Globalization And Culture Change In The Pacific Islands:

Globalization and Culture Change in the Pacific Islands Victoria S. Lockwood, 2004 Offering insight into the major changes that are taking place in the context of increasing globalization in Pacific Island societies the authors seek to ground globalization in concrete real life cases of communities that are dealing with specific processes of globalization and formulating their own responses in their own cultural terms The case studies presented reflect the many different cultural contexts of island societies as they deal with global politics nation states and ethnic conflict global economic integration and transnationalism evolving identities and cultural representations changes in patterns of social and community relations and increasing integration into global religions For anyone interested in the effects of globalization on the peoples and cultures of the Pacific

Globalisation and Governance in the Pacific Islands Stewart Firth, 2006-12-01 The Pacific Islands are feeling the effects of globalisation Free trade in sugar and garments is threatening two of Fiji's key industries At the same time other opportunities are emerging Labour migration is growing in importance and Pacific governments are calling for more access to Australia's labour market Fiji has joined Samoa Tonga Tuvalu and Kiribati as a remittance economy with thousands of its citizens working overseas Meantime Papua New Guinea and Solomon Islands grapple with an older kind of globalisation in which overseas companies exploit mineral and forest resources The Pacific Islands confront unique problems of governance in this era of globalisation The modern democratic state often fits awkwardly with traditional ways of doing politics in that part of the world Just as often politicians in the Pacific exploit tradition or invent it to serve modern political purposes The contributors to this volume examine Pacific globalisation and governance from a wide range of perspectives They come from Papua New Guinea Solomon Islands Hawaii the Federated States of Micronesia Samoa Fiji New Zealand and Jamaica as well as Australia Publisher's description [Encyclopedia of Medical Anthropology](#) Carol R. Ember, Melvin Ember, 2003-12-31 Medical practitioners and the ordinary citizen are becoming more aware that we need to understand cultural variation in medical belief and practice The more we know how health and disease are managed in different cultures the more we can recognize what is culture bound in our own medical belief and practice The Encyclopedia of Medical Anthropology is unique because it is the first reference work to describe the cultural practices relevant to health in the world's cultures and to provide an overview of important topics in medical anthropology No other single reference work comes close to matching the depth and breadth of information on the varying cultural background of health and illness around the world More than 100 experts anthropologists and other social scientists have contributed their firsthand experience of medical cultures from around the world [Asia in the Pacific Islands](#) R. G. Crocombe, 2007 A spectacular transition is under way in the Pacific Islands as a result of which all our lives will be radically different In the last fifty years or so Asia has begun to play a bigger and bigger role in all aspects of Islands life migration trade and investment aid and development information and media religion culture and sport It is replacing the West The process is irreversible With his trademark

breadth and depth of knowledge and understanding of the region based on over half a century of experience study and deliberation Ron Crocombe documents the early connections between Asia and the Pacific details recent and continuing changes and poses challenging theories about the future Publisher *The Pacific Islands* Moshe Rapaport, 2013-05-31 The Pacific is the last major world region to be discovered by humans Although small in total land area its numerous islands and archipelagoes with their startlingly diverse habitats and biotas extend across a third of the globe This revised edition of a popular text explores the diverse landforms climates and ecosystems of the Pacific island region Multiple chapters written by leading specialists cover the environment history culture population and economy The work includes new or completely revised chapters on gender music logging development education urbanization health ocean resources and tourism Throughout two key issues are addressed the exceptional environmental challenges and the demographic economic political challenges facing the region Although modern technology and media and waves of continental tourists are fast eroding island cultures the continuing resilience of Pacific island populations is apparent This is the only contemporary text on the Pacific Islands that covers both environment and sociocultural issues and will thus be indispensable for any serious student of the region Unlike other reviews it treats the entirety of Oceania with the exception of Australia and is well illustrated with numerous photos and maps including a regional atlas Contributors David Abbott Dennis A Ahlburg Glenn Banks John Barker Geoffrey Bertram David A Chappell William C Clarke John Connell Ron Crocombe Julie Cupples Derrick Depledge Colin Filer Gerard J Fryer Patricia Fryer Brenden S Holland E Alison Kay David M Kennedy Lamont Lindstrom Rick Lumpkin Harley I Manner Selina Tusitala Marsh Nancy McDowell Hamish A McGowan Frank McShane Simon Milne R John Morrison Dieter Mueller Dombois Stephen G Nelson Patrick D Nunn Michael R Ogden Andrew Pawley Jean Louis Rallu Vina Ram Bidesi Moshe Rapaport Annette Sachs Robertson Richard Scaglione Donovan Storey Andrew P Sturman Lynne D Talley James P Terry Randolph R Thaman Frank R Thomas Caroline Vercoe Terence Wesley Smith Paul Wolfram

