updates about movie stars musicians athletes and even those who have achieved celebrity status simply for being rich and extravagant Disturbingly it appears that the harder our celebrities fall the more fascinating they are to us As popular culture becomes more influential it is important to understand both the positive and negative aspects of celebrity This volume traces the development of the concept of celebrity discusses some of the problems facing both celebrities and their followers and points to future trends and developments in our cultural understanding of celebrity The author s treatment is unflinchingly honest revealing the importance of the public s role in celebrities lives and establishing firm criteria for determining who is a celebrity and who is not Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index
