Historical Dictionary of the Friends (Quakers) Margery Post Abbott, Mary Ellen Chijioke, Pink Dandelion, John William Oliver, 2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Encounter with the Creator Gayle A. Goree, 2004-02 One day as you're traveling down your life's road you'll encounter your Creator Chances are you have already encountered Him possibly many times but did not realize it Or maybe you did realize it and chose to turn the other way But this time He will get your attention You will hear Him calling you You will feel the cry of your soul in response And you will recognize the pull of God consciousness on your self consciousness What do you do Since everybody is different your encounter with the Creator will be orchestrated especially for you But at the same time everybody's life experiences will follow the same model

Encounter proposes that how you interpret your experiences in life determines to a large degree whether or not you will see God's model of the perfected man in yourself. Once you meet Him, God is easy to fall in love with. The hard part is being remade in His likeness. Encounter describes this make-over transformation process so you will be able to follow it in your own life. The author suggests new ways of considering and understanding past and current events and explains the forces at work and play within the human psyche. To help you through this trying and sometimes painful process, the Creator has given you a two-edged Sword of Forgiveness and Faith to release you from guilt and fear; Gloves of Compassion and Gratitude to resolve painful memories; and a Plow of Wisdom and Discernment to uproot misconceptions and allow the seed of truth to take hold in your heart and mind. Encounter describes the function of each in detail and provides easy-to-follow instructions for their use. The Creator is the guiding force behind the transformation process. He created Universal Law to guide you and Divine Love to empower you. Your part is to love Him with all your heart and walk in His way. This means gradually relinquishing your Free Will and surrendering to God's Will, not an easy task for the only creature on Earth with the power to say No to God. Indeed, free will is powerful, but as argued in Encounter, free will is not free; we pay dearly for it. Encounter introduces man's Lower Self and Higher Self, describes the beauty of Universal Law, talks about man's God qualities, his childlike nature, his innocence, and his reason for being here. The book states that we can all have a one-on-one relationship with our Father God and reveals how you should react when you encounter your Creator. Expect some surprises along the way.

How are Masons initiated, and exactly what goes on in a Masonic lodge? What's the difference between the York Rite and the Scottish Rite, and are there women and African American Freemasons?