On the Edge of the Global Niko Besnier, 2011-03-02 This book explores the malaise present in post colonial Tonga analyzing the way in which segments of this small scale society hold on to different understandings of what modernity is how it should be made relevant to local contexts and how it should mesh with practices and symbols of tradition

Managing Modernity in the Western Pacific Martha Macintyre, 2014-06-01 Fast money schemes in Papua New Guinea collectivities in rural Solomon Islands gambling in the Cook Islands and the Vanuatu tax haven all feature in the interface between Pacific and global economies Since the 1970s Melanesian countries and their peoples have been beguiled by the prospect of economic development that would enable them to participate in a world market economic system Access to global markets would provide the means to improve their standard of living allowing them to take their places as independent nations in a modern world Managing Modernity in the Western Pacific takes a broad sweep through contemporary topics in Melanesian anthropology and ethnography With nuanced and rigorous scholarship it views contemporary debate on modernity in Melanesia within the

context of the global economy and cultural capitalism In particular contributors assess local ideas about wealth success speculation and development and their connections to participation in institutions and activities generated by them This innovative and accessible collection offers a new intersection between Western Pacific anthropology and global studies

Policing in the Pacific Islands Danielle Watson,Loene Howes,Sinclair Dinnen,Melissa Bull,Sara N. Amin,2023-02-07 This open access book brings together insights into Pacific policing conceptualising policing broadly as order maintenance involving the actions of multiple local regional and international actors with sometimes competing and conflicting agendas A complex and multifaceted endeavour scholarship on this topic is relatively scarce and widely dispersed across diverse sources It examines how Pacific policing is shaped by changing state society relations in different national contexts and ongoing processes of globalisation Particular attention is given to the plural character of Pacific policing profound challenges of gender equity changing dynamics of crime and the prominence of transnational policing in resource and capacity constrained domestic environments The authors draw on examples from across the Pacific islands to provide a nuanced and contextualised account of policing in this socially diverse and rapidly transforming region **The Wiley Blackwell**

Companion to World Christianity Lamin Sanneh,Michael McClymond,2016-03-24 The Wiley Blackwell Companion to World Christianity presents a collection of essays that explore a range of topics relating to the rise spread and influence of Christianity throughout the world Features contributions from renowned scholars of history and religion from around the world Addresses the origins and global expansion of Christianity over the course of two millennia Covers a wide range of themes relating to Christianity including women worship sacraments music visual arts architecture and many more Explores the development of Christian traditions over the past two centuries across several continents and the rise in secularization

Migration and Development Wonderful Hope Khonje,2015-02-11 Over the past two decades studies on the migration development nexus often portray small states as one homogeneous group developing countries without considering their critical and peculiar challenges or inherent vulnerabilities due mainly to their size This book explores key dynamics of migration and development in a small states setting It includes case studies from small states in Africa Caribbean and the Pacific that will help policy makers to embrace migration as an inevitable phenomenon and devise policies that will maximise the benefits from migration at a minimal cost **Touring Pacific Cultures** Kalissa Alexeyeff,John Taylor,2016-12-15

Tourism is vital to the economies of most Pacific nations and as such is an important site for the meaningful production of shared and disputed cultural values and practices This is especially the case when tourism intersects with other important arenas for cultural production both directly and indirectly Touring Pacific Cultures captures the central importance of tourism to the visual material and performed cultures of the Pacific region In this volume we propose to explore new directions in understanding how culture is defined produced experienced and sustained through tourism related practices across that region We ask how is cultural value ownership performance and commodification negotiated and experienced in

