God And His People From Eden To Bethlehem:

God and His People Samuel Breeland, 2004-11 We like Adam find ourselves in a world not of our own making awe stricken wondering what it's all about Surely we have an innate hunger to know our Creator For the answers we turn to the Bible as the only written word about who God is and how we relate to him *God and His People From Eden to Bethlehem* follows Old Testament events and personalities in a smooth chronological flow from the Garden of Eden to the birth of Jesus Christ in Bethlehem Omitting the poetic books the author uses key verses of Scripture mainly from The Book to develop sixty four short overlapping essays under nine natural headings to convey the unbroken journey of God's people from Adam in Eden to Jesus in Bethlehem including happenings in the Holy Land between the Old and New Testaments *How to Find God in Under Five Hours* Jill Roberts, 2020-03-17 Jill Roberts a retired trial lawyer goes from weighing evidence in the courtroom to weighing evidence regarding Christianity She has condensed decades of Bible study into a five hour read through which you will find God along with the answers to the only questions that will matter one hundred years from now After giving the backstory of why Jesus came to Earth in the first place she makes an airtight case for why this should matter to all of us If you have ever pondered the meaning of this life or that of the life to come in this book you will find God as well as the signposts that will guide you through your journey here and into an indescribably interesting and wondrous eternity *How to Find God in Under Five Hours* is a highly readable journey of the spirit a seeker's field guide to understanding Christianity In these hectic and uncertain times when we all seem too busy to even read Jill Roberts has given us a clear and concise road map to solving God's mysteries John Fusco Screenwriter of *The Shack* *Thunderheart* and *The Highwaymen* A clear and compelling retelling of how God has revealed Himself to any of us who want to find Him A journey worth taking Dr Craig Loibner who served as Pastor of Fellowship North Church for 30 years This book is a tour de force in its brilliant synthesis of the Bible and Jesus A must read for any Christ follower or anyone searching for answers to life's deepest questions Kim Tapfer co author of *I Am Transformed in Him* Jill takes us on a simple but profound journey through the story of God With every twist and turn she draws attention to His never ending grace and mercy I was reminded afresh of the unlimited forgiveness and love of a God who refuses to give up on his creation In this small book you will discover a big God who is always pursuing you Ash Meaney West L A Campus Pastor Vintage Church L A *Ezra Nehemiah Esther* John F Brug, 1985-07-01 What is the book of Ezra about Who was Nehemiah in the Bible What is the book of Esther about After 70 years of captivity in Babylon God's people returned home to Palestine The books of Ezra and Nehemiah relate the struggles God's people faced as they returned and restored their homeland The book of Esther tells of a beautiful Jewish woman who became queen of the Persian empire and then risked her life to save her people from mass genocide Want to learn more If you're wondering what the books of Ezra Nehemiah and Esther in the Bible are all about this helpful resource is for you *Ezra Nehemiah Esther* is a reliable Bible commentary It's down to earth clearly written easy to read and understand and filled

with practical and modern applications to Scripture It also includes the complete text of the books of Ezra Nehemiah and Esther from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Ezra Nehemiah Esther is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House Law and Gospel Leroy A Dobberstein,1996-07-01 The two main teachings of the Bible can be summed up in these words law and gospel But what are law and gospel Understanding the difference between what is law and what is gospel in the Bible is important Misunderstanding and confusing law and gospel lie at the root of many of the problems plaguing God s people today Law and Gospel is a solid but easy to follow presentation of these two foundational teachings in the Bible By understanding them and what they mean for you you will grow in your faith and life as a Christian and be more equipped to help others understand what law and gospel mean for them as well The Holy Land Devotional John A. Beck,2022-11-15 God has chosen to reveal himself to humankind in various ways at various times Each of these encounters occurred in real physical locations Even visions such as Jacob s ladder or John s Apocalypse came to people in a particular place Place is inextricably woven into the story of Scripture and it s one of the most meaningful ways in which we can encounter God today Linking these locations with Scripture reflection questions prayer and life changing insight drawn from more than a quarter century of leading travelers through the Holy Land John A Beck offers you a devotional like no other Illustrated with beautiful full color photos The Holy Land Devotional features the sites that Christian pilgrims most often visit allowing you to walk in the footsteps of people like Jacob Joshua Gideon Ruth David Martha Peter and of course Jesus Whether you ve been to the Holy Land are planning a trip or just want to know more about the land where Jesus walked this devotional invites you to grow closer to God as you hear him speaking in and through the Holy Land **Jesus the Seer** Ben Witherington (III),2014-10 Increasingly scholars recognize that prophetic traditions expressions and experiences stand at the heart of most religions in the ancient Mediterranean world This is no less true for the world of Judaism and Jesus Ben Witherington III offers an extensive cross cultural survey of the broader expressions of prophecy in its ancient Mediterranean context beginning with Mari moving to biblical figures not often regarded as prophets Balaam Deborah Moses and Aaron and to the apocalyptic seer in postexilic prophecy showing that no single pattern describes all prophetic figures The consequence is that different aspects of Jesus activity touch upon prophetic predecessors his miracles on Elijah and Elisha his self understanding as the Son of Man on Daniel and 1 Enoch his warnings of woe and judgment on the writing prophets in Judean tradition and his messianic entry into Jerusalem on Zechariah 9 Witherington also surveys the phenomenon of apocalyptic prophecy in early Christianity including Paul Revelation the Didache Hermas and the Montanist movement Jesus the Seer is a worthy complement to Witheringtons other volume on Jesus Jesus the Sage Fortress Press 2000 **The Presbyterian** ,1904 The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks,2016-06-01 The Hebrew Christian religion remains

