Go Up Work With God:

Serving up God Colin MacDougall, 2017-05-24 Serving Up God was born out of a revelation that God was indeed doing powerful ministry right in the middle of the everyday hustle and bustle of my humble workplace The realization that others struggled to accept the validity of Gods work in their secular work lives proved the necessity of a story style documentation of that work The simple concept of Gods desire to use every part of our lives not just on Sundays is laid out in a series of compelling stories and personal moments Each relatable story reinforces this revolutionary yet Biblical idea that we are called to do Gods work in every place What if we stop compartmentalizing our lives into secular and spiritual and just let God show up wherever he chose What if Jesus's command to go into the world and preach the gospel includes the place we spend most of our week Its a pretty safe bet that God intends us to live out the teachings of the New Testament in our workplaces and neighborhoods

My Walk with God Lois Windon, 2018-04-23 This book contains the author's true life stories with a few pictures to back them up It's also based on the King James Bible The author's life has been full of miracles since she was saved at the age of thirteen She got married at age nineteen and then had 9 babies After 42 years of marriage her husband Jim went to heaven and now she's had time to write this book that she calls My Walk with God Her hope is that you will be blessed by it and if you don't have a personal relationship with God that you will ask Him into your Life as well and begin your Walk with God May He bless you all