actual lived practice as it moves with people across the Pacific This collection is a welcome addition to tourism studies or perhaps we should say post or para tourism The essays bring out many facets and experiences too quickly bundled under a single label and focused exclusively on destinations visited by outsiders Tourism we see here actively involves many different populations societies and economies a range of local global regional engagements that can be both destructive and creative Western outsiders aren't the only ones on the move Unequal power neo colonial exploitation and capitalist commodification are very much part of the picture But so are desire adventure pleasure cultural reinvention and economic development The effect overall is an attitude of alert critical ambivalence with respect to a proliferating historical phenomenon A bumpy and rewarding ride James Clifford Professor Emeritus University of California Santa Cruz *The Oxford Handbook of Postcolonial Studies* Graham Huggan, 2013-09-12 The Oxford Handbook of Postcolonial Studies provides a comprehensive overview of the latest scholarship in postcolonial studies while also considering possible future developments in the field Original chapters written by a worldwide team of contributors are organised into five cross referenced sections The Imperial Past The Colonial Present Theory and Practice Across the Disciplines and Across the World The chapters offer both country specific and comparative approaches to current issues offering a wide range of new and interesting perspectives The Handbook reflects the increasingly multidisciplinary nature of postcolonial studies and reiterates its continuing relevance to the study of both the colonial past in its multiple manifestations and the contemporary globalized world Taken together these essays the dialogues they pursue and the editorial comments that surround them constitute nothing less than a blueprint for the future of a much contested but intellectually vibrant and politically engaged field

Families, Intimacy and Globalization Raelene Wilding, 2018-03-13 Growing numbers of partners parents children grandchildren and siblings are living far away from each other yet their opportunities to stay in touch have never been greater Smartphones tablets and personal computers are used by parents in London to care for their children in the Philippines Refugees use phones and international transfers to send money and support to parents overseas Funerals weddings and anniversaries prompt return visits by plane and are streamed online to kin around the world The mechanisms and processes of globalization are transforming the ways in which people do and think about their families Families Intimacy and Globalization examines their experiences charting the tensions between the freedoms and choices of late modern individuals on the one hand and the constraints of relational ties of love and obligation on the other which produce the floating ties of global families and intimate relationships Using detailed examples from all corners of the globe and across the life course from internet dating to parenting to aged care this thought provoking book examines the transformation of relationships by the processes of migration and the cultural and economic flows that are central to globalization

Threatened Island Nations Michael B. Gerrard, Gregory E. Wannier, 2013-01-21 Rising seas are endangering the habitability and very existence of several small island nations mostly in the Pacific and Indian oceans This is the first book to focus on the myriad legal issues posed by this

tragic situation if a nation is under water is it still a state Does it still have a seat at the United Nations What becomes of its exclusive economic zone the basis for its fishing rights What obligations do other nations have to take in the displaced populations and what are these peoples rights and legal status once they arrive Should there be a new international agreement on climate displaced populations Do these nations and their citizens have any legal recourse for compensation Are there any courts that will hear their claims and based on what theories Leading legal scholars from around the world address these novel questions and propose answers

Migration and Transnationalism Helen Lee, Steve Tupai Francis, 2009-08-01 Pacific Islanders have engaged in transnational practices since their first settlement of the many islands in the region As they moved beyond the Pacific and settled in nations such as New Zealand the U S and Australia these practices intensified and over time have profoundly shaped both home and diasporic communities This edited volume begins with a detailed account of this history and the key issues in Pacific migration and transnationalism today The papers that follow present a range of case studies that maintain this focus on both historical and contemporary perspectives Each of the contributors goes beyond a narrowly economic focus to present the human face of migration and transnationalism exploring questions of cultural values and identity transformations in kinship intergenerational change and the impact on home communities Pacific migration and transnationalism are addressed in this volume in the context of increasing globalisation and growing concerns about the future social political and economic security of the Pacific region As the case studies presented here show the future of the Pacific depends in many ways on the ties diasporic Islanders maintain with their homelands

American Pacificism Paul Lyons, 2006-09-27 This powerful critique of American Islander relations draws upon extensive resources including literary works and government documents to explore the ways in which conceptions of Oceania have been entwined in the American imagination

Artifak Hugo DeBlock, 2018-11-29 In Vanuatu commoditization and revitalization of culture and the arts do not necessarily work against each other both revolve around value formation and the authentication of things This book investigates the meaning and value of art objects as commodities in differing states of transit and transition in the local place on the market in the museum It provides an ethnographic account of commoditization in a context of revitalization of culture and the arts in Vanuatu and the issues this generates such as authentication of actions and things indigenized copyright and kastom disputes over ownership and the nature of kastom itself
