Gmen The Final Strategy:

Numen, Old Men Joseph Gelfer, 2016-09-17 Since the early 1990s there have been various movements designed to encourage masculine spirituality. All these movements share a concern that spirituality has become too feminine and that men's experiences of the spiritual are being marginalized. The task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context. *Numen Old Men* examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy. The mythopoetic evangelical and Catholic men's movements are shown to promote a hetero-patriarchal spirituality by appealing to either combative and oppressive neo Jungian archetypes or biblical models of man as the leader of the family. *Numen Old Men* examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy. **Of G-Men and**

Eggheads John Rodden, 2017-01-18 Spy romances of Cold War counterespionage evoke scenes of heroic FBI and CIA agents dedicated to smashing communism and its subversive coterie of intellectual fellow travelers bent on painting the world red. John Rodden cuts this tall tale down to its authentic pint size refusing to indulge the public relations myth promoted by J. Edgar Hoover's FBI. In *Of G-Men and Eggheads* Rodden portrays federal agents' hilarious obsession with monitoring that ever-present threat to national security: the American literary intellectual. Drawing on government dossiers and archives, Rodden focuses on the onetime members of a radical political sect of ex Trotskyists barely numbering a thousand at its height: the so-called New York intellectuals. He describes the nonsensical decades-long pursuit of this group of intellectuals, especially Lionel Trilling, Dwight Macdonald, and Irving Howe. The Keystone Cops style of numerous FBI agents is documented carefully in Rodden's meticulous case studies of how Hoover's men recruited informants to snoop on the Communists, opened their personal mail, tracked their movements, and reported on their wives and friends. *Why Men Hate Going to Church* David

Murrow, 2011-10-31 Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation and explains why it's so hard to motivate the men who do go to church. Then he takes you inside several fast-growing congregations that are winning the hearts of men and boys. Church is boring. It's irrelevant. It's full of hypocrites. You've heard the excuses; now learn the real reasons men and boys are fleeing churches of every kind all over the world. Christianity is the only world religion with a chronic shortage of men. David Murrow identifies the barriers to male participation and explains why it's so hard to motivate the men who do go to church. Then he takes you inside several fast-growing congregations that are winning the hearts of men and boys. The first release of *Why Men Hate Going to Church* sold more than 125,000 copies and was published in multiple languages. This edition is completely revised, reorganized, and rewritten with more than 70 percent new content. *Why Men Hate Going to Church* does not call men back to church; it calls the church back to men. **Global Oncology: Disparities, Outcomes and Innovations Around the Globe, An Issue of**
