Fanfiction and the Author Judith Fathallah, 2025-10-01 The production reception and discussion of fanfiction is a major aspect of contemporary global media Thus far however the genre has been subject to relatively little rigorous qualitative or quantitative study a problem that Judith M Fathallah remedies here through close analysis of fanfiction related to Sherlock Supernatural and Game of Thrones Her large scale study of the sites reception and fan rejections of fanfic demonstrate how the genre works to legitimate itself through traditional notions of

authorship even as it deconstructs the author figure and contests traditional discourses of authority Through a process she identifies as the legitimization paradox Fathallah demonstrates how fanfic hooks into and modifies the discourse of authority and so opens new spaces for writing that challenges the authority of media professionals

Cultural Change and Ordinary Life Brian Longhurst, 2007-09-16 How important are the media How is culture changing How is ordinary life being transformed How do we belong This ground breaking book offers a new approach to the understanding of everyday life the media and cultural change It explores the social pattern of ordinary life in the context of recent theories and accounts of social and cultural change Brian Longhurst argues that our social and cultural lives are becoming increasingly audienceed and performed and that activities in everyday life are changing due to the ever growing importance and salience of the media These changes involve people forging new ways of belonging where among other things they seek to distinguish themselves from others In Cultural Change and Ordinary Life Longhurst evaluates changes in the media and ordinary life in the context of large scale cultural change especially with respect to globalization and hybridisation fragmentation spectacle and performance and enthusing or fan like activities He makes the case that analysis of the media has to be brought into a more thorough dialogue with other forms of research that have looked at social processes Cultural Change and Ordinary Life is key reading for students and researchers of sociology media studies cultural studies and mass communication

examples in film travel and tourism football and music With an emphasis on social media and how various online platforms are utilised by brands artists and fans the authors explore how this type of communication often contributes to trivialising authentic expressions of cultural and social values and identities *Critical Terrorism Studies since 11 September 2001* David Miller, Jessie Blackbourn, Helen Dexter, Rani Dhanda, 2016-04-08 Academic studies of terrorism grew exponentially in number after the September 11 attacks The problem was that much of this work of orthodox terrorism studies was biased often shoddily researched and was too closely identified with the power centres of Western states Its denizens were often former and sometimes current officials or officers in the military intelligence services or the security industry or were funded by them In response the project of Critical Terrorism Studies was intended to give a more rounded account of political violence in the world It focuses on neglected issues like state terrorism Western counterinsurgency propaganda and misinformation More than a decade since the founding of the critical project this book asks what has been learned It showcases leading examples of critical terrorism studies and presents an agenda for the expansion of an evidence based approach to political violence and terrorism With chapters by leading authorities such as Joseba Zulaika Michael Stohl Mary Hickman and Richard Jackson the book evaluates how far the critical project has come and where it is going next This book was published as a special issue of Critical Studies on Terrorism *Exposing Lifestyle Television* Gareth Palmer, 2016-04-15 In the last decade lifestyle television has become one of the most dominant television genres with certain shows now global brands with formats exploited by producers all over the world What unites these programmes is their belief that the human subject has a flexible malleable identity that can be changed within television friendly frameworks In contrast to the talk shows of the eighties and nineties where modest transformation was discussed as an ideal advances in technology combined with changing tastes and demands of viewers have created an appetite for dramatic transformations This volume presents case studies from across the lifestyle genre considering a variety of themes but with a shared understanding of the self as an evolving project driven by enterprise Written by an international team of scholars the collection will appeal to sociologists of culture and consumption as well as to scholars of media studies and media production throughout the world *Violent Femmes* Rosie White, 2007-11-13 The female spy has long exerted a strong grip on the popular imagination With reference to popular fiction film and television *Violent Femmes* examines the figure of the female spy as a nexus of contradictory ideas about femininity power sexuality and national identity Fictional representations of women as spies have recurrently traced the dynamic of women's changing roles in British and American culture Employing the central trope of women who work as spies Rosie White examines cultural shifts during the twentieth century regarding the role of women in the professional workplace *Violent Femmes* examines the female spy as a figure in popular discourse which simultaneously conforms to cultural stereotypes and raises questions about women's roles in British and American culture in terms of gender sexuality and national identity Immensely useful for a wide range of courses such as film and television studies English cultural studies

