Globalizing Rights The Oxford Amnesty Lectures 1999:

Globalizing Rights Matthew J. Gibney, 2003 Contents **A History of Fair Trade in Contemporary Britain** Matthew Anderson, 2015-09-06 This book offers an original contribution to the empirical knowledge of the development of Fair Trade that goes beyond the anecdotal accounts to challenge and analyse the trading practices that shaped the Fair Trade model Fair Trade represented a new approach to global trade corporate social responsibility and consumer politics

Transnational Legal Processes Michael Likosky, 2002-04 This work comprises 24 linked essays by leading transatlantic scholars in international law and the social sciences examining the sociolegal aspects of multi jurisdictional legal techniques and trans jurisdictional social phenomena The contributors bring a range of disciplinary expertises including anthropology economics law and sociology to bear on key questions raised by transnational legal processes The pieces explore legal developments in multiple territories including Africa Asia Latin America and the United States The volume is designed as a general reader for courses on law and globalisation and related studies The collection is made up of four parts each addressing a central theme in transnational law and legal action law making and compliance human rights commerce and governance The essays discuss such diverse problems as the role of foreign actors in the ethnic conflicts of Kosovo and Rwanda the power the United States and the UK wield over international capital markets and the adaptability of existing public international law to deal with the challenges wrought by globalisation **Common Good Politics** Colin

Tyler, 2016-11-04 This book examines the British tradition of common good politics both historically and in the contemporary world We live in a time when many anti Conservative parties and voters feel a profound sense of crisis and disorientation over political principles and policy directions As a result many people are turning to common good politics as an alternative to state centred socialism and laissez faire individualism Colin Tyler explores the practical and intellectual history of the British idealist tradition which flourished from the 1870s to the 1920s before applying the principles of common good politics to contemporary issues These issues include the positive roles that can be played by conflict within democratic societies the radical demands of social justice in a diverse world the continuing influence of Bush's war on terror international society and free speech under Tony Blair and David Cameron and the relationships between economic migration social justice and the common good The book will appeal particularly to students and scholars interested in British politics internationalism and political theory Law, Security and Migration Laura Planas Gifra, 2024-09-09 This book analyzes the impact of the

increasing securitization of migration within the international legal and political order Migration has increasingly become a security issue Examining this tendency towards the securitization of migration around the world this book argues that it is indicative of a shift in the international order towards geopolitical and security strategies and away from cooperation and multilateralism States are now more inclined to produce national legislation in the fields of countering terrorism migration and security than dealing with such global issues through international cooperation and international norm making As such

this book demonstrates they tend to prioritize national rather than international interests in a radical shift away from the universal rights and liberal values that were dominant at the end of the 20th century to a model based on geopolitical interests The securitization of migration is a process that not only affects the rights of migrants but ushers in a new international legal and political order This book will be of considerable interest to scholars and professionals in the fields of international law international relations migration security and human rights

Monsters and Their Meanings in Early Modern Culture Wes Williams,2011-05-26 Wes Williams explores the place of monsters in the early modern imagination charting the migration of the monstrous from natural history to moral philosophy from descriptions of creatures found in the external world to the drama of human motivation of sexual and political identity At its centre are readings of major works of French literature

Unquiet Things Colin Jager,2015 In Great Britain during the Romantic period governmental and social structures were becoming more secular as religion was privatized and depoliticized If the discretionary nature of religious practice permitted spiritual freedom and social differentiation however secular arrangements produced new anxieties Unquiet Things investigates the social and political disorders that arise within modern secular cultures and their expression in works by Jane Austen Horace Walpole Samuel Taylor Coleridge Lord Byron and Percy Shelley among others Emphasizing secularism rather than religion as its primary analytic category Unquiet Things demonstrates that literary writing possesses a distinctive ability to register the discontent that characterizes the mood of secular modernity Colin Jager places Romantic era writers within the context of a longer series of transformations begun in the Reformation and identifies three ways in which romanticism and secularism interact the melancholic mood brought on by movements of reform the minoritizing capacity of literature to measure the disturbances produced by new arrangements of state power and a prospective romantic thinking Jager calls after the secular The poems novels and letters of the romantic period reveal uneasy traces of the spiritual past haunted by elements that trouble secular politics at the same time they imagine new and more equitable possibilities for the future In the twenty first century Jager contends we are still living within the terms of the romantic response to secularism when literature and philosophy first took account of the consequences of modernity

Gender and Justice in Multicultural Liberal States Monique Deveaux,2006-11-30 This book offers a persuasive new argument for reconciling the tensions that arise when liberal democratic states try to protect two important kinds of equality sexual equality and cultural equality

Values Education and Lifelong Learning David N. Aspin,Judith D. Chapman,2007-08-17 The aim of this book is to provide an easily accessible practical yet scholarly source of information about the international concern for the nature theory and practices of the ideas of values education and lifelong learning Each chapter in this book is written in an accessible style by an international expert in the field The book tackles the task of identifying analyzing and addressing the key problems topics and issues relevant to education and Lifelong Learning

