baillon-Wirtz, Mirosław Boruta, Justyna Holocher, Błażej Kmiecik, Ewa Kozerska, Tomasz Scheffler, Katažyna Mikša, Natalja Žitkevits, Avishalom Westreich, Andrea Nicolussi, Andrei A. Novikov, Carlos Martínez de Aguirre, Monika Wałachowska, Alla Anatoliivna Herts, Witold Borysiak, Agnieszka Czubik, Łukasz Mirocha, Agata Niżnik-Mucha, Aleksandra Dębowska, Marcin Sokołowski, Agnieszka Wedeł-Domaradzka, Olga Bobrzyńska, Dita Frintová, Ondřej Frinta, Janusz Gajda, Rafał Łukasiewicz, Elena Júdová, Martin Píry, Wojciech Lis, Piotr Telusiewicz, Michał Wojewoda, Edyta Figura-Góralczyk, Radosław Flejszar, Piotr Rodziewicz, Konrad Burdziak, Łukasz Pohl, Wojciech Górowski, Agnieszka Laber, Dominik Zając, Karolina Sęk, 2019-07-01 The observation that *mater semper certa est* remains accurate under most legal systems in the world Maternity is defined as the personal status filiation of a woman who gave birth to a child It is typically complemented by the fatherhood of the man from whom the child biologically originates often *quem nuptiae demonstrant* However in some states a kind of competitive way of acquiring the legal status of mother and father or homosexual parents A and B has been introduced via concluding a contract with a surrogate mother Usually with a woman coming from poorer societies and with the assistance of professional intermediaries and organizers The postulates to change substantive family law or at least to recognize the effects of foreign law and procedures a kind of procreative tourism appear nowadays also in states generally prohibiting surrogate motherhood The issues discussed in this volume concern both national law and international court cases Recent examples include the opinion of the European Court of Human Rights of 10 April 2019 initiated by the French Cour de cassation the judgement of the German Bundesgerichtshof of 20 March 2019 and

dilemmas of Polish administrative courts Focusing on the international perspective the present volume as well as an accompanying book in Polish are the results of the international cooperation of over 30 experts from both member states and observer states of the Council of Europe The monograph is structured from the general to the detail and includes a comprehensive view as well from the issues of philosophy and sociology of law to human rights standards of national constitutions and international agreements to principles of ordre public of forum and their protection with measures of private public and penal law This allows readers including legislators and judges the better understanding of the fundamental legal problems that surrogate motherhood brings both in states where law creates them in a narrower or wider extent and in other countries of the world to which these problems can be imported with the movement of people and with de lege lata and de lege ferenda postulates

Handbook of Restorative Justice , Crime and Justice in Contemporary Japan Jianhong Liu, Setsuo Miyazawa, 2017-12-15 This book provides an important overview of key criminology and criminal justice concerns in Japan It highlights similarities between the practice of criminology research in Japan as well as important differences with other areas of Asia and with the West In previous decades Japan attracted international attention as the only industrialized country where the crime rate declined along with a rise in urbanization and economic development Currently Japan still enjoys a declining crime rate the lowest among major industrialized countries and a study of criminal justice practices in Japan may provide important insights for other regions Japan also experiences important contemporary challenges which are shared by other regions 1 Japan has the highest proportion of people over the age of 60 in the world For criminology this means key challenges in the victimization of older people as well as the challenges of an aging prison population 2 Besides the United States Japan is the only developed country that still practices capital punishment and its rate has been on the rise in the past 20 years 3 Japan has also introduced new reforms in its law practice including the introduction of new trial formats The research in this book provides a helpful overview for scholars interested in criminology and criminal justice in Japan to understand the key issues of concern and present a framework for future research needs It will be of interest to researchers in criminology and criminal justice international studies Asian Studies sociology and political science

Global Perspectives on Reforming the Criminal Justice System Pittaro, Michael, 2021-06-25 The often tenuous relationship between law enforcement and communities of color namely African Americans has grown increasingly strained and the call for justice has once again ignited the demand for criminal justice reform Rebuilding the trust between the police and the citizens that they have sworn to protect and serve requires that criminal justice practitioners and educators collaborate with elected officials and commit to an open ongoing dialogue on the most challenging issues that remain unresolved but demand collective attention and support Reform measures are not limited to policing policies and practices but rather extend throughout the criminal justice system There is no denying that the criminal justice system as we know it is flawed but not beyond repair Global Perspectives on Reforming the Criminal Justice System provides in depth and

current research about the criminal justice system around the world its many inadequacies and why it urgently needs reformation Offering a fully fleshed outline of the current system this book details the newest research and is incredibly important to fully understand the flaws of the criminal justice system across the globe The goals of this book are to improve and advance the criminal justice system by addressing the glaring weaknesses within the system and discuss potential reforms including decreasing the prison population decarceration and improving police community relations Highlighting topics that include accountability community oriented policing ethics and mass incarceration this book is ideal for law enforcement officers trainers educators government officials policymakers correctional officers court officials professionals researchers academicians and students in the fields of criminal justice criminology sociology psychology addictions mental health social work public policy and public administration
