**Bruce W. Longenecker**

## **Gnosticism And Christianity In Roman And Coptic Egypt:**

Gnosticism and Christianity in Roman and Coptic Egypt Birger Albert Pearson, 2004-01-01 This book provides significant insights into the rise of early Christianity in Egypt and its impact on Christianity in Palestine *Gnosticism, Judaism, and Egyptian Christianity* Birger A. Pearson, In this important contribution to the scholarly study of Egyptian Gnosticism Pearson situates Gnosticism in its historical context and describes its manifold relationships to Judaism early Christianity and ancient Platonism Birger Pearson gives special attention to the controversial issue of the impact of Gnosticism on early Egyptian Christianity up to the Muslim conquest of the seventh century Pearson is one of the most thorough and perceptive scholars in Gnostics studies today The topics he deals with here are current and important and no doubt will remain so for some time This volume is a must for everyone in the field Douglas M Parrott University of California Riverside Uniformly excellent contributions on the subject Students and teachers will benefit from Pearson's insightful and creative observations Marvin Meyer Chapman College

**Gnostic Religion in Antiquity** R. van den Broek, 2013-01-24 An examination of Gnostic religion in Late Antiquity within its historical and religious context using Greek Latin and Coptic sources

**The World of Early Egyptian Christianity: Language, Literature, and Social Context (CUA Studies in Early Christianity)** World of Early Egyptian Christianity: Language, Literature, and Social Context D. W Johnson, 2007-04 With increasing interest in early Egyptian Coptic Christianity this volume offers an important collection of essays about Coptic language literature and social history by the very finest authors in the field The essays explore a wide range of topics and offer much to the advancement of Coptic studies

**Orthodoxy and Heresy in Early Christian Contexts** Paul A. Hartog, 2015-01-30 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors re wrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer's influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer's critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence With contributions from Rodney Decker Carl Smith William Varner Rex Butler Bryan Litfin Brian Shelton David Alexander Edward Smither Glen Thompson

*The Cross Before Constantine* Bruce W.

Longenecker,2015 Upending a longstanding consensus Bruce W Longenecker presents a wide variety of material artifacts to illustrate that Christians made use of the cross as a visual symbol of their faith long before Constantine appropriated it to consolidate his power in the fourth century Constantine did not invent the cross as a symbol of Christian faith for an impressive number of Christians before Constantines reign the cross served as a visual symbol of commitment to a living deity in a dangerous world      Shaman and Sage Michael Horton,2024-05-28 The first volume of Michael Horton s magisterial intellectual history of spiritual but not religious as a phenomenon in Western culture Discussions of the rapidly increasing number of people identifying as spiritual but not religious tend to focus on the past century But the SBNR phenomenon and the values that underlie it may be older than Christianity itself Michael Horton reveals that the hallmarks of modern spirituality autonomy individualism utopianism and more have their foundations in Greek philosophical religion Horton makes the case that the development of the shaman figure in the Axial Age particularly its iteration among Orphists represented a divine self One must realize the divinity within the self to break free from physicality and become one with a panentheistic unity Time and time again this tradition of divinity hiding in nature has arisen as an alternative to monotheistic submission to a god who intervenes in creation This first volume traces the development of a utopian view of the human individual a divine soul longing to break free from all limits of body history and the social and natural world When the second and third volumes are complete students and scholars will consult *The Divine Self* as the authoritative guide to the spiritual but not religious tendency as a recurring theme in Western culture from antiquity to the present      **The Gospel of Judas ; Together with the Letter of Peter to Philip, James, and a Book of Allogenes from Codex Tchacos** Rodolphe Kasser,Gregor Wurst,2007 Sheds new light on the ancient world and the beginnings of Christianity Featuring full color photographs of the original papyrus pages alongside the Coptic text and its English translation this book provides a mystical gnostic picture of Jesus from publisher description      *Telling the Christian Story Differently* Francis Watson,Sarah Parkhouse,2020-06-25 This volume examines the counter narratives of the core Christian story proposed by texts from Nag Hammadi and elsewhere A noteworthy body of highly respected scholars examine material that is sometimes difficult and often overlooked contributing to the ongoing effort to integrate Nag Hammadi and related literature into the mainstream of New Testament and early Christian studies By retracing the major elements of the Christian story in sequence they are able to discuss how and why each aspect was disputed on inner Christian grounds and to reflect on the different accounts of Christian identity underlying these disputes Together the essays in this book address a central issue towards the end of the second century Irenaeus could claim that the overwhelming majority of Christians throughout the world were agreed on a version of the core Christian story which is still recognisable today Yet as Irenaeus concedes and as the Nag Hammadi texts have confirmed there were many who wished to tell the core Christian story differently Those who criticized and rejected the standard story did so not because they were adherents of another religion Gnosticism but because they were Christians who

