Go And Tell The Pharaoh The Autobiography Of Reverend Al Sharpton:

Go and Tell Pharaoh Al Sharpton, Anthony Walton, 1996 The most significant vibrant voice of the African American community Al Sharpton has generally been communicated to the masses via caricatures and stereotypes that cannot begin to truly explain the extraordinary drama of his life nor the passion and intelligence which he brings to the cause of his activism This extraordinarily powerful memoir will change many readers minds about this controversial figure 36 photos **Al Sharpton** Carl F. Horowitz, 2025-02-07 In August 2014 a white police officer acting in self defense shot to death an attacker Michael Brown a black youth in Ferguson Missouri Al Sharpton s rhetoric had much to do with the subsequent local rioting This was nothing new He had been applying his patented demagoguery to incidents with racial implications for decades in his native New York City and elsewhere under the guise of justice and civil rights His many prominent supporters have catapulted him to the apex of American life President Obama and President Biden regularly solicited his advice Major corporations continue to donate money to his nonprofit National Action Network Public sector employee unions fete him Reverend Al is more subdued and dapper than in his earlier manic days But that should not be cause for complacency His proximity to power and regular news media presence make him ever more dangerous in these increasingly radicalized times

Biblical Critical Theory Christopher Watkin,2022-11-08 With a foreword from Tim Keller A bold vision for Christians who want to engage the world in a way that is biblically faithful and culturally sensitive In *Biblical Critical Theory* Christopher Watkin shows how the Bible and its unfolding story help us make sense of modern life and culture Critical theories exist to critique what we think we know about reality and the social political and cultural structures in which we live In doing so they make visible the values and beliefs of a culture in order to scrutinize and change them *Biblical Critical Theory* exposes and evaluates the often hidden assumptions and concepts that shape late modern society examining them through the lens of the biblical story running from Genesis to Revelation and asking urgent questions like How does the Bible s storyline help us understand our society our culture and ourselves How do specific doctrines help us engage thoughtfully in the philosophical political and social questions of our day How can we analyze and critique culture and its alternative critical theories through Scripture Informed by the biblical theological structure of Saint Augustine s magisterial work *The City of God* and with extensive diagrams and practical tools *Biblical Critical Theory* shows how the patterns of the Bible s storyline can provide incisive fresh and nuanced ways of intervening in today s debates on everything from science the arts and politics to dignity multiculturalism and equality You ll learn the moves to make and the tools to use in analyzing and engaging with all sorts of cultural artifacts and events in a way that is both biblically faithful and culturally relevant It is not enough for Christians to explain the Bible to the culture or cultures in which we live We must also explain the culture in which we live within the framework and categories of the Bible revealing how the whole of the Bible sheds light on the whole of life If Christians want to speak with a fresh engaging and dynamic voice in the marketplace of ideas today we need to mine the unique treasures of the distinctive biblical storyline