Developing Communities 6e Susan Kenny,Tammy Hand,2022-10-27 The bestselling Developing Communities provides a comprehensive introduction to the

theory processes and practices of community development It offers insights into the challenges of this demanding field and considers the ways in which it can empower citizens This sixth edition aims to expand on community development values community development in Aboriginal and Torres Strait Islander communities factors impacting community development now and future challenges The visually appealing layout combines with student friendly language and numerous local case studies to keep students engaged Instructor resources include a NEW instructor guide revision questions and revised PowerPoint presentations

Secrecy and Publicity in Votes and Debates Jon Elster, 2015-06-26 In the spirit of Jeremy Bentham's Political Tactics this volume offers the first comprehensive discussion of the effects of secrecy and publicity on debates and votes in committees and assemblies The contributors sociologists political scientists historians and legal scholars consider the micro technology of voting the devil is in the detail the historical relations between the secret ballot and universal suffrage the use and abolition of secret voting in parliamentary decisions and the sometimes perverse effects of the drive for greater openness and transparency in public affairs The authors also discuss the normative questions of secret versus public voting in national elections and of optimal mixes of secrecy and publicity as well as the opportunities for strategic behavior created by different voting systems Together with two previous volumes on Collective Wisdom Cambridge 2012 and Majority Decisions Cambridge 2014 the book sets a new standard for interdisciplinary work on collective decision making

Kwame Anthony Appiah Christopher J. Lee, 2021-05-23 This clear and engaging introduction is the first book to assess the ideas of Kwame Anthony Appiah the Ghanaian British philosopher who is a leading public intellectual today The book focuses on the theme of identity and is structured around five main topics corresponding to the subjects of his major works race culture liberalism cosmopolitanism and moral revolutions This helpful book Teaches students about the sources opportunities and dilemmas of personal and social identity whether on the basis of race gender sexuality or class among others in the purview of Appiah Locates Appiah within a broader tradition of intellectual engagement with these issues involving such thinkers as W E B Du Bois John Stuart Mill and Martha Nussbaum and thus how Appiah is both an inheritor and innovator of preceding ideas Seeks to inspire students on how to approach and negotiate identity politics in the present This book ultimately imparts a more diverse and wider reaching geographic sense of philosophy through the lens of Appiah and his intellectual contributions as well as emphasizing the continuing social relevance of philosophy and critical theory more generally to everyday life today

Contemporary Feminisms in Social Work Practice Sarah Wendt, Nicole Moulding, 2016-01-29 Contemporary Feminisms in Social Work Practice explores feminism as core to social work knowledge practice and ethics It demonstrates how gender neutral perspectives and practices obscure gender discourses and power relations It also shows feminist social work practice can transform areas of social work not specifically concerned with gender through its emphasis on relationships and power Within and outside feminism there is a growing assumption that equality has been won and is readily available to all women However women continue to dominate the ranks of the poor in

developed and developing countries around the world male perpetrated violence against women and children has not reduced women outnumber men by up to three to one in the diagnosis of common mental health problems and women continue to be severely underrepresented in every realm of power decision making and wealth This worrying context draws attention to the ways gender relations structure most of the problems faced by the women men and children in the day to day worlds in which social work operates Drawing together key contemporary thinking about feminism and its place in social work this international collection looks at both core curriculum areas taught in social work programs and a wide range of practice fields that involve key challenges and opportunities for future feminist social work This book is suitable for all social work students and academics It examines the nuanced nature of power relationships in the everyday and areas such as working with cross cultural communities mental health interpersonal violence and abuse homelessness child protection ageing disability and sexuality

On Liberty and Peace - Part 2: Peace Matt Edge, 2016-08-08 The author writes In this project I set out to provide an answer to two fundamental questions of political philosophy How can human beings living as we do now in a globalised world live together in conditions of co operation over time enjoying what Immanuel Kant famously called perpetual peace And how much individual freedom can we expect to enjoy and to what degree can we expect that individual freedom to be equal whilst engaged in the enterprise described by the first question These may be age old questions but I aim in this project to offer a new approach to answering them In part two of this project I aim to actually provide my own answer to the two fundamental questions with which I began and according to the structure I outline in Liberty Which is to say this is the answer I provide to you and everyone else to judge regarding how successfully it answers those age old political questions In short I argue that these are the changes in actual material human conditions the necessary set of alterable human practices to borrow a phrase of Isaiah Berlin s required to create an enduring desirable and just perpetual peace on earth In other words this is not in Kant s phrase a philosophical sketch on how perpetual peace might be attained but by focusing on the everyday material relationships and conditions which create and foster conflict and injustice across the globe today I hope to provide a material sketch as to how human beings might live in successfully together in conditions of peaceful cooperation and freedom over time

