Economists In Government An International Comparative Study:

Economists in Government Alfred William Coats, 1981 Outgrowth of two conferences the first held April 27 1977 at the Villa Serbelloni Bellagio Italy and the second held March 25 31 1979 at the Inter University Centre for Postgraduate Studies Dubrovnik Yugoslavia

International Organizations and the Analysis of Economic Policy, 1919-1950 Anthony M. Endres, Grant A. Fleming, 2002-06-24 This 2002 book expands our understanding of the distinctive policy analysis produced between 1919 and 1950 by economists and other social scientists for four major international organizations the League of Nations the International Labor Organization the Bank for International Settlements and the United Nations These practitioners included some of the twentieth century's eminent economists including Cassel Haberler Kalecki Meade Morgenstern Nurkse Ohlin Tinbergen and Viner Irving Fisher and John Maynard Keynes also influenced the work of these organizations Topics covered include the relationship between economics and policy analysis in international organizations business cycle research the role and conduct of monetary policy public investment trade policy social and labor economics international finance the coordination problem in international macroeconomic policy full employment economics and the rich country poor country debate Normative agendas underlying international political economy are made explicit and lessons are distilled for today's debates on international economic integration

Economists in the Americas Veronica Montecinos, John Markoff, 2010-01-01 Probably no region's economists have had greater public visibility or greater impact on regional and national public policy than Latin America's and no region has been more directly affected by the spread of US economics *Economists in the Americas* joins a small but important comparative literature on economics as a profession and is the first comparative treatment of professional economists in the United States and Latin America A multidisciplinary group of scholars discusses the last sixty years of shifting trends in economics in seven countries in the Western Hemisphere Argentina Brazil Chile Colombia Mexico Uruguay and the United States The chapters address the history of economics in the Americas the role of economists in politics and policy making economics education and competing paradigms in the field This collection points to the interconnections among the national cases the forging and breakdown of consensus around state and market dominance the transnational diffusion of economic ideas and professional norms as well as the embrace and rejection of an increasingly Americanized professional identity among Latin American economists The book will be of interest to policymakers and scholars interested in the comparative history and sociology of economics development public policy international affairs political science and Latin American studies

The Economics of Economists Alessandro Lanteri, Jack Vromen, 2014-06-05 The profession of academic economics has been widely criticized for being excessively dependent on technical models based on unrealistic assumptions about rationality and individual behavior and yet it remains a sparsely studied area This volume presents a series of background readings on the profession by leading scholars in the history of economic thought and economic methodology Adopting a fresh critique the contributors investigate the individual

incentives prevalent in academic economics describing economists as rational actors who react to their intellectual environment and the incentives for economic research Timely topics are addressed including the financial crisis and the consequences for the discipline as well as more traditional themes such as pluralism in research academic organizations teaching methodology gender issues and professional ethics This collection will appeal to scholars working on topics related to economic methodology and the teaching of economics

Japanese Economics and Economists since 1945 Aiko Ikeo, 2002-09-26 In this book leading Japanese scholars present an objective study of Japanese economics since 1945 based on statistical data and analysis The first half of the book assesses the impact and influence of Japanese economics within the international academy demonstrating the increasingly important contribution of Japanese approaches to theoretical and mathematical economics Part Two investigates the impact of Japanese economics on policy making dissecting the formulation of the famous industrial structure policy and comparing Japanese economics with American and Korean models Presenting a wealth of original empirical data and a new perspective on international economic theory this book will be of interest to historians theoreticians and policy makers alike

The Sociology and Professionalization of Economics A. W. Bob Coats, 2005-08-17 Coats has made an outstanding contribution to the history of economic thought economic methodology and the sociology of economics This unique volume represents a substantial part of his work on the sociology and professionalization of economics

The Post-1945 Internationalization of Economics Alfred William Coats, 1997 In addressing the internationalization of economics after 1945 these essays are concerned with aspects of economic education the economist's role in policymaking and the sociology and professionalization of the discipline These matters have rarely been considered in international terms While discussing organizations such as the World Bank International Monetary Fund and the European Community and presenting studies that are primarily concerned with the effect of these developments in particular countries this volume focuses on the situation of Latin America Arguably the post 1945 internationalization of economics has proceeded further more dramatically and with greater effect in that continent than in any other region of comparable size Contributors S Ambirajan William Ascher William J Barber Young Back Choi A W Coats Barend de Vries Margaret Garrison de Vries Peter Groenewegen Arnold Harberger Aiko Ikeo Maria Rita Loureiro Ivo Maes Veronica Montecinos Jacques J Polak Pier Luigi Porta Bo Sandelin Ann Veiderpass John Williamson

The Spread of Economic Ideas David C. Colander, Alfred W. Coats, Alfred William Coats, 1993-01-29 This book first published in 1989 contains a spirited debate between eminent economists journalists and publishers about the spread of economic ideas The examination of the flow of ideas among economists and from economists to the public is followed by a discussion of the public policy use and abuse of these concepts

