Williams, 2018-06-30 Apophatic theology or negative theology attempts to describe God the Divine Good by negation to speak only in terms of what may not be said about the perfect goodness that is God It is a way of coming to an understanding of who God is which has played a significant role across centuries of Christian tradition but is very often treated with suspicion by those engaging in theological study today Seeking the God Beyond explores the difference a negative theological approach might make to our faith and practice and offers an introduction to this oft misunderstood form of spirituality Beginning by placing apophatic spirituality within its biblical roots the book later considers the key pioneers of apophatic faith and a diverse range of thinkers including CS Lewis and Keats to inform us in our negative theological journey

Contemporary culture has become so antagonistic to Christian beliefs and values that it has put many Christians on the defensive. This isn't good, it isn't necessary, and it isn't right. Christianity is good news, enduring in its truths and applicable to all persons in all places at all times. We Christians never need to feel defensive about what we believe. Christ is God's unique revelation in history, and the Christian message is life-giving. God has given us so many great promises in his word that reinforce the timeless vitality and applicability of the Christian message: promises that prosper the soul. This book is all about these great promises offered in daily devotional form and complete with a brief prayer. Christians survive and thrive on God's promises. They're the spiritual air we breathe. Believing and trusting in God's promises will make us spiritually healthy, and if you will, prosperous. *Changed into His Likeness* J. Gary Millar, 2021-06-29. When it comes to the Christian life, what exactly can we expect with regard to personal transformation? In this NSBT volume, Gary Millar explores the nature of gospel-shaped change, focusing on life in the middle between the change that is brought about when we become Christians and the final change in which we will be raised with Christ. **The Incarnate Word** Bernard Lonergan, 2016-01-01. The papers deal with scientific, mathematical, theological, and philosophical questions, including discussions of such topics as the proper foundation of metaphysics, the form of inference, the nature of love and marriage, and the role of the university in the modern world. **Jesus Christ** Raniero Cantalamessa, 2018-06-26. Jesus Christ, The Holy One of God, is a series of meditations on Christ; two are devoted to the humanity of Christ, two to his divinity, and two to his unity of person. Father Cantalamessa concludes with a critical evaluation of the theses recently advanced in certain so-called new Christologies. *PAROUSIA* DENNIS McCONAUGHY, 2013-12-07. Are you prepared for the next life? What must we do to be prepared in our life here on earth? What is the Rapture Doctrine? Our attitude concerning God's will to use our life as a living example. Attitudes and consequences of the period of time prior to the Second Coming. State of the country in the present day prior to Christ's Second Coming. God's Revelation according to God's scriptures. Rapture Doctrine. The 1000 Year Reign in more depth. Study History of the Church as we read about it in the Bible and the destruction of Jerusalem. Christ will come by surprise with no warning.