Displacement, Memory, and Travel in Contemporary Migrant Writing Jopi Nyman, 2017-04-18 Displacement Memory and Travel in Contemporary Migrant Writing examines contemporary cultural representations of transforming identities in the era of increasing global mobility It pays particular attention to the ways in which cultural encounters are experienced affectively and discursively in migrant literature Divided into three parts that deal with refugee writing and displacement migration and memory and new European identities the volume develops current methodologies and shows how postcolonial studies can be applied to the study of cultural encounters Writers studied include Sim o Kikamba Ishmael Beah Madhur Jaffrey Diana Abu Jaber Abdulrazak Gurnah Caryl Phillips Jamal Mahjoub and Monica Ali and several refugee writers

Polygamy, Policy and Postcolonialism in

English Marriage Law Zainab Batul Naqvi, 2023-01-25 Slaves mistresses concubines the English courts have used these terms to describe polygamous wives in the past but are they still seen this way today Using a critical postcolonial feminist lens this book provides a contextualized exploration of English legal responses to polygamy Through the legacies of British imperialism the book shows how attitudes to polygamy are shaped by indifference and hostility towards its participants This goes beyond the law as shown by the stories of women shared throughout the book negotiating their identities and relationships in the UK today Through its analysis the book demonstrates how polygamy and polygamous wives are subjected to imperialist and orientalist discourses which dehumanise them for practising a relationship that has existed for millennia

Between a Past and Present Consciousness Christopher A. Williams, 2019-07-08 In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone purer age can patently modern identities indefinitely sustain their messages of inclusion and equality This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized multicultural age The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race and class Despite this the native Caymanian people were able to successfully jettison their race thinking and in so doing began to see themselves as members of a singular nationality This notion of national and cultural solidarity as this book details has become a vexing issue and is now being duly tested given the astonishing numbers of immigrants in Cayman many of whom are keen to become Caymanians themselves **High**

Modernism Joshua Kavaloski, 2014 A provocative new study that identifies a deep structure that of the political body in Frost's poetry A Short History of Western Ideology Rolf Petri, 2018-02-22 We are arguably living in a postideological era

However when we tune into the TV news we can hear political leaders talk about advanced societies geopolitical experts suggest humanitarian interventions and sober events presenters qualify a murder as barbaric What does this mean In this comprehensive book Rolf Petri reveals how our everyday political language is full of ideological representations of the world and places them in an accessible historical narration From the secularization of Europe and the Enlightenment project of civilization to the contemporary preoccupation with ecological catastrophes or the end of history *A Short History of Western Ideology* carves out the central elements of western ideology It focuses on a wide variety of issues including religion colonialism race and gender which are essential for how we conceive of the modern world By creating an awareness of the ideological character of the western worldview its limits and its flaws this book warns us of the dangers that derive from a self righteous mindset It is stimulating and important reading for history and politics students seeking to understand the ideology of the western world **Tax Policy, Women and the Law** Ann Mumford, 2010-11-04 Tax policy frequently targets

the choices that women face in many aspects of their lives Decisions regarding working away from home having children marrying registering a partnership or cohabiting with a partner all entail tax consequences The end of the twentieth century

saw progress in women's legal and social equality but many governments began to increase their reliance on the tax system as a means of influencing the choices that women make. The juxtaposition of this instrumentalist deployment of tax with persisting economic inequality for women is the starting point for this book. Employing a range of theoretical approaches and grounding its investigations in sociological theory and cultural philosophy, it provides the foundation for a comparative contextual consideration of the issues that arise at the intersection of women's tax policy and the law.

Globalizing Rights The Oxford Amnesty Lectures 1999 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Globalizing Rights The Oxford Amnesty Lectures 1999 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Globalizing Rights The Oxford Amnesty Lectures 1999 has opened up a world of possibilities.

Downloading Globalizing Rights The Oxford Amnesty Lectures 1999 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Globalizing Rights The Oxford Amnesty Lectures 1999 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Globalizing Rights The Oxford Amnesty Lectures 1999. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Globalizing Rights The Oxford Amnesty Lectures 1999. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Globalizing Rights The Oxford Amnesty Lectures 1999, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Globalizing Rights The Oxford Amnesty Lectures 1999 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Globalizing Rights The Oxford Amnesty Lectures 1999 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Globalizing Rights The Oxford Amnesty Lectures 1999 is one of the best book in our library for free trial. We provide copy of Globalizing Rights The Oxford Amnesty Lectures 1999 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Globalizing Rights The Oxford Amnesty Lectures 1999. Where to download Globalizing Rights The Oxford Amnesty Lectures 1999 online for free? Are you looking for Globalizing Rights The Oxford Amnesty Lectures 1999 PDF? This is definitely going to save you time and cash in something you should think about.
