A Believing Disciple

God And His People:

The Story of God and His People Jesslyn De Boer, Hazel Timmer, 1998 Presents the Bible as the story of God's acts and words and instill a sense of Biblical history *God's Holy People* Jo Bailey Wells, 2000-03-01 God calls his people to be holy What does this mean Holiness means belonging to God and being stamped with his character This belonging is expressed for ancient Israel in the story of the foundational events on Mount Sinai The idea is then developed refined and transformed through the establishment of the priesthood the gift of the Law the challenge of the prophets and in the New Testament through the life of Christ This book sets out these perspectives alongside each other and considers their interplay within the canon of scripture as a whole The result is both a biblical theology of holiness and a promising model for reinterpreting one text in the light on another **Covenant and the People of God** Jonathan Kaplan, Jennifer M. Rosner, David J.

Rudolph, 2023-05-23 Covenant and the People of God gathers twenty four essays from friends and colleagues of Messianic Jewish theologian and New Testament scholar Mark S Kinzer in honor of his seventieth birthday The essays are organized around two central themes that have animated Kinzer's work the nature of the covenant and what it means to be the people of God The volume includes fascinating discussions of some of the most sensitive areas related to Jewish Christian dialogue post supersessionist interpretation of Scripture and the theological shape of Messianic Judaism Among the contributors are scholars working in North America Europe and Israel They include Gabriele Boccaccini Douglas A Campbell Holly Taylor Coolman Gavin D Costa Jean Miguel Garrigues Douglas Harink Richard Harvey Vered Hillel Jonathan Kaplan Daniel Keating Amy Jill Levine Antoine Levy Gerald McDermott Michael C Mulder David M Neuhaus Isaac W Oliver Ephraim Radner Jennifer M Rosner David J Rudolph Thomas Schumacher Faydra L Shapiro R Kendall Soulen Lee B Spitzer and Etienne Veto *Of God, by God, for You, His People* A Believing Disciple, 2018-10-31 Of God by God for You His People explains how Moses taught people who could not read or write He provided language for them to expand their thinking to four dimensions He told them who God is what he does and how to grow as his children to be as he is Moses uses metaphors of the physical environment to present rock solid principles and knowledge a person needs to become as God our Father Life is the classroom to which we should apply these rock solid principles This process is called the Way Often people are baptized into God's family and then are not informed specifically what we as children are to do to grow up and what we as adults are to do Moses's metaphors are very clear once God's plan is explained This book covers that plan for any individual who desires to do what God says knowing what to do and how to do it **Hezekiah and Sennacherib: a Parallel; Or, God's Promises and Power His People's Delight and Security, Etc** John Godfrey ANGLE, 1858 God Is Near Clark Bunch, 2014-05-14

The Bible tells one story It's about how a Holy God deals with a sinful fallen and broken people At the center of that story is Jesus Fellowship was broken in the Garden of Eden but God didn't really go anywhere The story of God with us doesn't begin and end in the Gospels GOD IS NEAR is his promise to his people and it's found in every book of the Bible There should not

be a disconnect between the Old Testament and the New The Father Son and Holy Spirit are actually at work throughout Much of what God did in bringing Israel out of Egypt and establishing a kingdom is symbolic of the Christian church Moses is a type of Christ in many different ways The tabernacle veil of separation lamb of sacrifice and office of the High Priest are all meant to help New Testament believers understand who Christ is and what he does God is Near His Promise to His People does more than analyze the relationship of the books of the Bible Beginning in the Garden of Eden we embark on a journey through God s Word exploring the relationship between God and his chosen people God is holy and only what is holy can come into his presence But he has always been close God spoke to Moses from the burning bush appeared to the Hebrews in pillars of fire and cloud and radiated his visible presence above the tabernacle At Sinai his people saw him descend on the mountain and heard his voice and at Jericho they obediently watched as he won their battles for them God was in the manger at Bethlehem and on the cross at Calvary He filled the upper room in Acts 2 and the hearts of 3 000 believers who repented and were baptized that same day God s Holy Spirit dwells today in the heart of every believer He is not waiting for us in some darkened church sanctuary just as Jesus said he must be about his Father s business so must his children today The Kingdom of God was at hand in Jesus day and the people of his Kingdom today are sharing the Gospel giving out food digging wells

God arising and pleading his people's cause; or, the American War in favour of liberty ... in a sermon [on Ps. lxxiv. 22].

