

LUCY WARE WEBB HAYES, Soldier's Wife

Lucy Webb Hayes (1831–89), wife of Colonel Rutherford B. Hayes, often visited her soldier husband in camp during the war years, where she also tended to the wounded, providing aid and solace to make their suffering bearable. She later accompanied her husband on his trip home to convalesce when he was wounded in 1862. After her hus-

band's election to the presidency in 1877, the members of his old regiment presented her with a gift to commemorate her wartime kindnesses to them. Above we see Lucy Hayes comforting a wounded soldier in an emergency aid station set up in a barn behind the combat lines.

He Kept the Colors L. E. Johnson, 2007 Back in the beginning days of America's Civil War the women of the small town of Marlette Michigan in the very heart of the Thumb wanted to show their support of President Lincoln and the Union forces in some small way They collectively designed and sewed a huge Union flag of 34 stars four rows of eight with an extra star at the end in between each two rows This precious flag was then given to a gentleman they knew who lived just to the south who was leaving for the war Color Sergeant Thomas Henry Sheppard's story along with that of the Battle Flag of Company E First Michigan Cavalry is one of the most incredible true stories to ever come out of the Civil War The Detroit Free Press back in the 1880's called it an episode of the Civil War which has a strong coloring of Romance as the Press told of how the colors of the First Michigan Cavalry were protected as the red white and blue bunting became more and more tattered and sun faded and bullet ridden and still the flag assumed a dignity and interest even beyond that which the colors have of their own right to every loyal man Thomas' account intersects with the lives of two of the War's most famous Generals and is written by a close relative of the third The Color Sergeant took the colors and with his regiment carried them to the front lines where they saw hot service and from which many did not return In his words the 1st Michigan fought through the Shenandoah on Banks' advance and retreat in the campaigns of Pope and Burnside and did yeoman service at the Battle of Gettysburg They were under fire twice at Winchester at Middletown Strasburg Harrisonburg Occoquan and Thoroughfare Gap Sheppard and his flag survived 13 major battles over 100 skirmishes and 16 months of war Thomas following right behind his flamboyant new General Custer led the First Michigan Cavalry into the most famous cavalry charge of the entire war as they stopped the Confederacy short of their certain victory in Pickett's Charge at Gettysburg on July 3 1863 Alas Thomas and his beloved flag went down in that fight and he became a Prisoner of War spending the next 505 days in prisons of the South including that Hell hole ANDERSONVILLE While all that is stunning enough the rest of Sheppard's story is almost beyond belief as many years later he has a chance encounter with the Civil War's most famous Volunteer General Black Jack Logan at the train station in Marlette during Logan's whistle stop campaign for the Vice Presidency of the United States Thomas' precious flag with 72 bullet holes that old flag is now the proudest possession of the Dearborn Historical

Lethal State Seth Kotch,2019-01-10 For years American states have tinkered with the machinery of death seeking to align capital punishment with evolving social standards and public will Against this backdrop North Carolina had long stood out as a prolific executioner with harsh mandatory sentencing statutes But as the state sought to remake its image as modern and business progressive in the early twentieth century the question of execution preoccupied lawmakers reformers and state boosters alike In this book Seth Kotch recounts the history of the death penalty in North Carolina from its colonial origins to the present He tracks the attempts to reform and sanitize the administration of death in a state as dedicated to its image as it was to rigid racial hierarchies Through this lens Lethal State helps explain not only Americans deep and growing uncertainty about the death penalty but also their commitment to it Kotch argues that Jim Crow justice continued to reign in the guise of a modernizing orderly state and offers essential insight into the relationship between race violence and power in North Carolina The history of capital punishment in North Carolina as in other states wrestling with similar issues emerges as one of state building through lethal punishment