The Historiography of Economics A.W. Bob Coats, 2013-10-08 This is the third and final volume of collected papers of A W Bob Coats Coats began to collect material for this volume in the years following the publication of the second volume in 1993 but sadly died in 2007 before the work was completed The volume has now been

completed under the editorship of Roger Backhouse and Bruce Caldwell Along with his articles the compilation of the volume also reflects Coats interest in and commitment to book reviews a selection of which have been chosen for inclusion The book also includes a comprehensive bibliography In addition to a preface by Backhouse and Caldwell the volume also reproduces the obituary that was published in History of Political Economy a memoir published in 1996 and an interview with Grant Fleming published the previous year Together the introductory materials articles and reviews serve as a fitting tribute to the body of work of Bob Coats The Development of Economics in Western Europe Since 1945 A. W. (Bob) Coats,2005-08-19

The volume goes beyond the conventional history of economics in its emphasis on the historical and institutional context economic policy and the development of economics as a profession *The Political Power of Economic Ideas* Peter A. Hall,2020-11-10 John Maynard Keynes once observed that the ideas of economists and political philosophers both when they are right and when they are wrong are more powerful than is commonly understood The contributors to this volume take that assertion seriously In a full scale study of the impact of Keynesian doctrines across nations their essays trace the reception accorded Keynesian ideas initially during the 1930s and then in the years after World War II in a wide range of nations including Britain the United States France Germany Italy Japan and Scandinavia The contributors review the latest historical evidence to explain why some nations embraced Keynesian policies while others did not At a time of growing interest in comparative public policy making they examine the central issue of how and why particular ideas acquire influence over policy and politics Based on three years of collaborative research for the Social Science Research Council the volume takes up central themes in contemporary economics political science and history The contributors are Christopher S Allen Marcello de Cecco Peter Alexis Gourevitch Eleanor M Hadley Peter A Hall Albert O Hirschman Harold James Bradford A Lee Jukka Pekkarinen Pierre Rosanvallon Walter S Salant Margaret Weir and Donald Winch **The State and Economic Knowledge**

Mary O. Furner,Barry Supple,1990-08-31 This book addresses an important but inadequately recognized dimension of the activities of the modern state the role it plays in producing the theoretical and practical knowledge necessary for economic policy making Over time governments in modern societies have assumed the ultimate responsibility for ensuring the economic well being of their citizens and for protecting their competitive positions in the international economy To perform their various coordinating functions effectively and to maintain legitimacy governments have found it necessary to rely on accurate information regarding economic conditions and trends and on empirically based theories or models that allow officials to anticipate the economy s performance under specified conditions The traditional assumption which this collection of essays challenges is that despite this profound dependence governments have generally acted as passive consumers of whatever ideas economists in the private sector and professions had to offer This book brings together papers that reveal the ways in which modern states have helped to generate new economic knowledge and how that process interacts with economic changes specific political institutions and ideological contexts **On the History of Economic Thought** A. W.

Bob Coats, 2005-08-08 On the History of Economic Thought is introduced by an essay in intellectual autobiography outlining the development of Coats' key ideas and the distinctive elements of his approach. Two themes in particular emerge. The first is the difference between British and American economics both in content and in the practice of the profession. This is an important element in all areas of his research. The second theme is in the interrelationships between economic ideas, events or conditions and policy issues. The book concludes by offering an assessment of the current state of the discipline, indicating the advantages an historian of economics can offer as a commentator on recent developments. **External Research. ER List** United States. Department of State. External Research Division, 1962. *Policy Analysis and Economics* David L. Weimer, 2012-12-06 Long before policy analysis emerged as a separate profession with its own graduate schools, economists offered advice about government policies. Positive economics provides the tools for predicting the impacts of proposed policies; normative economics, especially welfare theory, offers a framework for valuing the impacts of policies in terms of efficiency and simple notions of equity. With the expansion of economic theory into ever wider fields of human behavior, it is no wonder that economists have prominence as teachers and practitioners of policy analysis. Indeed, many economists see policy analysis as essentially applied economics. Though other social scientists might object to this somewhat parochial view, economics and policy analysis share much in common in terms of development and prospects. The purpose of this volume is to trace these interrelationships and explore the tensions that they create. Tensions arise for several reasons. Changes in the discipline of economics affect the findings, methods, and personnel offered to policy analysis. For example, on the one hand, the new institutional economics appears to be extending the influence of economists to questions involving nonmarket organizations, while on the other hand, the apparently growing emphasis within the economics profession on creating rather than empirically testing theory suggests that fewer of the best young scholars will be drawn to policy-relevant research. Within the schools of policy analysis, the drift toward public management may reduce the demand for traditional economic training. Psychological Economics P. Earl, 2012-12-06 Peter E. Earl There is no doubt that it is appropriate for a series on Modern Economic Thought to include a book on the recent development of economic analysis incorporating ideas from psychology. This book was designed to appear in 1987, 15 years after the publication of a now classic collection of essays in honor of George Katona. Strumpel et al. (1972) who throughout the fifties and sixties had been tirelessly trying to persuade economists of the virtues of an infusion of psychology into their work. In the intervening 15 years, there has been a considerable growth of interest along the lines for which Katona had been arguing. Many psychology-based economics monographs have appeared; a specialist quarterly, the *Journal of Economic Psychology*, commenced publication in 1981; with 1985 seeing the first issue of the *Journal of Interdisciplinary Economics* as yet another addition to growing ranks of psychology-friendly journals such as the *Journal of Consumer Research* and the *Journal of Social Economics*; and recently, within psychology itself, symposia have been taking place with a focus on the economics-psychology interface. For example, see the

