## **Globalization And Neoliberalism The Caribbean Context:**

**Globalization and Neoliberalism** Thomas Klak, 2000-01-01 How do recent trends toward globalization affect the Caribbean a region whose suppliers production markets and politics have been globalized for centuries What is the status of neoliberal development policy in the Caribbean where the rewards for belt tightening and economic opening have been slow in coming How have Caribbean policymakers and citizens responded to and resisted the pressures to conform to the new rules of the global economy By examining these questions through the lens of political economy this volume explores the interaction among development trade foreign policy the environment tourism gender relations and migration With its global implications this book will be invaluable for students and scholars from all disciplines who are concerned with the impact of development and globalization

**Critical Perspectives on Globalization and Neoliberalism in the Developing Countries** Richard Legé Harris, Melinda J. Seid, 2000 This book gives a critique of the contemporary global capitalist system and the adverse consequences suffered by the developing countries as a result of their integration into this system The current neoliberal paradigm of capitalist development as the only or the best alternative for the economic social and political development of the developing countries is rejected The authors search for more human and ecologically sustainable alternatives focusing on Latin America Asia and women

**Decolonial Perspectives on Entangled Inequalities** Encarnación Gutiérrez Rodríguez, Rhoda Reddock, 2021-02-26 This book engages with decolonial social and cultural analyses of global entangled inequalities by focusing on their local articulations globally and in particular in Germany Trinidad and Tobago and the United Kingdom

*Globalization and the Developing Countries* David Bigman, 2002-01-01 The objective of this book is to review the impact of globalization on a number of issues Key issues highlighted include the high risk or producing traditional commodity crops for export and the removal of many non tariff trade barriers which threaten the livelihoods of many farmers

**Neoliberal Democratization and New Authoritarianism** Dennis C. Canterbury, 2019-06-04 Originally published in 2005 Domestic and foreign economic and political policies in the rich capitalist nations in the North and in the poor countries in the South are geared towards globalization and democratization Indeed the dominant view held by countries in the North is that globalization leads to democracy and vice versa and that in turn economic development will result from that process Thus many scarce resources are allocated to bring about globalization and democracy Exploring the dynamics of change that allow for the persistence of authoritarian states in the Third World this illuminating book highlights certain aspects of democratization that have not been investigated fully Anyone interested in development politics and political sociology will draw a plethora of important theoretical insights into globalization authoritarianism and transition democratization from this original study

*Wages of Empire* Amalia L. Cabezas, Ellen Reese, Marguerite Waller, 2015-12-03 Corporate globalization has intensified in recent years taking a terrible toll on the lives of ordinary women in the global North and South This book investigates the related processes of neoliberal

economic restructuring and increased militarization tracking policy and its enforcement to its impact on low income women This interdisciplinary volume provides rich analyses of the oppressive working and living conditions of urban and rural women rightward shifts in public policies and women s resistance to these developments *An Ethnography of*

*Cosmopolitanism in Kingston, Jamaica* Huon Wardle,2000 The author draws a parallel between Jamaican understandings of the self and the late philosophy of Immanuel Kant The ethnographic material presented here derived from two years fieldwork in Kingston suggest that Jamaicans understand themselves as global citizens This sense of self can be identified across multiple contexts oral performance music kinship and friendship economics and politics In light of Jamaican cultural experience the book argues for a reframing of ethnographic practice as an explicitly cosmopolitan cultural practice BOOK

JACKET Global Appetites Allison Carruth,2013-05-31 This literary study explores how agribusiness industrial agriculture and countercultural food movements underpin modern American conceptions of global power **Music, Popular Culture,**

**Identities** ,2016-09-12 Music Popular Culture Identities is a collection of sixteen essays that will appeal to a wide range of readers with interests in popular culture and music cultural studies and ethnomusicology Organized around the central theme of music as an expression of local ethnic social and other identities the essays touch upon popular traditions and contemporary forms from several different regions of the world political engagement in Italian popular music flamenco in Spain the challenge of traditional music in Bulgaria boerenrock and rap in Holland Israeli extreme heavy metal jazz and pop in South Africa and musical hybridity and politics in C te d Ivoire The collection includes essays about Latin America on the Mexican corrido the Caribbean popular dance music in Cuba and bossanova from Brazil Communities of a cultural diaspora in North America are discussed in essays on Somali immigrant and refugee youth and Iranians in exile in the US Grounded in cultural theory and a specialized knowledge of a particular popular musical practice each author has written a critical study on the mix of music and identity in a particular social practice and context Historical Dictionary of Inter-American