women's studies gender studies media studies communications and history this book will appeal to students from undergraduate level upwards *Queering Contemporary French Popular Cinema* Darren Waldron, 2009 *Queering Contemporary French Popular Cinema* combines close film analysis with a small scale qualitative investigation of audience responses to examine images of queerness in contemporary French popular cinema and their reception Through its blending of the textual and the empirical this book provides a unique insight into the ways in which sexuality and gender are represented on the cinema screen as well as the spectator reactions they elicit Since the mid 1990s depictions of lesbians gay men and queer forms of sexual desire and identity have shifted to the mainstream of French cinematographic representation as evidenced by the box office success of a series of highly commercial comic films including *Gazon maudit* Josiane Balasko 1995 *Pdale douce* Gabriel Aghion 1996 *Le Placard* Francis Ver 2000 and *Chouchou* Merzak Allouache 2003 Alongside this commercial strand a series of small budget alternative comedies and other genre films have also challenged heteronormative conceptualizations of sexuality and gender Films such as *Sitcom* Fran ois Ozon 1998 *L Homme est une femme comme les autres* Jean Jacques Zilbermann 1997 *Pourquoi pas moi* St phane Giusti 1999 *Dr le de Flix* Olivier Ducastel and Jacques Martineau 2000 and *Les Chansons d amour* Christophe Honor 2007 portray desire as fluid and or gender as unfixed With their use of parody and their blending of comedy with the musical melodrama romance or road movie these and other similar films have resonated with a burgeoning viewing public tired of having to seek queerness in connotation of appropriating marginal characters in ostensibly straight narratives and of tragedy and trauma as the principal modes of representation and spectator address **Sherlock and Transmedia Fandom** Louisa Ellen Stein, Kristina Busse, 2014-01-10 The critically acclaimed BBC television series *Sherlock* 2010 re envisions Sir Arthur Conan Doyle's detective for the digital age joining participants in the active traditions of Sherlockians Holmesians and fans from other communities including science fiction media and anime This collection explores the cultural intersections and fan traditions that converge in *Sherlock* and its fandoms Essays focus on the industrial and cultural contexts of *Sherlock*'s release on the text of *Sherlock* as adaptation and transformative work and on *Sherlock*'s critical and popular reception The volume's multiple perspectives examine *Sherlock Holmes* as an international transmedia figure with continued cultural impact offering insight into not only the BBC series itself but also into its literary source and with it the international resonance of the Victorian detective and his sidekick Instructors considering this book for use in a course may request an examination copy here *French and Spanish Queer Film* Chris Perriam, 2016-06-02 Advancing the current state of film audience research and of our knowledge of sexuality in transnational contexts *French and Spanish Queer Film* analyses how French LGBTQ films are seen in Spain and Spanish ones in France **Reading Radio 4** Macdonald Daly, 2016-12-01 This book is a study of contemporary Radio 4 output covering the entire broadcast day Radio is largely neglected by media and cultural studies The small body of existing work on Radio 4 is predominantly historical focusing on institutional history or sociological focusing on contemporary BBC editorial and

journalistic practices Reading Radio 4 by contrast analyses contemporary Radio 4 programmes entirely from the point of view of today's listener Individual chapters correspond to all existing Radio 4 timeslots in the entire broadcast day of 19 hours 40 minutes from 5 20am to 1 00am The study while academic in approach aims to promote an informed and critical appreciation of Radio 4 for all listeners as well as students of the media

Cultural Studies and Anti-Consumerism Sam Binkley, Jo Littler, 2014-02-25 Anti consumerism has become a conspicuous part of contemporary activism and popular culture from culture jams and actions against Esso and Starbucks through the downshifting and voluntary simplicity movements the rise of ethical consumption and organic and the high profile of films and books like *Supersize Me* and *No Logo* A rising awareness of labor conditions in overseas plants the environmental impact of intensified consumer lifestyles and the effects of neo liberal privatization have all stimulated such popular cultural opposition However the subject of anti consumerism has received relatively little theoretical attention particularly from cultural studies which is surprising given the discipline's historical investments in extending radical politics and exploring the complexities of consumer desire This book considers how the expanding resources of contemporary cultural theory might be drawn upon to understand anti consumerist identifications and practices how railing against the social and cultural effects of consumerism has a complex past as well as present and it pays attention to the interplays between the different movements of anti consumerism and the particular modes of consumer culture in which they exist In addition as well as using cultural studies to analyse anti consumerism it also asks how such anti consumerist practices and discourse challenges some of the presumptions and positions currently held in cultural studies This book was previously published as a special issue of *Cultural Studies*
