The winningest coach in the history of NCAA basketball, Summitt overcame one obstacle after another on the road to every victory, but it is the lives she has impacted along the way that tell the story of her true legacy. Forever a role model for young women, expecting nothing but the best from her players and from those around her, her legacy has never faltered, not even during her final season as head coach when she faced her fiercest adversary yet: the diagnosis of early onset Alzheimer's disease.

Out on a Limb...And Still Standing April Mial, 2009-12-04 Relive the emotional journey towards the production of *Fall From Grace* through the eyes of April Mial. This book is her testimony and spiritual journey of accomplishing her dreams with the desire of positively touching more lives in the future. Although this book is not a how-to book of doing film production, it is an emotional journey of how her life's experiences and learning from those experiences allowed her to continually believe in God to make her dreams come true. Finish this book of inspiration with a feeling that you can do anything you want, having the right mindset and staying focused. As the old saying goes, Faith without works is dead. This book will show you that in order for faith to support your Purpose, you must follow your dreams and put forth the work. Thus the motto for Lilac Films, a faith-based production company, is: Do dream. Have faith. Do work. Fulfill Purpose. God allows each and every one to have a dream. A dream is a desire that makes us happy. After realizing our dream, we must incorporate faith that it will come into fruition. Only until we put forth the work into that dream will we fulfill our purpose.

It is only on Noonan's Pond, skating across the cold, hard ice under the moon and the stars, that he is able to find some measure of peace and serenity. One especially difficult night, he meets another boy at the Pond who says his name is Baby, and he seems to know everything about Max and his mother. Baby helps Max make it through the pain and confusion with his mother and proves to be always there when Max truly needs him.