Organizations David W. Dent,Larman C. Wilson,2013-12-11 The Historical Dictionary of Inter American Organizations covers the changing world of inter American and international organizations that have played an important role in bilateral and multilateral efforts to solve a wide range of problems that have confronted the nations of the Western Hemisphere The Latin American region is clearly more integrated regionally and internationally than in previous decades and is better prepared to confront a broad range of problems trade development illicit drugs terrorism and guerrilla activity health environment democratization trade human rights intervention electoral assistance peacekeeping and conflict resolutions migration border conflicts corruption and energy independence that governments and non governmental organizations face in the 21st century The role of the United States in Latin America has clearly faded since the end of the Cold War and the second edition of this book fills a large void in explaining the complexities of inter American organizations and their activities since the first edition was completed in the late 1990s This updated second edition of Historical Dictionary of Inter American Organizations covers

the history of through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 hundred cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Inter American Organizations      *Tourism, Security and Safety* Yoel Mansfeld, Abraham Pizam, 2006 In recent years the tourism industry has focused on the issues of safety and security and sought to develop crisis management solutions This text draws on the work of leading academics and practitioners to create a multi dimensional analysis of the subject      **Return**

**Migration of the Next Generations** Dennis Conway, 2016-12-05 There is renewed interest in return migration among researchers of global movement patterns Until recently it was overlooked regarded as the result of failure by emigrants or related to the return of retired elderly migrants This important study looks at the one and a half and second generation migrants the youthful contract workers and the prolonged sojourners and the consequences of their return to source communities      Tourism and Inclusive Growth in Small Island Developing States Mark Hampton, Julia Jeyacheya, 2013 This report explores the key issues concerning how tourism might facilitate inclusive growth It provides detailed analysis of both the direct and indirect channels through which the gains from tourism are achieved and the existing gaps that prevent a fuller capturing of forward and backward multipliers Publisher s website

*Cricket, Capitalism and Class* Chris McMillan, 2023-10-06 This ambitious new study argues that not only is the story of cricket inescapably entwined with that of capitalism but that the game provides a unique lens with which to understand the history development exigencies and contradictions of capitalist political economy From the aristocratic capture of the artisan s game to the commodified entertainment of private T20 leagues the story of cricket has been told against the background of capitalism Cricket was the gentlemanly vanguard of the English led British empire which forged the first iteration of international capitalism that was reliant upon a political and commercial partnership between rulers and the ruled and today it speaks to the productive tension between the emergence of the Asian century and the power of American cultural imperialism Reading capitalism as a cultural economic and political system this book explores the relationship between cricket and capitalism and illuminates many of the most important themes in contemporary sport studies such as class race gender globalisation nationalism neoliberalism commodification and migration This is fascinating reading for anybody with an interest in sport history the sociology of sport global political economy political theory or cultural studies      **Tourism and Agriculture** Rebecca Maria

Torres, Janet Henshall Momsen, 2011-03-07 Shifting global consumption patterns tastes and attitudes towards food leisure travel and place have opened new opportunities for rural producers in the form of agritourism ecotourism wine food and rural tourism and specialized niche market agricultural production for tourism Agriculture is one of the oldest and most basic parts of the global economy while tourism is one of the newest and most rapidly spreading In the face of current problems of climate change rising food prices poverty and a global financial crisis linkages between agriculture and tourism may provide

the basis for new solutions in many countries A number of challenges nevertheless confront the realization of synergies between tourism and agriculture Tourism and Agriculture examines regional specific cases at the interface between tourism and agriculture looking at the impacts of rural restructuring and new geographies of consumption and production To meet the need for a more comprehensive appreciation of the relationships and interactions between the tourism and agricultural economic sectors this book consider the factors that influence the nature of these relationships and explore avenues for facilitating synergistic relationships between tourism and agriculture These relationships are examined in thirteen chapters through case studies from eastern and western Europe Japan and the United States and from the developing countries of the Pacific the Caribbean and Ghana and Mexico Themes of diversification economic development and emerging new forms of production and consumption are integrated throughout the entire book This essential volume built on original research generates new insights into the relationships between tourism and agriculture and future economic rural development Edited by leading researchers and academics in the field this book will be of value to students researchers and academics interested in tourism agriculture and rural development