McMahon,2021-07-19 This volume is a spiritual journey through five important Scriptures Jeremiah 3 1 Mark 5 25 34 Luke 16 4 1 Samuel 17 34 35 and Ezekiel 36 9 It demonstrates the cultivation of true assurance that Christians can sincerely have as believing Christians if they trust in the work of Jesus Christ In these pages the Christian will find a spiritual feast in God s love to the soul that God is for you if you are a believer and the soul reciprocates this to him in service before Christ to love him back even into eternity This coming of Christ to be near to his redeemed people is in its highest and transcendent nature seen in the incarnation of the Son of God In this drawing near to them he shows by action that he is God with us And he testifies that he is God for us as Ezekiel 36 9 says For behold I am for you and I will turn unto you and ye shall be tilled and sown God draws near to his people in Christ to turn to them to be for them to till them and sow into them the glorious Kingdom of God What shall we say then to these things In the Father s ordination of the work of redemption through Christ even from before the foundation of the world we find that the saint s infirmities cannot wholly remove Christ s love for them in their present weaknesses and fallen state if they are truly redeemed He does this as the great Shepherd of the sheep the

Shepherd of his people whom he loved before the foundation of the world Christ is the Spiritual David who was planned before the beginning of time to work and merit salvation in rescuing his lambs from the mouth of the lion and the paw of the bear Sinners find that drawing near is to believe in him by faith to draw great virtue from him in the Spirit They come to understand that the way to receive the virtue of Jesus Christ is by touching him in faith and in this they are resolved to follow Christ the King without reservation casting themselves on his infinite mercy in everything *The Future of the People of God* Andrew Perriman,2010-07-01 At a time when the Western church is having to come to terms painfully and often reluctantly with its diminished social and intellectual status in the world following the collapse of Christendom we find ourselves as interpreters of Paul increasingly impressed by the need to relocate his writings in their historical context That is not a coincidence The Future of the People of God is an attempt to make sense of Paul s letter to the Romans at the intersection of these two developments It puts forward the argument that we must first have the courage of our historical convictions and read the text before Christendom from the limited shortsighted perspective of an emerging community that dared to defy the gods of the ancient world This act of imaginative critical engagement with the text will challenge many of our assumptions about Paul s gospel of God but it will also put us in a position to reconstruct an identity and purpose for the people of God after Christendom that is both biblically and historically coherent *Journey with Jesus/god Builds & Unites His People li Tm' 2004 Ed.* , **Receiving the 12 Blessings of Israel** Paul Thangiah,2016-10-18 Unique Fascinating Look at How God s Promises to Israel Apply to Today We read throughout the Bible about God blessing his people but most of us don t realize that these blessings are still meant for today and for us In this accessible study pastor and international leader Paul Thangiah connects ancient biblical texts to modern day life Exploring Jacob s final blessings over his twelve sons in Genesis and Moses parting blessings to the twelve tribes in Deuteronomy Thangiah sheds light on the history of those on whom these blessings were bestowed With keen insight he examines the background of each of Jacob s sons the significance of each name and personal situation and what the Bible says about his descendants Then he shows how each of the twelve tribes saw the fulfillment of both Jacob s and Moses prophetic blessings Yet these blessings didn t cease at the end of the Old Testament says Thangiah revealing how they were powerfully and ultimately fulfilled in Jesus You will be encouraged and inspired to discover how God s promises to his people extend beyond Israel to include all who ve been grafted in through Christ and how you can still enjoy these prophetic blessings today *THE GOD'S UNIVERSAL BEHAVIORAL PEDAGOGICAL PROGRAM by its last universal messenger the PROPHET MUHAMMAD (English version)* AL MAHDI COMPLEX SŽnŽgal,2019-01-16 ISLAM THE UNIVERSAL INSTITUTIONAL EVANGIL ALL THE TRUTHS AND CORRECTIONS OF UNIVERSAL HUMANITIES BY THE LAST PROPHET OF GOD MAHOMET MUHAMMAD ON THEIR UNIVERSAL IDEOLOGICAL AND BEHAVIORAL DISORDERS ON EARTH SINCE THE JUDAISM CHRISTIANITY FALSE MESSIAH OF THE EARTH OF ISRAEL AND ITS JEWISH PEOPLE OF ISRAEL OF THE ANCIENT PALESTINE UNTIL THE

Dinger,2011-10-11 This book is a Biblical study of the will of God All of God s actions consistent with His stated will have been aimed at the recovery of fallen mankind so all can once again come into God s presence and have fellowship with Him The study covers all statements of God s will many statements about His will the actions God has taken those things in which He delights and the gifts God has given to mankind to fulfill His will and to effect their return to the fold The study covers Jesus stated will the actions He has taken and the gifts He has given in fulfillment of God s will Finally the study covers the work of the Holy Spirit in this world as He works to implement and fulfill God s will *Chosen to Be God's Prophet* Henry Blackaby,2005-04-30 God called Samuel to be his prophet during a time of crisis in Israel s history a time when His chosen people had turned away from Him and were defiantly going their own way Using the obvious parallels in today s world noted scholar and teacher Henry Blackaby shows readers how God works in and through those he choses God spoke to Samuel again and again shaping him through trials and tragedies Dr Blackaby calls defining moments By studying Samuel s life readers learn to recognize their own defining moments and see how moments often defined in crises are simply the voice of God calling us to His purpose *Old Testament Theology* Robin Routledge,2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today **Introducing the New Testament** Joe Blair,1994-06-07 Helps students understand the New Testament by introducing its contents and principles for its interpretation