the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight *Eden's Other Residents* Michael Gilmour, 2014-06-20 The Bible teems with nonhuman life from its opening pages with God s creation of animals on the same day and out of the same earth as humans to its closing apocalyptic scenes of horses riding out of the sky Animals are Adam s companions Noah s shipmates and Elijah s saviors They are at the center of ancient Israel s religious life as sacrifices and yet as Job discovers beyond human dominion It is an animal that saves Balaam from certain death by an angel s hand and an animal that carries Jesus into Jerusalem The Creator declares all of them good at the beginning and since the Apostle Paul writes of God s eternal purposes for all things on earth they are somehow part of a hoped for eschatological restoration So why are animals so often ignored in Christian moral discourse In its theological thinking and faith motivated praxis human centeredness typically results in the complete erasure of the nonhuman This book argues that this exclusion of animals is problematic for those who see the Bible as authoritative for the religious life Instead biblical literature bears witness to a more inclusive understanding of moral duty and faith motivated largesse that extends also to Eden s other residents **He Wants You to Know** Beverly

Lipford Carroll,2013-07 How can we understand what we do not know How can we comprehend what is outside our experience God is holy we are sinful God is all powerful and all knowing and perfect love and we are not He knows us completely and it is the desire of his heart for his children to know him The best teachers will patiently lead students one step at a time using what students do know to increase their understanding of what they need to learn God is the master teacher God reveals himself to his children in the Bible and in everyday experiences using what they do understand to help them learn the truth about who he is He takes what is familiar to them and says At least in some ways I AM like that It is not enough to have knowledge of what God said we must have understanding of what he wants us to learn Examine thirteen metaphors God uses to describe himself and find deeper understanding of this God who wants you to know him *Signs, Science and Symbols of the Prophecy* Aspen Christian College,2008-10 The real mystery of the movement of God s Spirit and Words can be found subtly spoken in the foundation of the Church on the day of Pentecost In the book of Acts chapter 2 where the Apostle Peter quotes the prophet Joel who said in last days that God would pour out in spirit on all people and that non clerical people sons and daughters would be revealed mysteries of God Such is so with the Author of this book Although he is not a member of the clergy Andrew the Prophet is receiving many revelations from God and how they relate to Science and current world events *The Land of Christ* Yohanna Katanacho,2013-10-01 Palestinians and Israeli Jews live in one land yet as two distinct communities each of which claims ownership of the same territory How are we to understand the divine promise pertaining to the land Did God promise the land exclusively to the Jewish people Do the Palestinians have a right to live in the land or does God want them to leave After affirming important Palestinian Evangelical concerns The Land of Christ challenges the argument that God gave the land to Israel Yohanna Katanacho asks 1 What are the borders of the land 2 Who is Israel 3 How did God give Israel the land Through careful biblical exegesis the book responds to these questions exposing the superficiality of many slogans and claims Then the book presents an alternative biblical theology of the land However the theology of the land in this book is intimately associated with the context in Israel Palestine The Palestinian Kairos Document is the most accepted representative of the current Palestinian context and theology The book unpacks this document and extrapolates on its theology of the land Finally the author does not leave the reader without hope Katanacho portrays Hagar as a symbol of hope and considers the Korahite Psalms from the perspective of refugees *The Preacher's monthly.
