This issue of The Ministry of the Word contains a complete record of the six messages given during the Memorial Day weekend conference held on May 23 26 2008 in Dallas Texas The general subject of the conference was entitled Experiencing and Enjoying Christ to Abound in the Work of Christ according to His Full Ministry of Three Stages Incarnation Inclusion and Intensification The main burden of the conference can be summarized by the following four statements 1 We need to experience and enjoy Christ to abound in the work of Christ according to His full ministry of three stages incarnation inclusion and intensification 2 The seven Spirits as the seven eyes of Christ the Lamb infuse all that the Lamb is into our being so that we may be transformed into His image for God s building 3 Christ as the sevenfold intensified Spirit is working to produce the overcomers by bringing them out of the degradation of the church back to the enjoyment of Himself for the finalization of God s New Testament economy 4 Under the burning of the seven Spirits as the seven lamps of fire the churches as golden lampstands will consummate in the New Jerusalem as the universal eternal golden lampstand Last of all we include a report concerning recent conferences in Armenia and Georgia      *Tarbell's Teacher's Guide to the International Sunday-school Lessons for 1912, 1914* Martha Tarbell, 1913      **Gregory the Great** John Moorhead, 2005-02-23 Gregory s life culminated in his holding the office of pope 590 604 He is generally regarded as one of the outstanding figures in the long line of popes and by the late ninth century had come to be known as the Great Along with Ambrose Jerome and Augustine he played a critical role in the history of his time while during the middle ages his intellectual influence was second only to that of Augustine This volume provides a biographical and intellectual context to Gregory the Great and new translations of his most influential writings      *A Practical Commentary on Holy Scripture* Friedrich Justus Knecht, 1910

adopted throughout After giving the text in translation along with textual notes as footnotes three different kinds of commentary are presented EXEGETICAL AND CRITICAL DOCTRINAL AND ETHICAL HOMILETICAL AND PRACTICAL This gives you three times the value For each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary For detailed analysis go to the exegetical critical notes for sermon ideas and pastoral insights select the Homiletical notes *The Guardian* ,1877 **Doctrinal and Scriptural Catechism; Or, Instructions on the Principal Truths of the Christian Religion ... Translated ... by Mrs. J. Sadlier** Pierre COLLOT (Docteur de Sorbonne.),1858 **The Ministry, Vol. 02, No. 06** Various Authors,1998-06-01 In this issue of The Ministry we include the third of a series of messages which Brother Lee spoke concerning migration in Los Angeles in 1969 The purpose goal and aim of our migrations is to spread the Lord s recovery in a full way with all the items and all the aspects of what Christ is to His Body The Lord s recovery has advanced item by item since before the time of Martin Luther Now today the last item of God s recovery is the church life The church life is the completion of His recovery When we migrate out we must take the proper ground the proper standing of the church to represent the church life in an all inclusive way If we are clear about this when we go out we will know how to go where to stand and what we must do The next six messages in this issue are from the International Conference of Co workers and Elders in Taipei Taiwan in April and May of 1998 The subject of this conference was Being Constituted with and Propagating the Divine Revelation in the Lord s Recovery We must be constituted with the divine revelation in the Lord s recovery concerning God s New Testament economy and we must live the God man life and practice the vital groups Then we will propagate and spread the divine riches to the uttermost parts of the earth for the increase and building up of the Body of Christ consummating in the New Jerusalem We also include several reports on the current moves of the ministry The first report recounts the history and nature of the blending fellowship of the co workers as they became clear regarding how to carry out the current migrations in the Lord s recovery according to His organic move The second report is an account of the International Conference of Co workers and Elders the International Blending Conference the gospel march and the visitation for blending in Taipei Taiwan in April and May of 1998 The third report testifies of the oneness of the churches in the Lord s recovery in the successful purchase of a campus for the spread of the work of God s New Testament ministry A fourth report gives some important details concerning the preparation of the Russian Recovery Version as it enters its final stages before printing Lastly an encouraging letter from Timisoara Romania details the progress of the spread of the literature of the ministry in that country [The Works of the Rev.
