The answers to these questions and more are brought to light by author and spiritual teacher Sylvia Browne. She once again shares her psychic gifts and years of research in order to enlighten us and give us more insights into God and the realities of life. She outlines the structural levels of Creation of not only life as we know it but the reality of the afterlife and the heretofore unexplored structure of the Lower Levels of Creation. From the beautiful and perfect life of the Other Side to the wondrous weird and strange Lower Levels to the everyday intricacies of life on this planet, Sylvia takes us on another journey of exploration and truth.