Borders in Service Kiran Mirchandani, Winifred Poster, 2016-10-27 Borders in Service traces the intersection of service labour and national identity across global call centres in seven countries El Salvador Guatemala Guyana Mauritius Morocco the Philippines and the US Mexico border While most studies on offshore call centres have focused on India this collection explores the experiences of call center workers in many of the newly emerging hubs of transnational service work In this collection Kiran Mirchandani and Winifred Poster have gathered a wide range of contributors to explore the dynamics within global call centres Such dynamics include language speech accent issues expressions of consumer sentiment physical space and organizational human resource and labour policies By grounding the theoretical debates on nationhood and labour in the realities of daily life in global call centres Mirchandani and Poster have created a timely accessible and revealing collection that will change what we know about offshored customer service work

Gonzalez, 2004 The essays in this collection address issues significant to labor within regional national and international contexts Themes of the chapters will focus on managed labor migration organizing in multi ethnic and multi national contexts global economics and labor global economics and inequality gender and labor racism and globalization regional trade agreements and labor

Sustainable Development: National Aspirations, Local Implementation Wendy Woodland, Dr Alan Terry, Dr Jennifer Hill, 2012-11-28 Using case studies from Africa South America Asia and the Caribbean this book examines the progress made in uniting national aspirations of sustainable development strategies with their local implementation Comparing the situation on the ground with formal national environmental action plans the book compares progress or the lack of progress between different sectors cultures regions and resources throughout the developing world It examines whether local knowledge and actions are undermining national aspirations or whether they are being ignored at the national level with detrimental consequences to sustainable

development The measurement of sustainable development the role of formal and informal education in sustainable development and the significance of diverse voices in the practice of sustainable development are considered The book draws lessons from those cases which appear to be experiencing positive moves towards sustainability and examines whether common frameworks exist which suggest that good practice may be transferable from one milieu to another Beyond the Comparative John C. Weidman, W. James Jacob, 2012-01-01 We are pleased to introduce this inaugural volume in the PSCIE Series Beyond the Comparative Advancing Theory and Its Application to Practice which expands on the life work of University of Pittsburgh Professor Rolland G Paulston 1929 2006 Recognized as a stalwart in the field of comparative and international education Paulston s most widely recognized contribution is in social cartography He demonstrated that mapping comparative international and development education CIDE is no easy task and depending on the perspective of the mapper there may be multiple cartographies to chart The 35 contributors to this volume representing a range of senior and junior scholars from various CIDE backgrounds and perspectives celebrate the life and work of Paulston by addressing issues perspectives and approaches related to charting the future course of the field The volume reports on new research in several genres as well as conceptual analysis As the title suggests authors were encouraged to go beyond established canons of CIDE The cover art The CIDE Theoretical Compass was conceptualized by the editors and depicts that theory selection and theory generation are an ongoing and important process in comparative international and development education CIDE The image was designed by artist Natalie Jacob which positions the CIDE Theoretical Compass over Rolland G Paulston s 1993 concentric circle map **Globalism** Manfred B. Steger, 2002 Globalism The New Market Ideology rejects the notion that we find ourselves at the end of ideology and that democracy has won Instead Steger argues that the opening decade of the 21st century will constitute a teeming battlefield of clashing ideologies The chief protagonist is the dominant neoliberal market ideology Steger calls globalism After identifying and evaluating the five central claims of globalism including assertions that globalization is inevitable nobody is in charge of globalization and globalization benefits everyone Steger offers an overview of the counterclaims made by anti globalist forces Visit our website for sample chapters
