Glorious Appearing The End Of Days:

Glorious Appearing Tim LaHaye, Jerry B. Jenkins, 2011-03-16 Thousands of years of human history stained by strife death and sin come to an end when the King of Glory returns to earth The satisfying conclusion of the seven years of tribulation covered by the Left Behind series portrays the return of Jesus Christ to earth in both glory and judgment at the height of the battle between the forces of evil gathered at Armageddon and the remaining Christian believers at Petra and Jerusalem A repackaged version of the twelfth book in the New York Times best selling Left Behind series Glorious Appearing Tim LaHaye, Jerry B. Jenkins, 2011 After seven years the remaining members of the Tribulation Force are gathered at Petra trying to find a way to stop Nicolae Carpathia the Antichrist and his forces while awaiting the return of Christ **Glorious Appearing** Tim F. LaHaye, Jerry B. Jenkins, 2004 **Glorious Appearing** Tim F. LaHaye, 2014-12 *The New Brothers Grimm and Their Left Behind Fairy Tales* David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil The Apocalypse Is Everywhere Anne Rehill, 2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them *The Apocalypse Is Everywhere A Popular History of America s Favorite Nightmare* explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes **Except the Lord Build the House** Norman

Eberly,2019-05-08 At the turn of this century Tim Lahaye and Jerry Jenkins published their famous Left Behind series with the underlying plot that Jesus would abruptly appear in the sky and rapture catch away His church just prior to the worldwide Tribulation Throughout this seven year period of Tribulation the main characters who are left behind find themselves in a survival struggle under the hideous rule of the Antichrist as they earnestly await another appearance of Jesus at the end of the Tribulation clinging to the hope that they will get another chance to be saved This fictitious story is based on the predominant prophetic teachings that have been widely accepted as orthodoxy among many non Catholic denominations But just how accurate are these conclusions when measured up to the Word of God What does the Bible really say about the Rapture and the return of our Lord and Savior Jesus Christ In Except the Lord Build the House author Norm Eberly constructs a doctrinal house from the ground up using the literal renderings of various passages from the Bible as a foundation Throughout its pages the reader is urged not to apply mystical interpretations to Biblical prophecies but rather to simply read the Word of God at face value in order to arrive at sound logical conclusions Later in the book numerous prophetic interpretations are introduced for the reader to ponder but only after a firm foundation that is based on the literal wordings of the Holy Scriptures has been established Written for scholars students and novice Bible readers alike and with over 100 colorful charts and illustrations this book offers a fresh approach to the study of Biblical prophecies for the endtime and presents a bold challenge to the status quo of popular Evangelical teachings concerning the Rapture and the Lord s imminent return

The Regime Tim LaHaye,Jerry B. Jenkins,2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia s sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever

The End Times and Beyond L. Doug Harberson,2022-11-03 I was asked recently why I decided to write this book when there are numerous famous authors on the subject The question took me by surprise but as I pondered my reasons my response was two fold I wanted to write a book that the general public lay persons could read with a high degree

of comprehension using word structure that is common in everyday language I wanted the book to lend itself to being used as the material for a detailed Bible study on the end times I am currently working on a journal to complement the book As the reader works through the chapters of this book he she will discover how Daniel s prophecies predict the seven years of Tribulation These prophecies serve as the backbone of this book why Christ chose the seven churches in chapters 2 and 3 details about the rapture when it will occur who is involved Don t be left behind details of the Judgment Seat of Christ details of the Four Horsemen of the Apocalypse description of the Seven Seals Seven Trumpets and Seven Bowls when they occur their devastation and purpose the Antichrist discussed in detail details about the great revival during the first months of Tribulation who the two witnesses are and their purpose during the first half of Tribulation details regarding the Marriage Supper of the Lamb fascinating details of the Glorious Appearing and Armageddon surprising revelations about Satan details of the Judgment of the Sheep and Goats and the Great White Throne Judgment fascinating details about the Millennial Reign of Christ how many Books of Life exist Are there more than one a full discussion of the New Heaven and New Earth the author s time line of events that happened during the seven year Tribulation Period and beyond

The Last Days of Dispensationalism Alistair W. Donaldson, 2010-10-28 How we understand God s future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey s *The Late Great Planet Earth* have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God s end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled *The Last Days of Dispensationalism* carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible s grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present

His Glorious Appearing, 1912 *The End of the World as You Know It* Matthew L. Halsted, 2024-02-07 Thinking about the end times isn t supposed to terrify you Christians rightly turn to the Bible to make sense of our times But so often we get the wrong answers because we ask the wrong questions In *The End of the World as You Know It* Matthew L. Halsted challenges common end times assumptions and points us back to Scripture Each chapter reevaluates a popular question in light of the Bible s own concerns Will Christians be raptured What is the mark of the beast When we let Scripture direct our questions we get better and more hopeful answers The Bible was written for us but not to us We must bridge the gap between Scripture s ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God s word brings peace not fear and confusion

Gothicka Victoria Nelson, 2012-04-23 The Gothic has taken a revolutionary turn in this century Today s Gothic has

fashioned its monsters and devils into heroes and angels and is actively reviving supernaturalism in popular culture Nelson argues that this mainstreaming of a spiritually driven supernaturalism is a harbinger of what a post Christian religion in America might look like *Faith and Fiction* Anita Gandolfo,2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s *The Da Vinci Code* The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives *Faith and Fiction* examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available *Apocalypse Burning* Mel Odom,2011-05-27 Danger and personal crisis on land sea and in the air combine with a level of spiritual warfare that is unparalleled in a Christian book *Apocalypse Burning* is a page turning thriller that runs side by side with the phenomenal *Left Behind* series which has sold in excess of 60 million copies First Sergeant Samuel Adams Goose Gander is on the front lines fighting a battle against superior forces Goose s wife Megan is fighting for her freedom in a court case where all the facts seem stacked against her Meanwhile Chaplain Delroy Harte believes that the

Rapture may have happened but can't be sure until he has dealt with the demons of his past. Stunning action and technical accuracy ensure this series will satisfy the fans of the original Left Behind series who are looking for more. *Kingdom Come* Tim LaHaye, Jerry B. Jenkins, 2012-12-21 The sequel to the best selling Christian fiction series that has sold over 63 million copies. Reunite with all your favorite characters and see how they fare in this capstone final title of the Left Behind saga. The horrors of the Tribulation are over and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself, sparking the final and ultimate conflict from which only one side will emerge: the eternal victor.

Understanding the Book of Revelation Ira Milligan, 2023-03-13 Understanding the Book of Revelation. There is no other book in the Bible that has captured the interest and imagination of God's saints like John's Revelation. Also, there is no other book that promises a special blessing upon those who read and keep its word, but therein lies the rub: very few understand its structure and symbolism, so many are unable to heed its instructions. This book will guide the reader through Revelation's intriguing interwoven end-time mysteries and show the victorious conquering Christ that it reveals. 2