believed that the standard account was wrong at point after point Ranging from the Gospels of Judas and Mary to Galatians and Ptolemy's Letter to Flora this volume provides a fascinating analysis of how the Christian story as we know it today developed against counter readings from other early Christian traditions

**The Cambridge History of Philosophy in Late Antiquity** Lloyd P. Gerson, 2015-12-10 The Cambridge History of Philosophy in Late Antiquity comprises over forty specially commissioned essays by experts on the philosophy of the period 200-800 CE Designed as a successor to The Cambridge History of Later Greek and Early Medieval Philosophy edited by A H Armstrong it takes into account some forty years of scholarship since the publication of that volume The contributors examine philosophy as it entered literature, science and religion and offer new and extensive assessments of philosophers who until recently have been mostly ignored The volume also includes a complete digest of all philosophical works known to have been written during this period It will be an invaluable resource for all those interested in this rich and still emerging field

**Christianity at the Crossroads** Michael J. Kruger, 2018-03-06 Christianity in the twenty-first century is a global phenomenon But in the second century its future was not at all certain Michael Kruger's introductory survey examines how Christianity took root in the second century how it battled to stay true to the vision of the apostles and how it developed in ways that would shape both the church and Western culture over the next two thousand years

**The Gnostics and Their Archetypes** Diego Kurilo, Gnosis derived from the ancient Greek *gnosis* meaning knowledge or also known as gnosticism a Latinized form of *gnosticism* is a scientific religious term that encompasses various teachings and religious groups that flourished in the late 1st century and had their peak between the 2nd and 3rd centuries AD acting as precursors of later currents We could think that within these movements of connoisseurs many Christianities of a Gnostic nature perished since Christianity was born as a broad set of spiritual movements based on the life of Jesus of Nazareth The Christianity proposed by Paul of Tarsus triumphed and the Gnostic movements fell into disgrace and were considered heretical

**Philo of Alexandria and the Construction of Jewishness in Early Christian Writings** Jennifer Otto, 2018 This study investigates portrayals of the first-century philosopher and exegete Philo of Alexandria in the writings of Clement of Alexandria Origen and Eusebius

*The Use of Scripture in the Apocryphon of John* David Creech, 2017-08-01 David Creech explores at length the Apocryphon of John's ambivalent treatment of the Jewish and Christian scriptures Although Moses is explicitly corrected at five points in the text Genesis' account of creation is nonetheless the basis for the Apocryphon's cosmogony and anthropogony Its uneven treatment of the biblical text is the result of a dispute between the authors of the Apocryphon and other early Catholics At the earliest stage of the text the Christians who wrote and read the Apocryphon worshiped alongside other early Catholic Christians without any sense of contradiction or inconsistency The key shift in the Apocryphon occurred after Irenaeus of Lyons' assault on Knowledge Falsely So Called In response to his concerted effort to bring the church under the authority of early Catholic bishops the framers inserted corrections to Moses The corrections are primarily rhetorical and used to refute early Catholic

identity markers      **The Books of Jeu and the Pistis Sophia as Handbooks to Eternity** Erin Evans, 2015-08-11 Despite the surge of interest in Gnostic texts following the discovery of the Nag Hammadi library the Coptic Books of Jeu and Pistis Sophia remain understudied Often dismissed as convoluted confused and repetitious Erin Evans convincingly shows that these texts represent the writings of a distinct religious group with a consistent system of theology cosmology and ritual practice This book offers an in depth examination of these texts their relationship to other contemporary Gnostic ideas and their use in the context of a practicing religious group Three thematic sections demonstrate how the collection of texts functions as a whole covering baptisms and mystical ascent procedures guides to moral living and introductory texts and myths

