**Labour Economics: Theory and practice** Kalandar Abdurakhmanov, 2020-05-17

Abdurakhmanov K Kh Labour Economics Theory and practice textbook K Kh Abdurakhmanov

Issues of labour economics and evolution of the economic views of Eastern thinkers the process of attracting and using labour power new forms of employment the labour market the economics of social and labour relations organization and wages incomes of workers level and quality of life of the population as well as the strategy of decent work in innovative conditions of economic development are considered in the textbook

For students of economic specialization of Central Asia studying in Europe and the United States and the widest range of readers interested in problems of Economics Republic of Uzbekistan This book Labour Economics Theory and Practice was presented at the International Conference This book Labour Economics Theory and Practice was presented at the International Conference in 2019 in Tashkent Uzbekistan with participation of Government of the Republic of Uzbekistan and Russian Federation as well as foreign countries Embassies and in particular UK Ambassador in Tashkent Uzbekistan Timothy Torlot

As it is known during 25 years of independence of the Republic of Uzbekistan scientists and researchers have not had opportunity to exchange research the latest scientific achievements and developments Over the past 3 years new President of Uzbekistan Shavkat Mirziyoyev has fundamentally changed his approach to domestic and foreign policy of the country due to which Central Asian region has entered a new stage in development of interactions in cultural and humanitarian cooperation There arose a necessity of interaction between scientists to deepen cultural and humanitarian cooperation

Academician Kalandar Abdurakhmanov was the first who presented new generation textbook Labor Economics Theory and Practice in Uzbek at international conference and arose a great interest of international scientific community in this scientific work as a result the textbook was firstly translated from Uzbek into Russian Kazakh Kyrgyz Tajik and English And it is planned to publish the textbook in Chinese Japanese Malaysian and Indonesian It shows that scientists of new generation and format are represented in the Republic of Uzbekistan

In February 2019 the leading academic economist academician of the Academy of Sciences of the Republic of Uzbekistan Kalandar Abdurakhmanov presented the fundamental work in Uzbek language Labor Economics Theory and Practice devoted to modern issues of sustainable employment formation and strengthening the role of human resources in modern conditions of innovative development of the economy

During the International Conference Plekhanov International Readings a global scientific conference held in Tashkent Uzbekistan in 2019 after acquaintance of the scientific community with this textbook an idea of rector of the Russian Economic University named after G V Plekhanova Victor Grishin to publish the Uzbek textbook Labor Economics Theory and Practice in the Russian Federation in Russian language was put forward It should be noted that the scientific community of a number of Central Asian states also showed their interest in this publication This is due to the fact that the new revised and updated edition of the textbook Labor Economics Theory and

practice of academician Kalandar Abdurakhmanov is a fundamental work covering the latest achievements of this science. Writing of this textbook is totally a new step in the direction of high qualified personnel training that is full with innovative changes on a global scale. The scientific community of a number of foreign countries also showed their interest in the publication as University students in developed countries study the sciences of Labor economics and Modern Labor economics which cover the most modern areas of labor economics theory. In the textbook academician Kalandar Abdurakhmanov takes into account all the latest achievements in this discipline. The author of the textbook is academician of the Academy of Sciences of the Republic of Uzbekistan. Kalandar Abdurakhmanov has extensive experience in this field. Scientific monographs, textbooks and tutorials of the academician are published in the USA, Germany, France, Norway, China, Malaysia, Indonesia, Finland, South Korea, Japan, Russia and other countries. Created on the basis of Tashkent State University of Economy and led by it, the scientific school Labor Economics is successfully engaged in scientific research on the problems of social and labor relations, studying aspects of improving personnel management, organizing remuneration, improving the mechanism of the labor market, employment issues, conducting scientific disputes, round tables, seminars and conferences on these topics with the participation of leading scientists and economists on labor issues of Uzbekistan. Priority areas have been approved as part of the activities of the scientific school: scientific research for 2020-2021 on the preparation and publication of monographs, scientific collections. Academician Kalandar Abdurakhmanov has published more than 15 articles in Scopus, one of the most respected collections of bibliographic and abstract scientific materials in the world as well as in the Web of Science. All this of course explains the great interest in the new textbook with the new economic approaches of academician Kalandar Abdurakhmanov both from scientists from the Central Asian region, the Russian Federation and from foreign countries. This scientific work embodies ideas that have recently been shared by many domestic and foreign researchers in the field of labor economics. The book is written at a high professional level. The textbook for the first time disclosed the theoretical aspects of not only Western leading economists but also examined the evolutionary stages of the economic views of Eastern thinkers such as Abu Nasr al-Farabi, Muhammad Khorezmi, Abu Rayhon Biruni, Abu Ali ibn Sina, Avicenna, Khoja Ahmed Yasawi, Mirzo Ulugbek, Alisher Navoi, Amir Temur, Babur and many other geniuses not only of Islamic but also of world civilization.

## Economics Theory And Practice Introduction

In today's digital age, the availability of Economics Theory And Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economics Theory And Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economics Theory And Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economics Theory And Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economics Theory And Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economics Theory And Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economics Theory And Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economics Theory And Practice books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
