Ghai, Interights (Organization),2004 South Africa is increasingly an attractive place for international investment Investing in South Africa provides readers with an overview of the investment environment in South Africa and information on investment opportunities developments and foreign direct investment incentives offered by the Department of Trade and Industry the DTI It also outlines the support that the DTI offers new investors in South Africa Through the New Partnership for Africa's Development NEPAD priority areas have been identified for Africa one of which is the development of the private sector as a means to stimulate growth An important element for investors in South Africa is that it is a gateway to the rest of Africa Already many South African companies have learned many lessons in tackling the challenges of these markets This provides a unique opportunity for international firms to draw on their lessons and experience Economic Perspectives on Cultural Heritage M. Hutter, I.