entire June 1982 issue of the British Journal of Social Psychology For someone like myself strongly committed to a psychological approach to economics a 1 2 PSYCHOLOGICAL ECONOMICS problem of information overload and consequent ignorance of pertinent developments already looms large as a possibility **Economic Thought and Policy in Less Developed Europe** Maria Eugenia Mata,Michalis Psalidopoulos,2001-12-06 The essays in this volume explore and discuss the process of dissemination of economic ideas among Europe s less developed countries and regions as well as the interaction between economic thought and economic policy in different times and places during the nineteenth century The comparative approach adopted sheds new light on the course of economic development in Europe s less developed countries in the nineteenth century and the role played by political economy Amongst a host of others the topics covered include economic policy in Denmark monetary and trade policy in Norway the influence of the German Historical School in Finland land Reform and the abolition of serfdom in Russia and in Poland With contributions that disclose important insights into national traditions in economic thought and policy and the diffusion of ideas in Europe this work will be essential reading for all scholars of the history of economic thought **The Oxford Handbook of Dutch Politics** ,2024-09-25 The Oxford Handbook of Dutch Politics provides a comprehensive longitudinal overview of the state of the art of academic research on the Dutch political system its origins and historical development its key institutions main fault lines pivotal processes and key public policy dynamics In each of the chapters researchers take stock of what if anything has changed over time how scholars have conceptualized and studied these dynamics and what key factors can account for the developmental patterns found to be at play Notwithstanding its considerable degree of constitutional and institutional stability Dutch politics has seen considerable step changes and occasional upheavals across the last half century Influenced by long term demographic socio economic and cultural shifts the old social cleavages have waned New social identities and dividing lines such as ethnicity education place and gender have influenced Dutch citizens political attitudes and behaviours including their voting patterns The media landscape and the information environment have been altered by new technologies that politicians and citizens alike have to navigate This has produced changes in such pivotal components as the party system coalition formation and management process and executive legislative relations and many others Moreover public policy paradigms and the political coalitions that sustained them have ascended and lost traction in most of the eleven policy domains discussed in the Handbook In all this volume provides unique and indispensable insights into stability and change in a political system that once gained notoriety as an archetype of a consensual or consociational democracy *Government-sponsored Research on Foreign Affairs* ,1977 **Comparative Sociological Research in the 1960s and 1970s** J. Michael Armer,Robert Mortimer Marsh,1982

Whispering the Strategies of Language: An Psychological Quest through **Economists In Government An International Comparative Study**

In a digitally-driven earth wherever displays reign great and immediate conversation drowns out the subtleties of language, the profound strategies and mental nuances hidden within words usually move unheard. Yet, situated within the pages of **Economists In Government An International Comparative Study** a charming literary prize sporting with fresh emotions, lies an exceptional quest waiting to be undertaken. Composed by a talented wordsmith, that marvelous opus encourages viewers on an introspective trip, delicately unraveling the veiled truths and profound affect resonating within ab muscles cloth of each and every word. Within the psychological depths with this touching review, we shall embark upon a sincere exploration of the book is key styles, dissect their interesting publishing fashion, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.

Economists In Government An International Comparative Study Introduction

Economists In Government An International Comparative Study Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Economists In Government An International Comparative Study Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Economists In Government An International Comparative Study : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Economists In Government An International Comparative Study : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Economists In Government An International Comparative Study Offers a diverse range of free eBooks across various genres. Economists In Government An International Comparative Study Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Economists In Government An International Comparative Study Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Economists In Government An International Comparative Study, especially related to Economists In Government An International Comparative Study, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Economists In Government An International Comparative Study, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Economists In Government An International Comparative Study books or magazines might include. Look for these in online stores or libraries. Remember that while Economists In Government An International Comparative Study, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and

downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Economists In Government An International Comparative Study eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Economists In Government An International Comparative Study full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Economists In Government An International Comparative Study eBooks, including some popular titles.

FAQs About Economists In Government An International Comparative Study Books

What is a Economists In Government An International Comparative Study PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Economists In Government An International Comparative Study PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Economists In Government An International Comparative Study PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Economists In Government An International Comparative Study PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Economists In Government An International Comparative Study PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to

compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