**They Went Out from Us** Daniel R. Streett, 2011 Most interpreters of 1 2 3 John believe that the author's opponents called antichrists deceivers and false prophets advocated gnostic or progressive doctrines that denied or downplayed the humanity of Jesus Christ and the importance of ethical behaviour and eventually split the Johannine community Against this consensus Streett argues that the opponents are former Jewish Christians who have left the community to return to the synagogue after renouncing their belief that Jesus is the Jewish Messiah

*The Rebirth of African Orthodoxy* Thomas C. Oden, 2016-04-05 African orthodoxy today reveals the same powerful faith that was confessed by Athanasius and Augustine seventeen centuries ago Classic African Christian teaching in the patristic period 100 750 AD preceded modern colonialism by over a thousand years Many young African women and men are now reexamining these lost roots They are hungry for accurate information about their Christian ancestors Thomas C Oden asks readers to recapture the resonance of a consensual orthodoxy the harmony of voices celebrating the apostolic testimony to God's saving work in Jesus Christ witnessed to in scripture and understood best by African interpreters of the faith In ten seminars Oden invites discerning readers to reclaim and reaffirm Christian faith as it emerges from thoughtful conversations between contemporary and ancient African interpreters of orthodox faith This new book by Tom Oden is remarkable and historic His words challenge the worldwide church to return to the true fountain of living water Jesus Christ He specifically encourages us Africans to continue to seek the treasures left to us by our early church fathers and mothers in order to reshape the Christian mind now as they did in the first millennium The Most Rev Dr Mounseer Hanna Anis Archbishop of the Episcopal Anglican Diocese of Egypt with North Africa and the Horn of Africa A thought provoking book with factual evidences emphasizing the continuity of global orthodoxy that emanated in Africa and has been nurtured by Africans from the time of Mark the evangelist to the present People yearning to discover the intellectual and classical African Christian roots will find the book very helpful Thomas A Oduro President Good News Theological College Seminary Accra Ghana While Tom Oden writes about Africans for Africans *The Rebirth of African Orthodoxy* Return to Foundations is also addressed to all Christians everywhere who ask What is God doing in the world today The author proposes that the clue to what God is doing in the present is to be found in what God has done in the past for the Holy Spirit has a history Tom directs us to look to Africa

where the ancient African Christian orthodoxy is being reborn in the African church today making it a witness to the whole church everywhere Timothy W Whitaker retired bishop Florida Conference of The United Methodist Church     *Epiphanius of Cyprus* Young Richard Kim,2015-07-30 Brings a balanced perspective to a controversial scholar of heresies     *Cambridge History of Christianity: Volume 1, Origins to Constantine* Margaret M. Mitchell,Frances M. Young,K. Scott Bowie,     *Origen* Ronald E. Heine,2010-11-25 A detailed survey of the life and thought of Origen c 185 254 A D the most important Greek speaking Christian theologian and Biblical scholar in antiquity Heine considers how the two urban centers of Alexandria in Egypt and Caesarea in Palestine and their communities of faith had a discernable impact on Origen s intellectual work

This is likewise one of the factors by obtaining the soft documents of this **Gnosticism And Christianity In Roman And Coptic Egypt** by online. ### **Gnosticism And Christianity In Roman And Coptic Egypt Introduction**

In today's digital age, the availability of Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gnosticism And Christianity In Roman And Coptic Egypt versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gnosticism And Christianity In Roman And Coptic Egypt books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that

provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gnosticism And Christianity In Roman And Coptic Egypt books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gnosticism And Christianity In Roman And Coptic Egypt books and manuals for download and embark on your journey of knowledge?

### **FAQs About Gnosticism And Christianity In Roman And Coptic Egypt Books**

1. Where can I buy Gnosticism And Christianity In Roman And Coptic Egypt books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
